

Enoch Calendar

5948 A.M.

2023/2024 A.D.

Kenneth B. Jenkerson

Enoch was given these Instructions by YAH! To Have a Solar Calendar Year consisting of 364 days. 12 months of 30 days each with 4 Intercalary Days known as the 2 solstices and the 2 equinoxes we have annually. YAH has His own Holidays carved into this calendar- which I think both of which will be kept throughout eternity.

Jeremiah 6:16 “Thus says Yah, Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it, and you shall find rest for your souls! But they said, “We will not walk in it!!!”

Preface

These Appointed Times of YAH are part of His instructions to us on how to please Him and how to walk in His ancient paths. He tells us not to learn the way of the gentiles. The majority of the holidays on our gentile calendar known as the Gregorian calendar have pagan origins into gentile practices that we as Believers in YAH and His only begotten Son. Valentines Day, Easter, Halloween, Thanksgiving, Christmas all gentile practices with pagan origins. Not only are we commanded to stop celebrating these days, but we are also commanded to keep YAHs Holidays (Holy Days) or Appointed Times. Most of us don't even know about them, but most of them are listed in Leviticus 23 and Numbers 28 and 29. However, there are a few hidden ones that you have to dig for or have revealed to you, but I assure you they are there! This Calendar is based of the Calendar found in the Qumran Caves in the Essenes Community.

May we all learn to study to show ourselves approved unto YAH. May we all learn how to prove that which is pleasing to YAH and may we learn to love YAH with all that is in us and may we learn to love each other at the level we are at. May we learn how to produce good fruit that will remain which I think is done through the process of making disciples who are able to reproduce in others what YAH has produced in them. I have many teachings available on my website at <http://disciplemakingpastor.org> I also have a You Tube channel called Ken Jenkerson currently with 69 videos of teachings. My email is kenjenkerson@Yahoo.com if you wish to contact me. May YAH bless you and keep you; May YAH make His face shine on you and be gracious to you; May YAH lift up His countenance on you and give you peace. Shalom- Ken Jenkerson

Current Events Update: 2023 A.D./ 5947A.M.

Simply laid out in Scripture where I think we are!

I think we are in the tribulation heading quickly into the great tribulation. I think we are transitioning to the 3rd horse of famine in **Revelation 6:6** where a loaf of bread will cost a days wages, yes even in America! And the 4th horse of Death and Hell was following with him and power was given to them to kill with the sword and with famine and with pestilence and by wild beasts. Then there is the 5th Seal which is nothing less than the mark of the beast being rolled out and those who refuse to take it will be beheaded- Hello FEMA camps with stack-able coffins and guillotines! You may wonder how I

come to the conclusion that the mark of the beast mentioned in **Revelation 13** is retroactive to **Revelation 6:9-11**. Well in **Mark 13** the **Messiah reveals the chronological order!** Yes He tells us the Sun will be darkened out after the great tribulation which in my opinion is the beheading of those who refuse the mark. Well guess what the 6th seal of **Revelation 6** is, Yep the Sun becomes black like sackcloth made of hair. Sounds like the sun will be darkened as Messiah says in **Mark 13:24**. Darkening the sun is already a project of bill gates- they want to release particles in the atmosphere to block the rays of the sun- destroying the process of photosynthesis- nothing will grow! Not to mention the Tonga volcanic eruption in January of 2022 and the grand solar minimum that is expected to occur.

What is the mark of the beast? A mark on the hand or forehead that allows you to buy stuff! Without it being in society doesn't make sense! We need to become self-sufficient, independent of society. We need to be water, food, and shelter independent. This is why the Creator tells us to come out of Babylon that we may not partake in her sins, and that you may not receive of her plagues. So with the mark you can buy stuff and live in society, but those who take the mark will not enter the Kingdom of Yah-

Rev.14:9/19:20-21. It's a no brainer for me, but I worry about the kids and the grandkids- they need to understand what's coming! More than likely its a chip implant, probably will start with an app on your smartphone. Eventually they want to use wireless interface, which some think the so called forced vaccines were nano bite technology that formed interface devices inside of people and so we can be hooked up to their

internet without any external devices. Obama declares that Yuval Noah Harari is a prophet- I'm not sure if he is the false prophet mentioned in Revelation 13- but he is definitely a tool of the devil. His transgender, trans human agenda of merging man with computer is being used for evil- he has several books if you desire to see how evil it is.

I included the Update from last year since it contains some good, accurate, and truthful information. First I wanted to simply lay out in scripture where I think we are. It sure seems to me like the enemy is following the blueprint laid out in the bible. The crazy thing for me is that I thought it would be Yahuah doing these things but now it seems as though man is behind most of it and they are being controlled by an evil entity that desires to destroy man and this planet we call earth. The other crazy thing is this: I never thought we would be living through the

tribulation, until recently. **The main reasons I think we are in the tribulation and are headed for the great tribulation are because** the writing is on the wall- the signs are all around us. I discovered the Enoch Calendar around 2017 and the Melchizedek document and the school of Elijah teachings, all found in the Dead Sea Scrolls, that all pointed to the Messiahs second advent in the year 2075. They also foretold the Messiahs first advent exactly as and when it happened! And with the knowledge of the Messiah saying those great tribulation days would be cut short for the sake of the elect- **Mark 13:20**. And with my wife's Aunt Rose having had a dream that she claimed the Creator was telling her Obama was the Anti-Messiah, this was back in 2007-08, and Rose is a Spirit filled devout believer whom I have no reason to doubt her. And with all the events that have occurred since 2018 with Covid. The tyranny

and the totalitarianism coming from our own government against us Americans along with other governments of other countries. We clearly see the rise of the New World Order/Religion. I refer to it as Globalism, and the globalist are the elite rich running the world with money and power and commerce. Some key players are Clause Schwab, Henry Kissinger, Rothchilds, George Zorros. They use the World Economic Forum to run the world! They are unelected yet officially running all the elected people. They train up world leaders then put them in strategic places! Like Fidel Castro's son Justin Trudeau Prime Minister of Canada. Then they brag about having penetrated all the world governments. These globalists have a Satanic trans human agenda to destroy humanity and the earth in the process. Another interesting tid-bit is that the Mayan calendar everyone was saying ended in

2012 A.D. That math was based of a 365.25 days in a year. If you do the math based of a scriptural 360 days in a year. Well then the Mayan calendar ends in the year 2045 A.D. So with this knowledge of how short the devils time is, I am surprised that he waited so long, and I am grateful that he has been restrained until now! But now we must wake up and face the reality of no rapture, and the great tribulation coming quickly upon us. Scripture points to the earth being destroyed with fire, or at least life on earth being destroyed. I'm not sure if this happens before Messiah or after his return, but I think it's after the millennial reign, in **Revelation 21:1** we see that there is a new heavens and earth for us to dwell on after the millennial reign. But when it does happen I think there is evidence of a hiding place for the 144,000 or the remaining believers alive here on earth at that time. Not a rapture for we inherit

the earth, and the wicked are the ones who seem to get destroyed and removed from the earth. I challenge the rapture theology with **1 Peter 1:9** “For it appointed unto man to die once and then the judgment.” If you are raptured, then you miss death like only 2 others- Enoch and Elijah- obviously the 2 witnesses mentioned in **Revelation 11**- so they can fulfill this verse- they must die! **I Thessalonians 4:17** and **I Corinthians 15:51** are a reference to the second advent not a departure for us! The resurrection taking place will be the beheaded souls that are murdered during the great tribulation- they get to come alive to meet the Messiah in the Air, along with those who are alive, as He returns to Earth to reign for a thousand years- **Revelation 20:4**. Notice that when Messiah returns there are believers alive that meet Him in the air! Who are these believers and when are they alive? Well the Messiah returns after the great

tribulation- He cuts that time period short! My point is that there are believers living through the tribulation in the very verse the rapture theory uses to say we miss the tribulation. The deceit is right in front of us! Also as far as the rapture goes who are the saints the devil is making war with in **Revelations 12:17, and in 12:11** who are the ones overcoming because of the blood of the Lamb and the word of their testimony? And what about the 144,000 bond servants of Yah in **Revelation 7** – this is during the 6th seal- so if there is a rapture why didn't these believers make it out of here? Also **Revelation 18:4** Come out of Babylon My people! Who are the people? The believers that are here during this tribulation and great tribulation. **Revelation 7:9-14** here is a great multitude standing before the throne and before the Lamb who have come out of the great tribulation! They serve Him day and night in

His temple- HalleluYah! Messiah clearly spoke of tribulation and great tribulation, the great tribulation includes the mark of the beast and beheadings of believers, in **Matthew 24:9,21**. Don't get me wrong, I'm all for beam me up out of here, I just don't see it in scripture; but if it happens I welcome it. It's ok to hope for the best and prepare for the worst. So **Isaiah 56:20** and **Enoch 96:2** point to a hiding place for the elect and the righteous from the fire destroying the earth. My point is our focus and trust needs to be in Yahuah to Deliver, and we must purpose in our hearts to obey Him and not take the mark of the beast. For those who take it will not enter the Kingdom of Yah. Their will be famine, betrayal, beheadings, plagues- this will not be our best life now! But we must put our trust in Him to give us the strength as **Enoch says- 96:2** and in the day of tribulation of the sinners, your children shall mount and rise as eagles, and your

nests shall be higher than the vultures. You shall ascend as badgers and enter the crevices of the earth, and the clefts of the rock for ever before the unrighteous. And the satyrs shall sigh and weep because of you. Wherefore fear not, you that have suffered, for healing shall be your portion, and a bright light shall enlighten you, and the voice of rest you shall hear from heaven. The book of Jasher speaks of the ground opening up and protecting the children of Israel that the Egyptians told them to kill all male babies. The ground nurtured them and took care of them and when they were adults the ground returned them to the people- **Jasher 67:50-61.** **Isaiah 26:20** Come my people enter into your rooms and close your doors behind you; Hide for a little while, until indignation runs its course. For behold, YaHUaH is about to come out from His place. To punish the inhabitants of the earth for their iniquity. **Zephaniah 1:18b**

And all the earth will be devoured in the fire of His jealousy, for He will make a complete end, indeed a terrifying one, of all the inhabitants of the earth. **Zephaniah 2:3** Seek YaHUaH all you humble of the earth who have carried out His Law! Seek righteousness, seek humility. Perhaps you will be hidden in the day of YaHUaH's anger. No man knows the hour or the day, not the angels, nor even the son! I don't claim to know the hour and the day! I do claim that I see all these things, and recognize that He is near, right at the door. We need to be alert since we don't know the day and the hour. And we need to use discernment to not miss the time of our visitation!

The School of Elijah had an Epistle called the Tannah Eliyahu, now in the hands of the Ethiopian Orthodox Church. The Epistle teaches that human history would be divided into four ages:

Age of Chaos: Creation to year 2000 A.M. (Anno Mundi- year of the world)- Adam to the call of Abraham.

Age of Torah: 2000A.M. to 4000 A.M. - Call of Abraham to the First Coming of Messiah.

Age of Grace: 4000 A.M. To 6000 A.M. - First Coming to the Second Coming of Messiah.

Millennial Reign: 6000 A.M. To 7000 A.M. - Messiah will reign as King and the Law will go forth from Zion, and the mortal will dwell with the immortal. There will be a resurrection of those beheaded in the great tribulation to reign

with Messiah during the Millennial Reign-
Rev.20:4-6 Very possibly these are the 'dead in
Messiah shall rise first' Paul mentions in **1**
Thessalonians 4:16.

On the Enoch Calendar the year 5949 A.M.
would be the seventh year for the land needing
to rest, known as the shmeta year. 5950 A.M.
would be the last Jubilee year before the
Messiah returns, given He returns sooner than
the year 6000 A.M. For the sake of the elect!
One jubilee year is 50 years and 120 jubilee
years is equal to 6000 years. This is referenced
to in **Genesis 6:3 and Jubilees 5:8** his days
shall be one hundred and twenty years (these are
jubilee years). Based on **Genesis 2:2-3** “In six
days Yah made all the works of His hands and
when He had finished, He rested on the seventh
day and sanctified it”. **Barnabas 15:4-7** This is

a typo logical prophecy showing that in six thousand years Yah will bring all things to an end for a day is like a thousand years with Him. Therefore children in six days or in six thousand years all the prophecies will be fulfilled. Then it says He rested on the seventh day. This signifies at the Second coming of Yahusha He will destroy the Anti-Messiah, judge the ungodly, and change the sun, moon, and stars. Then He will truly rest during the Millennial reign which is the seventh day.” II **Peter 3:8** “One day with Yahuah is as a thousand years.” **Psalms 90:4** “For a thousand years in Thy sight are like Yesterday”.

So we are just in the beginning of this Tribulation and Great Tribulation. **Here is an outline of what's to come revealed to us in Revelation: There are a total of Seven Seals of which include the first Four Horses, Seven Trumpets with Three Woes, and Seven Bowls of Wrath.**

Seven Seals:

Seal 1- White Horse- a conquering power (anti-Messiah)

Seal 2- Red Horse- War, take peace from the earth so men should slay one another.

Seal 3- Black Horse- Famine, a loaf of bread will cost a days wages only do not harm the oil and the wine.

Seal 4- Ashen/Pale Horse- Death, and Hell is following with him to kill with sword, famine, pestilence and wild beasts.

Seal 5- Martyrs- souls under the alter, I think these are the beheaded souls in Rev.20:4 I think this is the beginning of the Great Tribulation where the mark of the beast gets rolled out! CBDC Central Bank Digital Currency looks like it will be rolled out after the next plandemic according to the latest globalist elite meeting, could be as soon as December of 2023. Along with that they are working on a digital vaccine Identification card that will be required by the WHO (World Health Organization). They are also going to try to get Biden to sign a newly written treaty that will supersede our Constitution giving the WHO the power over the United States and every individual state even if the governor says no to it! I don't think they will let Joe Biden get out of office without rolling this out first simply because Biden is the best fall guy for the job.

Seal 6- A Great Earthquake, Sun Becomes black, the moon becomes like blood, the stars fall to earth. The sky is split apart, every mountain and island were moved out of their places. Men hide themselves in caves and rocks of the mountains, crying out to the rocks and mountains to fall on them to hide them from the wrath of the Lamb.

144,000 Israelite's get sealed on their foreheads

Seal 7- this one seal has within in it 7 trumpets!

Trumpet 1- Hail and fire mixed with blood, a third of the earth is burned up, a third of the trees and all the green grass.

Trumpet 2- something like a great mountain burning with fire is thrown into the sea and a third of the sea become blood and a third of the

creatures die and a third of the ships get destroyed.

Trumpet 3- a great star falls from heaven burning like a torch, a third of the rivers and springs become bitter and many men die from the water, the name of the star is wormwood.

Trumpet 4- a Third of the sun, moon, and stars are smitten so the day and night not shine for a third of it.

Trumpet 5- this is also **the first woe**, the bottomless pit is opened and the sun and air are darkened by the smoke coming out of the pit. And out of the pit come locusts, they are told not to harm the grass or any green thing but only the men who do not have the seal of Yah on their foreheads. They don't kill but torture for 5 months and their appearance was like horse prepared for battle on their heads are crowns

like gold and their faces were like the faces of men and they had hair like the hair of women and teeth like the teeth of lions, a breastplate of iron with wings and tails and stingers like scorpions. The king over them is Abaddon meaning destruction or destroyer.

Trumpet 6- The second woe. The four angels who are bound at the Euphrates rivers are released to kill a third of humanity. Two hundred million horsemen, horses have heads like lions and out of their mouths proceed fire and smoke and brimstone. Their tails are like serpents with heads and they harm people with them. And the rest of humanity did not repent.

7 Peals of Thunder- All Seven spoke but the things they said were sealed up!

2 Witness are 2 prophets- I'm convinced they are Enoch and Elijah, because it is appointed unto man to die once and then the judgment and

these 2 men were raptured! They have the power to make fire come out of their mouth and devour their enemies. They have the power to shut up the sky so there is no rain and power over the waters of the earth to turn them to blood. They also have power to smite the earth with every plague. The beast coming up from the abyss makes war with them and kills them. Their bodies lay in the street of the great city for 3.5 days before they come to life and then ascend to heaven in a cloud.

Trumpet 7- The Third Woe- Satan the great red dragon. The beast of the Sea whom the dragon gives his power and his throne and great authority. The beast from the earth who has two horns like a lamb, and he spoke as a dragon, and he exercises all the authority of the first beast and forces humanity to worship the first beast of from the sea. He performs great signs and makes fire come down out of heaven. He

deceives humanity because of the signs he performs. I think the first beast of the sea is going to be represented by an individual who is a politician and I think this will be the Anti-Messiah, and I think this is Barak Obama. I think the beast of the sea could also represent Rome/Babylon. I think the beast of the earth is going to be represented by an individual who is a religious leader, the false prophet. I think Yuval Noah Harari fits this. He is a Jewish homosexual, and Obama calls him the prophet! Although I always thought the pope would play this role of a religious leader, false prophet. Speaking of world leaders- the prime minister of Israel Netan ben Yahu has been prophesied to be the last prime minister of Israel before the Messiahs return. Also pope Francis has been prophesied to be the last pope before the Messiahs return. I think the beast out of the earth looks like America! We are definitely an

Enforcer and we tend to look like a lamb but act like a dragon! Murdering the majority of Native Americans and our Eugenics program that Hitler ran with and we are now re-implementing. If America removes the separation of church and state we will become like Rome/Babylon. They are going to implement Sunday Blue Laws in America removing separation of church and state and requiring you to go to mass on Sunday and penalizing your pay (CBDC- Central Bank Digital Currency) at the touch of a button. Of course, that won't work for us Sabbath Keepers! I think America is the clay on feet of the statue in Daniel dreamt of by King Nebuchadnezzar. America and Rome are practically identical. Also the E.U. European Union which we are an extension of is part of the clay. Europe is in the process of being in dire straits this winter without Energy to keep warm.

By this time next year America will probably be in dire straits heading into the winter.

Bowl of Wrath 1- Boils upon those who have the mark of the beast.

Bowl of Wrath 2- Sea becomes blood and every living thing in the sea dies.

Bowl of Wrath 3- Rivers and streams become blood

Bowl of Wrath 4- Fire, fierce heat from the sun.

Bowl of Wrath 5- Darkness, they gnawed their tongues because of their pain.

Bowl of Wrath 6- Euphrates dries up to prepare the way for the kings from the east

Bowl of Wrath 7- Earthquake like never before. Huge hailstones one hundred pounds each.

Judgment of the great harlot- Revelation 17 the great harlot who sits on many waters is the false religious system rooted in many people. This great city, clothed in purple and scarlet, this looks like the colors of the Pope and Rome. Rome is the last of the 4 nations of Daniels statue of which the head is Babylon. I think Babylon is represented here by Rome. When John speaks of Babylon in Revelations I think of the Babylonian system, the world system we live in; which is represented by present Rome. All paganism can be traced back to Babylon and Nimrod who built Babylonian Tower in case the Father decided to flood the earth again; and of course to his wife Semiramis and their son Tammuz- their sun god.

Babylon is Fallen- Come out of her My people that you may not participate in her sins and that you may not receive of her plagues. Her plagues

will come in one day death and mourning and famine and she will be burned up with fire! For in one hour your judgment has come! All the nations were deceived by your pharmaceuticals! This really makes me think of Pfizer and America like New York City.

Second Advent- The Messiah returns to rule with a rod of iron and to tread the wine press of the fierce wrath of Yah, Almighty! His eyes are a flame of fire and on His head are many diadems from His mouth comes a sharp sword to smite the nations. But as you can see by the timeline in Revelations; we have a ways to go and many things yet to be fulfilled before He comes back. This is why I really get perturbed by well known people like John Hagee who say pack up, look up cause we could go up any second. No this is not true! It leads people to be unprepared for what tests are to come, this will

lead to the great apostasy in my opinion. The bitterness of being lied to will turn many away. The great apostasy is probably tied into the mark of the beast! Before the Messiah returns these other things will take place. It's gonna get so bad He's gonna come back sooner than the 6000 years is up!

War- The beast and the kings of the earth assemble for war but it doesn't fare well for them. The beast is seized and the false prophet as well and they are thrown alive into the lake of fire. The rest were killed with the sword which came from the mouth of Him who sat upon the horse, and all the birds were filled with their flesh. Satan is bound with a chain and cast into the abyss for 1,000 years.

Resurrection of the Beheaded from the Great Tribulation- these lucky ones get to be resurrected sooner than others to reign with Messiah for 1,000 years!

Armageddon- At the end of the 1,000 year reign of Messiah the devil will be released to deceive the nations. He gathers them together for war. They surround the beloved city and fire comes down to devour them. The devil gets thrown into the lake of fire and brimstone to be tormented day and night forever.

Great White Throne Judgment- Anyone's name not found written in the book of life is thrown into the lake of fire.

New Heaven and Earth- the first heaven and the first earth pass away. A new earth without a sea. I think this is represented by the 8th day of Sukkot. This is where we step off into eternity!

This timeline will end and a new one begin or continue on. I see familiar things on this new earth such as the river of the water of life coming from the throne of the Lamb and of Yahuah. And on either side of the river was the tree of life bearing twelve kinds of fruit, yielding its fruit every month; and the leaves of the tree were for the healing of the nations. So we have water and trees and fruit! Could be like the garden of Eden!

The Restrainer is gone! II Thessalonians 2:6,7 talks about the lawless one being restrained! Understanding the timeline and that the devil only has 53 years max remaining, I ponder why he waited so long to really make his mark- pun intended! Well the answer is that he was being restrained! I think the restraint has been lifted; I think the anti-messiah is on the

scene and no longer being retrained! This is why we are seeing lawlessness become the normal and lawful people being persecuted. As it says in **II Thessalonians 2:10,11** because they rejected the truth Yah sends a delusion of lawlessness upon them. We are living out the consequences of unbelief as Paul describes in **Romans 1:18-32** lawless men who suppress the truth in lawlessness; they didn't give honor or thanks to Yah so their foolish heart was darkened. They exchanged the glory of Yah for an image of corruptible man and worshiped the creature rather than the Creator; they exchanged the truth of Yah for a lie! For this reason He gave them over to degrading passions and over to a depraved mind. They burned with lust for one another men abandoning the natural function of the woman. **And although they know the ordinance of Yah, that those who practice such things are worth of death, they**

not only do the same, but the also give hearty approval to those who practice them.

This is truly the time we live in. Lawlessness is applauded and rewarded in public and lawfulness is punished!

Simply put we are currently living the second seal the red horse of war and the third seal the black horse of famine has been in parts of the world and is coming soon to America-I'd say by Fall of 2023A.D. We will see famine in America.

The first seal the white horse of conquering
I've always considered this to be the Anti-Messiah. I think it was Obama before he left office he laid the legal groundwork for Americans to be spied on by our government. He also passed laws to make the same

propaganda used to destroy Argentina and other third world countries legal to use on Americans. This is how the globalist elite destroy countries- they take over your media with propaganda, nothing but lies and deceit to psychologically control you and influence the decisions you make. The first seal the white horse that conquers. We were conquered without most of us even knowing it! If not through Obama, we were definitely a conquered people when this bioweapon Covid 19 was released on the world and they put they put the world on lockdown and made everyone mask up. If the mask isn't like the Star of David the Germans made the Jews wear, then I must be stretching it too far!

The second seal the red horse of war. I don't think the wars have been that bad, but I do think they are getting ready to escalate. We are at war

on many sides, but it's not a enemy in a military suit, it's an enemy in different disguises. They are making war on our children with depopulation by killing them with shots, by teaching 5 year old kids they have a choice about their gender, by giving sex operations to kids, by giving puberty blockers to them, by brainwashing them. Public schools shouldn't be an option anymore- get your kid out! Our government is letting our border be wide open and I think their goal is 100 million illegal immigrants to help overthrow America. The economy is tanking, the dollar is crashing, the debt is out of control. They are destroying the earth through geoengineering and contaminating our air and our food with heavy metals and poison. Human trafficking and child sacrifices are a mainstay in Hollywood. Our Media is always pushing the evil narrative, whatever flavor it is for the day. You can only trust

independent journalism. We are facing a diesel and propane Armageddon. Our supply lines have been cut off. I think China will attack the united states, I have inside intelligence through Mike Adams and his connections that China is planning on a land invasion in November, I think November 2023 before the elections that are completely rigged in my opinion. Trump won in 2020, Blake Masters won in Arizona in 2022, Keri Lake should've won by huge landslide but it's still up in the air 4 days after the election and how is it that Katty Hobbs who is running against Lake is the head of elections- clearly a conflict of interest and the list goes on. The democrats can't afford to lose, they won't ever let our vote count again! We are at war with our own government because most of them are run by the global elites who want to destroy America and the earth and humanity. They globalist elite really are a huge satanic cult. The

use the 85 million aborted babies in America for stem cells for blood for the adrenochrome. They are sacrificing our kids to Baal, to Molech, to Satan. Its way worse than we want to imagine. Where do you think all these kids coming across the border- like 10,000 a week, are going? Our government is attacking us on many sides- oil, energy, coal, fertilizer, food crops and facilities, education is being taken over by transhuman transgender agenda, all the sex changes as teens and asking 5 year old's if they want to be a boy or a girl. The war is on so many sides it's not funny! Their Eugenics program is fully under way and we are the subjects! The border- their goal in Bidens 4 year term is to flood us with 100 million immigrants illegally! This is part of destroying a country. Don't forget about the biological weapons in the so called vaccines. I think Dr. Brian Ardis is right about the venom theory. I think the Devils goal is to remove the

dna of the Creator in us and put his dna in us- so we are made in his image and not the Creators! I love Dr. Brain Ardis's research on the snake venom peptides! Clearly we are at war with Russia and it will likely go nuclear. They will blow up strategic places before China invades. The BRICS is going to replace the dollar. Operation Sandman is a deal between 120 countries agreeing to dump the American Petro dollar all at once led by Saudi Arabia who is currently meeting with China to make this happen. When they crash our dollar they will roll out the social credit score. They will monitor everything you are allowed to buy, everywhere you go will be monitored and your carbon footprint will be taxed. They want total control after all they are totalitarians. **The Fathers Advice to believers in Revelations 18:4 is to come out of Babylon so we don't**

participate in her sins and that you may not receive of her plagues!

The Third Seal the black horse of famine! I think this is exactly where we are in some parts of the world already and by this time next year in the fall of 2023 America will be experiencing famine!!! They just don't have what it takes in the pipeline to keep us fed and they are doing it all on purpose! We need to become food independent quickly! I hope America will not see it get that bad, but I think this is wishful thinking. Revelations 6:6 says a loaf of bread will cost a days wages. I also think its a great possibility that America is the Babylon referred to in Revelation 18:10 when it says the great city Babylon, the strong city! For in one hour your judgment has come! I also think America is the second beast in Revelation 13:11 We look like the lamb but speak as a

dragon! America is guilty of genocide, we destroyed the Native American Indians and their culture and history- that's evil. Love does no harm to your neighbor! We were working hand in hand with Hitler and applauding him the whole way. When we did go over there we pulled off operation paperclip and brought thousands of German engineers, scientist, doctors, and educated people and put them in strategic places in America with new identities. The same people who were bank rolling and supporting Hitlers Holocaust are the same ones today or their descendants trying to do global extermination of humanity. From George Zorros, Henry Kissinger, Clause Schwab and the Rothchild's to our current politicians being controlled by these Globalist who control U.N. And W.E.F. My best educated guess is that these evil people running America have already made the Horrific most Horrible event known to

humanity look like Childs play. Not to make light of the Holocaust, but These Vaccines or death shots they rolled out in 2020 have deadly results, and will produce far more deaths than that of the Holocaust. They do not want mankind to be fruitful and multiply. They want us to be infertile- that's why they are attacking the kids! Puberty blockers, and all the damaging drugs are meant to cause infertility and kill you. Famine is coming world-wide, even America! We need to prepare the best we can- plant orchards, vineyards, perennial gardens, annual gardens. Raise chickens, turkeys, goats, sheep, cows. Hunt and live off the land. Maybe we will have to live in tents like our patriarchs. Buy lots of beans and rice and grains that you can store up.

The fourth seal the ashen or sickly pale horse of Death with all of Hell following with him! And authority was given to them over a fourth of the earth, to kill with sword, and with famine, and with pestilence, and by the wild beasts of the earth. Well this seems like a culmination of the previous seals. More war, killing with the sword, and famine and disease and plague and wild animals being an issue!

The fifth seal is in my opinion the beginning of the great tribulation. Mark 13:12 - Brother will betray brother to death and a father his child and children will rise up against parents and have them put to death. And you will be hated by all on account of My name, but the one who endures to the end shall be saved!

Revelation 20:4 – And I saw the souls of those who had been beheaded because of the

testimony of Yahusha and because of the word of Yah, and those who had not worshipped the beast or his image and had not received the mark upon their forehead and upon their hand and they came to life and reigned with Messiah for a thousand years!

The sixth seal the sun becomes black as sackcloth made of hair. Before the sun gets blacked out the great tribulation occurs according to the Messiah in Mark 13:24- and after that tribulation the sun will be darkened!

URGENT!!!

Current Events Update: 2022 A.D. / 5946A.M.

Buckle Up! The Tribulation is Here! The Great Tribulation Awaits! The Powers of the Universe are on Display, For all who have eyes to see and ears to hear! The Spirit and the bride say come! Behold He cometh quickly! Prepare Ye The Way! The voice of one crying in the wilderness, Make ready the way of Yah, make His paths straight! Come out of Babylon My people!!! Blow the Shofar, Sound the Alarm!!!

So just how quickly can we expect the Messiah to return? I dare say sooner than I ever imagined! I never imagined that I would live through the tribulation, but it's here already and moving with great speed unlike anything we could imagine. The forced vaccination, which isn't really a vaccination. Yes they (FDA) changed the definition of vaccination from Immunity to

Protection, because these vaccines don't provide immunity, they are not really vaccines, just this year 2021 they did this! This is obviously a pre-cursor to the Mark of The Beast- it's already that way for some in other parts of the world. Please Don't take the Death Jab. These Shots are not for the benefit of anyone's health. Rather they are the tools of Biological warfare! Yes, good people of the World- We are at WAR!!! The War on Humanity is here! The Devil wants to Kill, Steal, and Destroy!!! I am all for Science and proven vaccines! I am for life, pro-life, pro-human. I love America, the land that I love, the only land I have known; but our Demise is certainly here. Even if there were a civil war or an uprising of overthrowing our evil government officials; I don't think all of them are individually evil but as a whole it's Evil, if there were a civil war before the winter of 2022 A.D. I don't think it will work as far as altering the fulfilling of prophecy laid out in Revelation and Daniel and Matthew and Zechariah and Enoch. I think America is the second beast in Revelation 13:11, and Rome is the first beast in Romans 13:1. Maybe Rome is the iron in the 4th kingdom mentioned in Daniel and America is the clay. Maybe America will be able to have a refuge city or state for the unvaccinated, but I don't think so. This New World Order, One World Government is going to be the most tyrannical and destructive force of nature known to mankind's history. It's being ran thru the United Nations as the Head, but the money comes from various sources like the Pope, Jesuits, Vanguard, Blackrock, Bush, Queen of England the Royal Family, Prince

Charles, the Rothchilds, Rockafellers, Morgan, Kissinger, etc. who did I leave out? Vanguard and Blackrock own everything in America, and those families are the private shareholders of Blackrock and Vanguard. These people make up what's called the Builder Berg Commission and the Foreign Relations Committee. Klaus Schwab is the president of the BBC and he is a main speaker for the NWO. A bunch of rich people who get together every couple of years to determine how they will rule the world!

At War with New World Order and American Government Separation of Church and State/Sunday Law Coming!

Make no mistake about it friends, America is at WAR!!! We are at war with our own government. Watch out, once they remove "Separation of Church and State" which they are trying to do now! They will make us like Rome in doing so! They will then enforce a "Sunday only" Worship Law and when we Sabbath Keepers don't go along they will kill us. When the worldly, unreligious people don't go along they will die. They are bringing in Digital Drivers licenses with our Vaccination Records and Social Credit Score on them. There will be no way to buy sell or trade without bowing down and taking the Vaccination. Which is nothing more than MRNA- DNA gene altering gene therapy, Nano bite technology meant to remove the Name of YAHU written in your DNA and alter you. They are

Spike Proteins! They cause many health problems, blood clotting and heart attacks amongst the blatant common ones! They put baby stem cells from aborted babies in these shots! They can put luciferase in them which causes the skin to glow, They want to use 5g to connect to us through Wi-Fi. 5G penetrates the skin it's bad for us and will cause cancers. 5G will put us in a microwave and cook us. We won't even need the smart phone to have internet connections! They actually want us all hooked up to their Artificial Intelligence Brain (main CPU) within 9 years! The way I spell Anthony Fauci M.D. in Hebrew equals 666! He definitely is an evil man. If I had to guess who is the actual Man of Sin to be revealed as the Anti-Messiah standing in the Sanctuary declaring himself to be the Creator, the Abomination of Desolation. I would not be surprised if Obama resurfaces as the Head of the U.N. or the Head of the New World Order at least in our part in America. Using an English gematria Obama's name equal 666 and has many relationships to evil. The latest news is about terraforming. Our government is building machines to suck the CO2 right out of the air and store it underground. Bill Gates also is funding putting some type of particles into the atmosphere to block out the sun. They want to destroy Crops and Photosynthesis. They have engineered global starvation by cutting off supply lines, shutting down truckers, shutting down oil lines, shutting down coal, and shutting down society in general with covid lockdowns. Australia is in dire straits cause they have no guns to defend themselves. Canada is making

laws so you can't speak out against vaccines, or you go to prison. China is threatening to take Taiwan. The world is in a mess with astronomical consequences coming. So, we are at War with our government. Every nation is at war with their own governments. Our governments are trying to implement the New World Government. We are at war with our own government, and we are at war with the New World Government!

War With China

We are at war with China. The Chinese government has a 40 year plan to destroy America. The next step on their plan which coincides with the NWO plan, is Crisis. So the Crisis that has been engineered is food shortage and it is coming. When they stopped making coal this year they impacted the Fertilizer which is tied into the Coal. No Fertilizer for farmers next year, along with the Supply line shortage created by our government-Scientists are saying our Food Supply might not recover until 2024 and that's not going to be true if they commence with terraforming. I honestly think we are being controlled by China already. It feels like communist China to me anyway. There is no free Speech in this country, if you can shut down President Trump when he is president, then there is no more free speech. Big Tech manipulates their social media platforms, and they are

backing the NWO plans. You can't speak out against Vaccines, Transgenderism, Homosexuality, Lies. You can only spread misinformation and lies nowadays. The Media in America is just like in China! Yes our Media is owned by these rich pricks. Fox sometimes has some descent news with Tucker, but **you have to go to Independent News Reporters to get the truth** nowadays! A lot of media disinformation and information wars going on! Mike Adams is the founder of [brighteon.com](https://www.brighteon.com) a YouTube replacement platform. On [brighteon.com](https://www.brighteon.com) you can browse channels go to [Info Wars with Alex Jones](#), or HRR ([Health Ranger Report](#)) with Mike Adams. There are others out there, but you can't trust CNN, MSNBC, NBC, CBS etc. the mainstream media is all owned by BlackRock and Vanguard! China is threatening to take Taiwan if they do World War 3 will break out Cause We need Taiwan so does Japan and many other countries. China may even invade America with troops. After we kill each other off this winter because of starvation and freezing. They could bomb us or emp knock out our power grid. If they do invade us, I think they will wait until we are in a much worse position than we are at the moment in November of 2021. But China has troops in Mexico and in Canada which to me says they will invade. Maybe they will help the U.N. Military that I'm sure will be here at some point. What is with all the FEMA camps in America with millions of stackable coffins in place and guillotines. Yes they plan on rounding us up and putting us in **FEMA camps, just like Auschwitz only a larger scale.** The One World Government will be responsible for the death of

billions. Thanks to Bill Gates and Fauci these death shots will kill many. The ones who refuse will at some point be taken to FEMA and murdered for not being in compliance to an evil tyrannical reign of the Devil on Earth!

Spiritual War

We are in a Spiritual War. Yes we are! Lets see if we can determine where in Revelations we might be! Lets start with the Enochian Calendar. First of all if you have limited yourself to only reading the bible, as I did for many years, then you need to recognize that there are books that were left out of the bible because of hidden agendas! If the book of Enoch, Jubilees, or the Testament of the Patriarchs were in our bibles, then we would know that the Lunar Calendar is a sinful fallacy. We would know that the calendar the Jews use today is in FACT wrong! There is more Christian doctrine in Enoch than all the New Testament put together, there is more Christian doctrine in the Testament of the Patriarchs than in the NT. People READ the Dead Sea Scrolls at least!!! The Sons of Darkness (lunar calendar) lose to the Sons of Light (Solar Calendar) in the end times battle- just read the War Scrolls! I imagine Eternity will be a lifetime of learning! Why not start learning His Ways Now! The Ways of Christianity are not His!!! Christianity has one thing right that I see- they have the heart issue right! It's a heart issue- The Father is searching our hearts not our minds. Most of us probably are wrong in our ways because His ways

are not our ways. I've been trying to learn His ways for a lifetime and I probably still don't have much of anything right from a knowledge standpoint. It's about a relationship with the Father and this Christianity has right and it might be the main issue anyway! His people perish for a lack of knowledge of Torah! If you can't prove it in the Scriptures, then you have no proof! Where did Yah change the Sabbath from the 7th to the 1st day? I can show you who and where it was changed! It was the Catholic Church my friends around 300 A.D.- we have inherited lies from our Fathers! In the last days 10 men will grab the garment of a Jew and say let us go with you for we have heard that Yah is with you. The real war is spiritual. It's a war for your soul. No soul who takes the Mark of the Beast will spend eternity with Yah! The enemy is looking to devour us but the battle belongs to Yahuah! It's not by might nor by power but by the Spirit of Yah! We just worship Yah and obey singing glory and honor power and strength to Yahuah. Let the Salvation of Yah be revealed! Don't let the devil creep into your heart!

Enoch Calendar and the Messiah return in the year 6000

The Enoch Calendar is in the year 5946 exactly 164 years ahead of the current year on the mainstream Jewish calendar. These 164 years. The standard dating of the destruction was 586 BCE. However according to classical Jewish chronology, the date of the destruction of the First Temple was 422 BCE. There is a period here of 164 years! Get the Picture? Currently Jews are

lying, or they are deceived themselves, about the date of the calendar by 164 years, the exact difference between the accurate Enoch Calendar (Dead Sea Scroll Calendar) used by the Essenes of who John the Baptist was the leader; and the present lunar calendar used by mainstream Judaism. It was common practice for the Head of the Essenses to have 12 disciples and for the leader to have 30 disciples. Exactly the number Yahusha and John had. I think John was actually in the true bloodline to be the next High Priest- I recall his dad Zechariah was the High Priest when he was told John would be born to prepare the way for the Messiah! The Enoch Calendar is in the Year 5946 A.M. and the theology that comes from the dead sea scrolls from the Melchezidek document and the School of Aliyahu (Elijah), and the Essenes. The year of the world is 5946 and the theology says in the year 6000 the Messiah will return. 54 years away from the return of the Messiah! When I first came across this material around 2018, I had never before that thought that I would be around for the end of days. And then the corona virus hit and now the real disease is here the mark of the beast in the form of a vaccine! If this Enoch Calendar and theology is correct then we have about 54 years of this persecution to endure. After the events of late with the Corona Virus and the emergence of the Mark of the Beast and the New World Order looking to take over; I can now imagine that 54 years seems a long ways away and maybe the year 2032 is a more ideal timeline. In 54 years it will be 2075 A.D. or 2000 years ago the second temple was destroyed in Jerusalem by Rome. So, what if

the theology is off and it's not based on the destruction of the temple but the death of Messiah in 2032. Maybe their Dead Sea Scroll Enochian Calendar is off a little. I don't think so! I think their calendar is right, I think their theology is right, I think the Messiah might return sooner than the 6000 Years to Save mankind from total annihilation. He says those days would be cut short if not, no life would have been saved! So where are we at in the book of Revelation and what happened to the rapture? I wonder what the Rapture Preachers are saying now- I hope by now they see the error of their doctrine and are beginning to teach truth rather than misleading the sheep with misinformation telling them peace when destruction is nigh! Buckle up friends the only ones getting taken away are the evil ones- I'm inheriting this planet!!! More than that my inheritance is the writings of the Patriarchs from Enoch to Jacobs sons this is my inheritance! Torah, the Messiah is my inheritance. I am His and He is mine! The Rapture gives a false pretense that we will be caught up into the heavens without dying and without going through the tribulation. But the New Testament says it is appointed unto every man to die once and then the judgment. Sorry guys no free passes, we all must face death; hopefully on the other side we will be able to say where is your sting O Death! The Rapture theology can leave one unprepared to go through the tribulation and bitter for having been lied too.

The Rapture?

Revelations 4:1 talks of John being called up to heaven, and I have heard many a preacher teach that this is the rapture and that

X

the sequence in Revelations is in chronological order. Well guess what? Yep they were wrong, in my opinion! I think we are in Revelations 6 so what happened to the rapture in chapter 4? Besides the Bible says it is appointed unto all men to die once, and then the judgment! How can the rapture theory get around this verse? The rapture is the idea of not having to go through the tribulation, not having to die doesn't line up with scripture! Only two men have had this rapture experience and they will come back probably just as they went but they will come back to die in order to fulfill scripture.

1st Horse, White, The Conquerer

Revelations 6 - The 4 horses! I think the first horse already came. I think the second horse is currently here now and men will slay one another beginning this winter if not shortly thereafter. Just what I think, I have been wrong before! So I think The first horse, the white horse, the conquering one showed up on the scene and not everybody recognized him! I think it very well could have been Obama. Many Bible Scholars conclude that the Anti-Messiah is Muslim and will control the Muslim army in the end to come against Jerusalem in the final battle and while Jerusalem is being destroyed and all seems hopeless- the true Aleph Tav Messiah will appear and destroy the armies of evil and lock up the Devil for 1,000 years! I can see this being Obama. My wife's aunt dreamt that Obama was the Anti-Messiah back when he was first became President of

XI

the U.S.A. I've no reason to doubt her, she truly has a connection with the Father. So what if it isn't him, maybe it was the new world order making their move on us with the Covid Lock Down Restrictions that are still in effect in some places. I know I sure felt conquered. Curfews, couldn't travel except for Essential work; I'm surprised they let us go grocery shopping. How easy would it be for them to cut off the trucking industry that trucks food to everyone in the U.S.

2nd Horse, Red, War

I Think the second horse, the red horse, the horse of war is here now and could be identified as the vaccine. It's a death shot! They have declared war on us and our children. 28 million children are getting a shot that we are consenting too, this is outrageous! Hitler is going to look like a saint compared to the Eugenics, Sterilization, DNA altering nano tech they are distributing through these vaccinations of biological warfare. We have been set up to kill one another from starvation which our governments have engineered. Revelation 6:4 "Men will slay one another" – that's the red horse of war! World Starvation is on the way! Also don't forget bill gates is now going to be putting nano particles into our food and want to eliminate real meat at some point.

XII

3rd Horse, Black, Famine

Oh wait that's the third horse, Famine! The third horse, Famine, the black horse Revelation 6:6 "A quart of wheat for a days wage, and three quarts of barley for a days wage, and do not harm the oil and the wine!" Famine is coming do what you can to prepare for the short and long run! Time to start planting trees, tilling the garden, building green houses, plant a perennial garden! Do what you can to be self sufficient in food. Learn how to can your food and preserve it.

4th Horse, Sickly Pale, Death

The fourth horse is death, on an ashley sickly pale horse. The ashen horse has a rider named Death and Hades was following with him and authority over $\frac{1}{4}$ of the earth is given to kill with sword, famine, pestilence, and wild beasts. These horses are referred to as seals, that was the first four seals. **The fifth seal is Martyrs which looks like will be the case for the unvaccinated!** The unvaxed will be forced out of society to survive and many will be martyrs. They will round us up and throw us in Fema Camps here in America just like they are doing in Australia and New Zealand right now. If we don't cooperate and be re-educated then off to the guillotines. Or maybe they will just lie to us and tell us there is food there and as desperate as we will be to eat we will go. Have the resolve of Daniels friends- Hananiah, Mishael, and Azariah "Even if Yah

XIII

does not deliver us, still we will not bow down to your false god". I think these will be the Elect and the Righteous. Unless these overall days of tribulation and great tribulation are cut short not even the Elect will survive! I interpret the Righteous and the Elect mentioned in Enoch and the New Testament as 2 groups. The elect are in relationship with the Creator but their ways are wrong, they don't have proper knowledge. The righteous are those who are in relationship with the Father and know His ways not only through Torah but through Oral Torah. Their ways are Yahs ways. I think there are 2 righteousness! One that comes from keeping the commandments of Torah-Luke 1:7. One that comes from grace freely given by the Messiah. **The sixth seal is that of terror! You will know you when we are here because its astronomical! The Sun will become black and the moon like blood, stars will fall to the earth, every mountain and island will be moved out of their places!!!** Men will hide themselves in the caves and rocks of the mountains and say to the rocks and mountains Fall on us and hide us from the presence of Him who sits on the throne, and from the wrath of the Lamb, for the great day of their wrath has come, and who is able to stand!!! I think it's interesting that Bill Gates has a terraforming project of shooting particles into the atmosphere to blacken out the sun! Gates also wants to set up machines in North America that will suck the CO2 right out of the Air, which will cause life to die on the planet. Surely we will be able to recognize that sign and seal number 6! It starts off with a great earthquake which could be a reference to the

XIV

Chinese making an earthquake to cause a tsunami that can wipe out the East Coast of America, which some say they are currently trying to do.

144,000 Sealed/Multitude from the Tribulation

In Revelation 7 there is a remnant of Israel 144,000 sealed and a multitude from the tribulation- this chapter gives me great hope for the people! I think these are the righteous who know Yah and His True Ways and Keep them. I think they are the Kabbalist. There is a multitude which no one could count from every nation and all tribes and peoples and tongues standing before the throne and before the Lamb and they fall on their faces and worship!!! A great multitude of us we win this battle, of course in order to win you may have to lose your life!

Third of earth, trees, grass, sea, sea creatures, ships, stars, rivers, springs, sun, and the moon are destroyed 1/3

Revelation 8 is the seventh seal which contains the seven trumpets. The first is hail and fire mixed with blood, and a third of the earth is burn up, a third of the trees, and all the grass. The second trumpet is something like a great mountain burning with fire was thrown into the se and a third of the sea became blood and a third of the creatures died and a third of the ships destroyed. The third is a great star falls from heaven burning like a torch it falls on a third of the rivers and the springs of

XV

water, the star is called wormwood, and a third of the waters became like wormwood, and many men died from the bitter waters. The fourth trumpet is a third of the sun and the moon and the stars are smitten so that a third of them might be darkened and the day might not shine for a third of it and the night in the same way.

Locusts with faces of Men/ a third of mankind killed

Revelation 9 continues with the fifth trumpet. Locust come up out of the abys in the earth a bottomless pit and they have the power of scorpions, but they are told not to hurt the grass or any green thing nor any tree but only the men who do not have the seal of Yah on their foreheads. The locusts look like horses prepared for battle and on their heads crowns like gold and their faces were like the faces of men and they had hair like the hair of women and their teeth were like lions teeth with breastplate of iron and wings. I wonder if this has any relationship to CERN, and them attempting to make the god particle, using their star collider, slamming gasses and particles together trying to re-invent the big bang. I wouldn't be surprised if CERN which is in Houston Texas but is a European Organization for Nuclear Research, opens a door to a different dimension and demons come through it into our world. The sixth trumpet is the four angels bound at the Euphrates are released to kill a third of mankind and their army is 200 million horsemen and the horses have tails like serpents with heads to do harm. Fire, smoke and brimstone proceeds out of their mouths.

XVI

Two Witnesses

Revelation 10 and 11 Here you get the two witnesses who show up! It is appointed unto every man to die once and then the judgment. Only two men I know of who have not died are Enoch and Elijah! I suspect they are the two witnesses. They have the power to make fire proceed from their mouth. They have the power to shut up the sky so no rain will fall. They have power to turn water to blood and to smite the earth with every plague. The beast that comes out of the abyss will kill them and after 3.5 days they resurrect for men to see and then go up to heaven in the clouds in that hour a great earthquake happens and 7,000 people die. The seventh trumpet honestly I'm not sure but it looks like this is the coming of the Kingdom of Yah it's kind of vague to me anyway, along with Revelation 12. Revelation 12 part of it looks like what happened back in the beginning of time, when the devil fell from heaven. Chapter 11:18 tells us He is coming back to destroy those who destroy the earth. Well that's the entire agenda of the global warming agenda, ran by bill gates who wants to put particles in the air to block out the sun because the planet is to warm- which scientists say isn't true, we are not in need to blocking out the sun! But the Globalists, New World Order agenda is to depopulate the planet and destroy the planet. It's obviously demonic! Satan plans to kill us and the planet! Yah is coming back to save the planet and the entire solar system at that point, I would imagine!

XVII

The Mark of the beast

Rome the first beast

America the second beast

Revelation 13 this is the chapter where the mark of the beast is mentioned and the beast from the sea and the beast from the earth. The beast from the earth in verse 11 has two horns like a lamb and speaks as a dragon. I think this is America. We say we are a Yah loving nation, but thy hypocrisy is overwhelming. We murder children with abortion day in and day out in this country, millions upon millions. We have a child and human trafficking government and Hollywood that abuses children, sacrifices them to the devil, and drinks their blood. Satanism is part of the new world order. There really is black magic being used today. There is also white magic if you will- power and miracles achieved by using Hebrew names of Yah. Black magic uses the same names only in the reverse for evil purposes- but there are spiritual powers at work that will be manifested in the near future. I won't be surprised if we see giants again. I'm sure you are all aware of the Afghanistan red headed giant of Kandahar that our military encountered and killed in 2002. The soldiers reported a grey cloud of smoke oozed out of the giant's mouth and formed into a sky demon. The demon warned the soldiers of an up-and-coming Jr. demon known as Barack Hussein Obama who would take power six years later in 2008 with a plan to destroy and bankrupt America. I don't know if

XVIII

it's true about the demon but I'm sure there are still giants dwelling in the Earth today. Well just recently they say our military encountered more giants in Afghanistan and that was part of the reason for the quick pull-out. I don't know for sure, but I think Biden pulled out to give it all the Al Qaeda and Chinese. Biden obviously is controlled by the NWO and by China. Biden is destroying America. Our borders have been flooded by terrorist lately so when they attack it shouldn't be too big of a surprise, right! The beast coming up out of the sea in verse one of Revelation 13, I think is Rome. Just imagine our pope and president working together to destroy probably in the name of saving the planet! So, if the mark of the beast isn't mentioned until Revelation 13 and we have not seen the before mentioned events leading up to this, so I conclude that the book of Revelation isn't in perfect Chronological order, at least not all of it, although parts of it may be. I think chapters 1-9 are in chronological order, but chapter 10-13 seem to fit in all over the place from the beginning of time to the end and then chapters 14-22 seem to fit the chronological order of things. So we may see some of the events of chapters 10-13 out of chronological order in my opinion. This is why we are seeing the mark of the beast in Revelation 13 being put into effect in Revelation 6 with the arrival of the 4 horses. I think Revelation 11:18 is appropriate in associating the New World Order agenda with scripture! It says He is coming to destroy those who destroy the earth! The globalists definitely have an agenda in place to destroy the earth! He will return to stop them!

XIX

Globalism uproots Socialism, Communism, and Capitalism

Daniel 7:8 speaks of a little horn that uproots 3 horns. The beast described is just like the beast in Revelation 13:1 the beast coming out of the sea. This little horn is the New World Government it is a Tyrannical Government. The 3 horns that it uproots are the 3 forms of government in each world government today. Socialism, Communism, and Capitalism. If you think Socialism, and Communism were bad wait until you get a personal experience with Globalism!!!

Tribulation/Great Tribulation

Math 24:6 “You will be hearing of wars and rumors of wars; see that you are not frightened”. In verse 9 the Messiah says that “they will deliver you to tribulation and will kill you, and you will be hated by all nations on account of My name and at that time many will fall away and will deliver up one another and hate one another. Many will be led astray with Lawlessness and the love of many will grow cold. The one who endures to the end will be saved”. But wait there’s more this is just the tribulation! The Great Tribulation has yet to come! When you see the Abomination of Desolation standing in the Kadosh Place let those who are in Judea flee for the mountains. Pray that your flight may not be in the winter, or on a Sabbath (oh look what’s

XX

still in place! Shabbat! It never changed it is the Seventh Day of the Week!) Remember they will make Sunday church a law it's gonna be legally required and your social credit score will be dinged if you don't go bow down to the Babylonian System! Ill not be surprised when the Sabbath, The Seventh Day Sabbath is outlawed. The Devil is ok with everything, except the right thing! Lawlessness will abound! Look at Verse 21 For then there will be a great tribulation such as has not occurred since the beginning of the world until now, nor shall ever be. And unless those days had been cut short, no life would have been saved; but for the sake of the elect those days shall be cut short. Then the Messiah shows up to save the day! When you see the leaves on the tree you know summer is nigh! Keep Oil in you lamps and extra oil for when you run out if He tarry!!! So we see there is tribulation which is where I think we are right now coming quickly upon us all around the world and very soon in full force in America- the land that I love. Once the New World Order is Established and the tyranny is in place with everyone being forced to take the mark; there will be another Temple built. Yes I think a third Temple will be built in Jerusalem and the Sacrifices restored or at least so the Lawless One can stand in the Kadosh place and take his seat in the temple of the Creator displaying and declaring himself as being the Creator. At this point the Great Tribulation will begin, Run for the Hills if you haven't already!!! So it gets so bad during the Great Tribulation that Those Days Are Cut Short! Maybe that's what's going on with the timeline on the Enoch Calendar; the

XXI

calendar is accurate but if the Heavenly Father waits to send His son back to earth according to the 6000 years of mans rule, the man will perish! No one knows of that day and hour, not even the angels of heaven, nor the Son, but the Father alone! But I must declare that I see the leaves on the Fig Tree and Summer Draweth Nigh! Put Oil in your lamps and get plenty of extra Oil if He tarry, Yah be merciful to us in the end of days we beg of You!

Vaccines/ or Death Shots in the guise of Vaccines

I don't think the Vaccine is the actual mark but it's making a way for the mark which could actually be some chip, unless they have found a way around the chip which they may have with the vaccine, they can give you what's need to be hooked up to the internet without a physical device. I don't think they are putting that in the vaccines right now, I think they are only gene therapy, but that is the beginning of the process to get the mark without the chip. Who knows, I just heard today that they are going to be putting micro-chips into the vaccines. They are now going to be putting nano particles in our food and want to cut us off from meat eventually. We will have to grow our own food. If you have taken the vaccine and regret it, then I think there is still hope for you as far as it not being the mark of the beast yet and you can take some vitamins to try to combat what's going on in your immune system and pray and cry out to the Savior to

Save you and physically heal you. It's a Spiritual battle as much as a Physical one. Take these to help prevent getting Covid: Vitamin D3, K2, C, Zinc, Quercetin to help prevent getting Covid. Povidone Iodine nasal and throat spray is 99% effective in preventing sars 2 (covid). Also Quinine oral drops to help prevent Covid. So If you are sick with Covid you can take these: Prescription Ivermectin, and Hydroxychloroquine to help get over covid. Also MMS (Miracle Mineral Solution) otherwise known as Sodium Dioxide. To make Sodium Dioxide you need Sodium Chloride mixed with Citric Acid to make Sodium Dioxide to help prevent getting Covid and to get over it. You can order this Sodium Dioxide Kit on amazon. I have all of them except the Prescription ones Hydroxychloroquine and Ivermectin- good luck getting those! Although I have heard there is a list of doctors and pharmacist available online that you can get these products through and mailed to you- I don't have the list of available doctors or pharmacies sorry. If you have already taken the vaccines, you can take these to help combat it: Pomegranate, elderberry, chokeberry and green tea with egcg molecule to help combat vaccines taken. If there is a Small Pox Break out, as Gates has predicted, then there is a plant called Sarracenia Purpurea that will help get over it. I've gotten most this info from Doctors on Info Wars with Alex Jones and Health Ranger Report with Mike Adams on Brighteon. Thomas Renz and Dr. Judy Mikovits. We need to make sure we have oil in our lamps and learn from the parable of the fig tree. I would suggest doing what you can to secure food for the future, seeds, trees, perennial garden, garden. Non-Perishable food that will last for a long time. I would recommend having at least enough food stored up to get you through the winter and beyond if you can. Ultimately, we have to learn to put our Trust in Yahuah and let the chips fall where they may. But do what you can to prepare for the dark winter ahead and the emergence of the Mark of the Beast which means in order to be part of society you will have to take the mark. Develop communities now, off grid that can survive together without outside resources. They are going to come for the Doctors and Scientists first, then those who they have data on that shows they won't bow down to the system which is Babylon! They are keeping track of all of us already through social media platforms and everything you have ever done online, or on a smartphone offline as well. Don't trust the phones, the transmitter is activated when you turn the phone off. They hear everything and have algorithms set up to red flag certain things. If you speak out against them in any way they will come for you. It's a war against free speech and human rights but we must stand for what is right. May Yah give us the strength to endure to the end, and to endure well.

Economy:

The Economic state of our country is not good. Gas prices are soaring! \$4.50 a gallon here right now! They are printing money like it's going out of style which is causing super-inflation. Their goal is to kill our Economy, not just ours either but on a global scale they are trying to destroy everyone's economy so they will have no choice but to get on board with a one world economy ran by the IMF which is ran by the UN, and the World bank which is ran by the Pope. They want a digital drivers license with a record of vaccinations and health and religion and a social credit score. They are going to carbon tax us and restrict our every movement just like they do in China. They shut down oil, coal, put heavy restrictions on trucking in California. They have no green mechanics in place to go green. Their whole green, save the planet agenda is actually, to destroy the planet and our economy and our constitution and our human rights and freedoms. They shut down our economy, sent everyone home, and cut off our supply lines. The economy is going to crash, our dollar will be no good soon enough. It will cost a days wage for a quart of wheat right here in America! Turn your dollars into actual product before this happens! I don't think the money in your account will be any good much longer! The market is going to crash in an instance overnight! Once Saudi Arabia decides to stop using the American dollar to trade the oil, it will be game over for the dollar! There is going to be some cyber attacks to kill small business and giver big

XXV

business the monopoly. They are going to use cyber attacks to destroy bitcoin. Welcome to the Great Reset!

Borders:

They Biden regime have allowed lots of illegal immigrants across our borders recently, I want to say millions but I don't know the roundabout number. I don't know how many thousands of Afghanistan terrorists came over unvetted, but if they give each one who got separated from their kids under the Trump regime \$450,000 then they will be funded as well! Mobs of immigrants flowing through American cities destroying them and raping our women! The southern border is infiltrated! And Biden wants more to come!

Schools/Education

Parents, it's time to remove your children from public schools and Christian Universities! They are brainwashing your children. The goal is to lead them astray from the truth! They are teaching perverted sexual material. From Fisting to f—king. sorry for the vulgarity but ya'll need to be woken up! That's Kindergarten and First grade material!!! The transgender, transhuman, homosexual predators are in charge of the doctrine

that is being taught to our kids. If they are white they are being taught to hate themselves. If they are not white they are being

XXVI

taught to hate white people. They are calling trees racist. Critical race theory is garbage. Girls are being raped by men in their bathrooms now and it's ok legally. The days of Noah were probably not even this bad. You need to teach your kids, be very careful with social media platforms- this is another means through which kids are being attacked spiritually and mentally- they may seem innocent, but I guarantee you no man who has an ounce of integrity and worked on these platforms lets their kids on them because they know how evil it can be. There is an evil agenda for stealing our children, plus the schools are literally turning into vaccine clinics- just sending your kid to school is considered consent to the death jab!!! Bo Yahusha Bo!

“Understanding the Calendar”

The Creators Calendar comes from the book of Enoch. The Heavenly Father instructs Enoch in many things. Enoch prophesied the end from the beginning and is credited with writing 366 books. 130 kings and princes of the world assembled to make Enoch their King. Enoch reigned 243 years and he taught them wisdom, knowledge, and the ways of Yah. In the 243rd year of Enochs reign, Adam died. Adam was buried by his two sons and Enoch and Methuselah. Enoch was teaching about 800,000 men at one time. All Christian doctrine that I am aware of comes from the writings of the Patriarchs who all seem to have been taught by Enoch and his son Methuselah before the flood, or by Noah and Shem who both learned from Enoch, after the flood. Abraham learned from both Noah and Shem. Abraham sent Isaac to the house of Shem and Eber to learn the ways of Yah and his instructions. Isaac sent Jacob, Esau refused to go, to learn from Shem and Eber. Jacob studied with Shem and Eber at the School of the prophets until the death of Shem in 2158 A.M. Eber continued the school, but copies of all of the records were given to Levi for safe keeping. This information can be found in the book of Jasher. I have read all 3 versions of Enoch and I only recommend the first Ethiopian version. Nothing contradicts scripture, it just complements it. In a book by Ken Johnson called the Ancient Order of Melchizedek the author points out that there are 10 Melchizedek priests with Messiah Yahusha being the 10th and final- I happen to agree with him. Melchizedek means king of righteousness, but it could also be translated as Melekzadok or king of the Zadok priests. The list of Melekzedek priests is Adam, Cainan, Enoch, Methuselah, Noah, Shem, Abraham, Isaac, Jacob, and then Yahusha. Jacob sent Levi to learn from Shem and the Levites were priests but not according to the order of Melchizedek. They were Levitical priests, Levi begat Kohath and Kohath begat Amram and Amram begat Moses and Aron. Amram would have had the writings of the Patriarchs and given them to Moses and Aron. So now we know where Moses got all his information for the Torah- the first 5 books of the bible. The solar calendar was kept from Adam to the time of the Maccabees when they agreed to change to a lunar calendar. The Zadokite priests during the time of Antiochus Epiphanes took the temple library to Qumran to protect the writings of the Patriarchs. The Zadokites

will be the priest during the Millennial Reign of Messiah here on earth, at least that is the way I understand it to be- Ezekiel 48:11. If you take time to read Enoch or

1

Jubilees it exposes the deceit of the Levitical priesthood and what they have done with the Calendar of Yah. My opinion is that this is why they are not canonized. There are at least 141 references in the New Testament to the doctrine of Enoch and word for word quoted in Jude 14,15. These Zadokite priests split off from main steam Israel and went to the Qumran Caves taking the precious writings of the Patriarchs with them. The community called themselves Yahad or Yah is One or One Yah. They also called themselves New Damascus or Blood Heir. Psalms was the most popular scroll in the dead sea scrolls, but there were 15 copies of Jubilees and 10 copies of Enoch found amongst them so far. I recommend reading all the ancient dead sea scrolls you can get your hand on, but they all seem based off the ancient book of Enoch to me. So this is where the Enochian, Dead Sea Scroll, Essene, Zadokite, Torah, Solar, Creators Calendar comes from!

The Calendar is a solar 364 day calendar. It consists of 12 months of 30 days each. It contains 52 weeks.

It has 4 Intercalary days, Spring equinox, Summer solstice, Fall equinox, Winter solstice. In Hebrew there is one word for all four days- it's called a "Tekufa".

Every month has 30 days, with an "Intercalary Day" dividing each season = 364 days in one year.

The year always begins on the 4th day of the first month during the spring equinox, not after.

The Wednesday closest to the spring equinox is New Years Day or Aviv 1st or Beginning of the First Month!

The year always renews on the 4th day of the first month.

A.M. stands for Anno Mundi meaning the year of the world.

4 seasons of 91 days each. Every 3rd month has 31 days or the Intercalary day being the 31st day, change of the season. The Equinox or Solstice should occur on the Intercalary day. The day after (4th day of week) is the Head of Spring, Summer, Fall, and Winter. So you have 30,30,30,1; 30,30,30,1; 30,30,30,1;

30,30,30,1. It's important to note that when doing math you do not count the Intercalary day! So its 360 (days in a year). $360 \times 3.5 \text{ years} = 1,260 \text{ days}$.

2

It is interesting to note that the stars also confirm the calendar by giving us a different constellation each month for 12 months then starting over.

Quote from Ken Johnsons Book "Dead Sea Scroll Calendar" pages 5 & 6. "Most of us who study ancient history and church history in general, know about the modern Jewish Calendar. It is a lunar calendar consisting of 354-day year. Its months start on a new moon and every three to five years there is a leap month to keep it somewhat in sync with the four seasons. What we were never told is that there was another calendar; a solar one, used by the Essenes. This is their story. The Essenes taught that Yah gave us the perfect calendar. The base unit for the calendar was a twenty-four-hour day that was put in sets of seven, called weeks. Their calendar year was 364 days long, which evenly divided into 52 weeks. This made all holidays fall on the same day of the week every year! The Essenes said this calendar was observed unbroken from the time of Adam to Moses and down to the time of David. David wrote songs for each of the 52 Sabbaths of the year. We actually have some of those in the Dead Sea Scrolls! It remained the only calendar used by the Jews until the Greeks tried to force them to use the Seleucid Greek calendar. Unlike the 364-day solar calendar, this was a 354-day lunar calendar,. It changed New Years Day from the spring to the fall. It calculated the month, not by the solstices and equinoxes, but by the lunar new moon. The Maccabees rose up and drove out the Greeks. Antiochus Epiphanes died, and the new ruler was more interested in taxes than religion. Antiochus V Eupator made a deal with the Maccabees. The Jews could keep their religion, but they had to pay tribute and to use the Seleucid Empire's calendar. The Maccabees accepted the offer. If we believe the Dead Sea Scrolls, this is the true origin of the modern Jewish Calendar. The Zadok priest said that giving up the original solar calendar alone would be a grievous sin. Eventually the Zadok priests were driven out and settled in Qumran. They took with them copies of everything in the temple library."

I happen to think they started to convert the calendar to a lunar one during and after Babylonian captivity. After the Grecian Empire the Yah-given solar calendar with His Holidays seems to disappear completely from mainstream groups. With

the exception of the Essenes and a group of Ethiopian Jews who have Enoch and Jubilees canonized in their bibles.

3

There is also evidence in the Dead Sea Scrolls that John the Baptist (YahuChannon the Immerser) was the leader of the School of prophets at the Qumran Caves in the Essene Community. There is a prophecy in their dead sea scrolls called community rule which declared one from their order would be the forerunner for the Messiah-Prepare Ye the Way of Yah, Make Straight His Paths. This was John the Baptist. John also had 30 disciples and the Messiah had 12 disciples. Correlating with 30 days in a month and 12 months in a year. This was an established Essene pattern of the Higher teacher having 12 and the lower teacher having 30 disciples.

According to the Talmud, Bavli Berachot 56-59, every twenty-eight years the sun returns to its original place when the world was created. This 28 year cycle is called the “Machzor Gadol” meaning “The Great Cycle”.

The sun, moon, and stars were created on the 4th day of creation; therefore, the calendar starts on the 4th day of the week.

Revelation 11:3 & 12:6 both use 1,260 days which all theologians interpret as 3.5 years which all comes from the Enoch calendar and math. You cannot get 3.5 years matching 1,260 days exactly on anyone else calendar. 42 months times 360 days equals 1,260 days and 3.5 years on the Enoch Calendar.

Jubilees 2:9 “And Yah appointed the sun to be a great sign on the earth for days and for sabbaths and for months and for feasts and for years and for sabbaths of years and for jubilees and for all seasons of the years.”

Jubilees 6:23-38 “And on the beginning of the first month, and on the beginning of the fourth month, and on the beginning of the seventh month, and on the beginning of the tenth month are the days of remembrance, and the days of the seasons in the four divisions of the year. These are written and ordained as a testimony forever. And Noah ordained them for himself as feasts for the generations forever, so that they have become thereby a memorial unto him. **And on the beginning of the first month he was bidden to make for himself an ark,**

and on that day the earth became dry and he opened the ark and saw the earth. And on the beginning of the fourth month the mouths of the depths of the abysses beneath were closed. And on the beginning of the seventh month

4

all the mouths of the abysses of the earth were opened, and the waters began to descend into them. And on the beginning of the tenth month the tops of the mountains were seen and Noah was glad. And on this account he ordained them for himself as feast for a memorial forever, and thus they are they ordained. And they placed them on the heavenly tables...thus it is engraven and ordained on the heavenly tables. And there is no neglecting this commandment for a single year or from year to year.” And command thou the children of Israel that they observe the years according to this reckoning—three hundred and sixty-four days, and (these) will constitute a complete year, and they will not disturb its time from its days and from its feast; for everything will fall out in them according to their testimony, and they will not leave out any day nor disturb any feasts. But if they do neglect and do not observe them according to His commandment, then they will disturb all their seasons, and the years will be dislodged from this (order), [and they will disturb the seasons and the years will be dislodged] and they will neglect their ordinances. And all the children of Israel will forget, and will not find the path of the years, and will forget the beginning of months, and seasons, and sabbaths, and they will go wrong as to all the order of the years. For I know and from henceforth shall I declare it unto thee, and it is not of my own devising; for the book (lieth) written before me, and on the heavenly tables the division of days is ordained, lest they forget the feasts of the covenant and walk according to the feasts of the Gentiles after their error and after their ignorance. For there will be those who will assuredly make observations of the moon – now (it) disturbeth the seasons and cometh in from year to year ten days too soon. For this reason the years will come upon them when they will disturb (the order), and make an abominable (day) the day of testimony, and an unclean day a feast day, and they will confound all the days, the holy with the unclean, and the unclean day with the holy; for they will go wrong as to the month and sabbaths and feasts and jubilees. For this reason I command and testify to thee that thou mayest testify to them; for after thy death thy children will disturb (them), so that they will not make the year three hundred and sixty-four days only, and for this reason they will go wrong as to the beginning of

month and seasons and sabbaths and festivals, and they will eat all kinds of blood with all kinds of flesh.”

5

Jubilees 4:16b- “...and he called his name **Enoch**. **And he was the first among men that are born on earth who learnt writing and knowledge and wisdom and who wrote down the signs of heaven according to the order of their months in a book, that men might know the seasons of the years according to thee order of their separate months.** And he was the first to write a testimony, and he testified to the sons of men among the generations of the earth, and recounted the weeks of the jubilees, and made known to them the days of the years, and set in order the months and recounted the Sabbaths of the years as we made (them) known to him. And what was and what will be he saw in a vision of his sleep, as it will happen to the children of men throughout their generations until the day of judgment; he saw and understood everything, and wrote his testimony, and placed the testimony on earth for all the children of men and for their generations...And he was moreover with the angels of YAH these six jubilees of years, **and they showed him everything which is on earth and in heavens, the rule of the sun, and he wrote down everything.**

Enoch 72:1 “The book of the courses of the luminaries of heaven, the relations of each, according to their name, origin, and months (dominion and seasons) which Uriel, the holy angel who was with me, who is their guide, showed me; and he showed me all their laws (regulations) exactly as they are, and how it is with each of the years of the world and to eternity, until the new creation is accomplished which endures until eternity.”

Enoch 72:32 “On that day the night decreases and amounts to nine parts, and the day to nine parts, and the night is equal to the day and the year is exactly as it its days three hundred and sixty-four.”

“On that day” – this day is known as the Spring Equinox

Enoch 74:12 “And the sun and the stars bring in all the years exactly, so that they do not advance or delay their position by a single day to eternity; but complete the years with perfect justice in 364 days.”

Enoch 75:1-2 “And the leaders of the heads of the ten thousands, who are in charge of the whole creation and over all the stars, have also to do with the four days of the year which are not counted in the yearly calendar, being not separated from their office, according to the reckoning of the year, and these render service on the four days which are not counted in the reckoning of the year. And because of them men go wrong in them, for those luminaries truly render service to the stations of the world, one in the first door, one on the third door of heaven, one in the fourth door, and one in the sixth door, and the exactness of the year is accomplished through its separate three hundred and sixty-four stations.”

Enoch 80:1 “And in those days the angel Uriel answered and said to me; ‘Behold, I have shown you everything, Enoch, and I have revealed everything to you that you should see this sun and this moon, and the leaders of the stars of heaven and all those who turn them, their tasks and times and departures.’”

Enoch 81:1-2,5-6 “And he said to me: ‘Enoch, look at these heavenly tablets and read what is written on them, and mark every individual fact.’ And I looked at the heavenly tablets, and read everything which was written on it and understood everything, and read the book of all the deeds of mankind, and of all the children of flesh; that shall be on the earth to the end of generations...And the seven holy ones brought me and placed me on the earth before the door of my house, and said to me: ‘Declare everything to your son Methuselah, and show to all your children that no flesh is righteous in the sight of the Lord, for He is their Creator. For one year we will leave you with your son, until you give your last commands, that you may teach your children and record it for them and testify to all your children; and in the second year they shall take you from their midst.’”

Enoch 82:1-7 “And now, my son Methuselah, all these things I am recounting to you and writing down for you! And I have revealed to you everything, and given you books concerning all these; so, my son Methuselah, preserve the books from your father’s hand, and see that you deliver them to the generations of the world.

7

I have given wisdom to you and to your children, and those children to come, that they may give it to their children for generations. This wisdom namely that passes their understanding. And those who understand it shall not sleep, but shall listen that they may learn this wisdom, and it shall please those that eat thereof better than good food. Blessed are all the righteous, blessed are all those who walk in the way of righteousness and sin not as the sinners, in the numbering of all their days in which the sun traverses heaven, entering into and departing from the doors for thirty days with the heads of thousands of the order of the stars, together with the four which are within the calendar which divide the four portions of the year, which lead them and enter with them four days. Owing to them men shall be at fault and not count them in the whole number of days of the year. Men shall be at fault, and not recognize them accurately. For they belong to the calculations of the year and are truly recorded therein forever, one in the first door and one in the third, and one in the fourth and one in the sixth, and the year is completed in three hundred and sixty-four days. And the account of it is accurate and the recorded counting thereof is exact; for the luminaries, and month and festivals, and years and days, has Uriel shown and revealed to me, to whom the Lord of the whole creation of the world hath subjected the host of heaven.”

Enoch 82:10 “Their four leaders who divide the four parts of the year enter first; and after them the twelve leaders of the orders who divide the months; and for three hundred and sixty days there are heads over thousands who divide the days, and for the four days in the calendar there are the leaders which divide the four parts of the year.”

Enoch 82:14 “...In the beginning of the year Melkejal rises first and rules, who is named Tam’aini and sun, and all the days of his dominion while he bears rule are ninety-one days.”

Enoch 82:17 “The next leader after him is Hel’emmelek, whom one names the shining sun, and all the days of his light are ninety-one days.

Some teach that the four horses of Revelation rule the seasons and the constellations declare the month.

Enoch 74:12 “And the sun and the stars bring in all the years exactly, so that they do not advance or delay their position by a single day to eternity; but complete the years with perfect justice in 364 days.”

The order is based on the meanings of the names of the sons of Yacov not their birthing order.

First Month – Naftali; constellation Aries Ruled by the White Horse; My Wrestling; Genesis 30:8 & 49:21

Second Month Yissichar; constellation Taurus Ruled by the White horse; Reward; Genesis 49:14,15

Fourth Month Yosef; constellation Cancer Ruled by the Red Horse; Added To; Genesis 30:24 & 49:22

Seventh Month Levi; constellation Libra Ruled by the Black Horse; Attached; Genesis 49:5

Eighth Month -Dan; constellation Scorpio Ruled by the Black Horse; Judge; Genesis 30:6 & 49:17

Ninth Month - Gad; constellation Sagittarius Ruled by the Black Horse; Rider; Genesis 30:10 & 49:17

Eleventh Month - Reuben; constellation Aquarius Ruled by the Pale Horse; See A Son; Genesis 29:32 & 49:3

Twelfth Month - Zebulun; constellation Pisces Represented by the fish; Ruled by the Pale Horse; Exalted: Genesis 30:20; 49:13

I have noticed in my observation of the constellations each month that the 91 days between each season fluctuates although it works out in the end perfectly with 364 days. For example, on season can be 88 days and then next season can be 94 days, but the average remains 91. I have also noticed in my observation of time between Tekufa's (solstice's & equinoxes) that they are never more than a week off. The first day of the year is always the Wednesday during the Equinox, not after Spring Equinox week! I've seen some Zodiaks kept by Ancient Jews and they look like the sundials found in the Qumran caves for the calendar.

I'm not a fan of this section because I don't see how this information benefits us; however; science confirms that the constellations change every 30 days 12 times a year confirming 12 months of 30 days per year! Also these changes vary a little also, so you could have 27 days of one and 33 days of another but they all average out to 30 days of 12 months each. Basically science confirms what we have learned from the book of Enoch. Another point to understand is that the greater the distance away from the equator that the observer is will create a bigger fluctuation. So if you live on the equator you will not see the fluctuation, it will be more accurate so to speak- at least this is how I understand it to be in my one year of observation.

There are different lists attributing different months to the sons of Yacov- even though the names of the month vary, the fact remains that there are 12 months with 30 days each according to the 12 constellation of stars we can witness. I think the birthing order is the original order that they were in along with the zodiacal order of constellations which would be as follows: Rueben-Taurus, Simon-Gemini,

Levi-Cancer, Judah-Leo, Zebulun-Virgo, Issachar-Libra, Dan-Scorpio, Gad-Sagittarius, Asher-Capricorn, Naphtali-Aquarius, Joseph-Pisces, Benjamin-Aries.

The Spring Equinox is the Intercalary Day and is the 3rd day of the week, or on Tuesday, the last day of the year (364 days) and called the “Tekufa” in Hebrew. The Equinox is the Sign we are guard. Deuteronomy 16:1 “Guard the Sign of the month of the Aviv; and perform Passover, to YAHUAH your Elohim; Because in the month of the Aviv (season), YAHUAH your Elohim took you out of Egypt at night.” RSTNE 7th Edition - The Sign being the Straight line at the Vernal Equinox! A commanded assembly day!

The First Day of every Torah month is a Commanded assembly. 2 Kings 4:23 “And he said why will you go to him today? It is neither a new month nor a Sabbath. And she said it will be well”. The Kings of Israel would always meet the prophets at a Gilgal on the Feast Days and on the heads of the months. They gathered to hear the prophets on the beginning of the new month and every Sabbath.

Leviticus 23:5

3. **YAH’s Passover/Pesach** (Aviv 14th Exodus 13:4 (Nisan - pagan name) usually between March and April). I think this is more of a family gathering rather than a congregational assembly.

Leviticus 23:6-8

4. **Feast of Unleavened Bread** (Aviv 15th for 7 days). The first and last day of Unleavened Bread is a commanded assembly day!

11

Leviticus 23:9-14

5. **First Fruits** (Aviv 26th this is the day after the weekly Sabbath, the week after Unleavened Bread. **This is the Barley Harvest.** Begin counting this day to the next First Fruits Harvest – 50 days!) All first fruits harvest land on the first day of the week! It's called the counting of the Omer. I think assembly is implied.

Leviticus 23:15-22

6. **Pentecost/Feast of Weeks/Shavuot** (3rd Month 15th Day, 50 days after First Fruits.) **This is the first fruits of the Wheat Harvest.** Begin counting this day to the next First Fruits Harvest. The book of Jasher 82:6 has the ten commandments being given on the sixth day of the 3rd month and it is said that the 10 commandments were given on Shavuot. However, the Enoch calendar has Shavuot on the 15th of the third month. All first fruits harvest land on the first day of the week! I think assembly is implied.

Genesis 8:2 / Jubilees 6:26

7. **Beginning of the Fourth Month (Head of Summer), Day of Remembrance;** the mouth of the waters of the depth were closed after the flood. The Summer Solstice is the Intercalary Day the day before the beginning of the fourth month. In Hebrew it's called the Tekufa. A commanded assembly day!

Exodus 34:22 / Deuteronomy 18:4 / Jubilees 7:36 / Found on the Calendar at Qumran Caves

8. **Pentecost/Feast of Weeks/Shavuot** (5th Month 3rd Day) **This is the first fruits of New Wine.** Begin counting this day to the next First Fruits Harvest. All first fruits harvests land on the first day of the week. I think assembly is implied.

Jubilees 7:36 / Exodus 34:22/ Deuteronomy 18:4 / Found on the Calendar at Qumran Caves

9. Pentecost/Feast of Weeks/Shavuot (6th Month 22nd Day) This is the First Fruits of New Oil. This is the last of the First Fruits Harvests for the year. All first fruits harvests land on the first day of the week. I think assembly is implied.

12

Leviticus 23:23-25 / Jubilees 6:26

10. Feast of Trumpets/Blowing of Trumpets/Yom Teruah (Ethaniam 1st I Kings 8:2 (Tishri-pagan name)) **Beginning of the 7th month, Head of Fall, Day of Remembrance,** all the mouths of the abysses of the earth were opened, and the waters began to descend into them. The Fall Equinox is the Intercalary Day, the day before the Beginning of the seventh month. In Hebrew they call it the Tekufa. A commanded assembly day.

Leviticus 23:26-32 / Jubilees 5:18 / Jubilees 34 / Jubilees 34:18-19

11. Day of Atonement/ Yom Kippur (Ethaniam 10th) Considered by many to be the most consecrated set apart day; I have seen in scripture that the word for the weekly Sabbath and the word for this Annual Sabbath are the same. The word for all the other Sabbaths is different. So Scripture makes a distinction, but I'm not for sure what the difference is. Sabbath and Yom Kippur are days of no work at all; and the other feast days Sabbathownns are more lenient with the work you do, but still no occupational work. A commanded assembly day.

Leviticus 23:33-44 / Jubilees 16 & 32

12. Feast of Tabernacles/Feast of Booths/Sukkot (Ethaniam 15th for **8 days**). This is actually for 7 days and then there is the 8th day which seems to be distinct and separate in itself. A commanded assembly required on the 15th and 22nd day of the month.

Genesis 8:5 / Jubilees 6:27

13. Beginning of the Tenth Month (Head of Winter), Day of Remembrance, mountain tops were seen after the flood as Noah rejoiced. The Intercalary Day is the winter solstice, which should occur the day before the Beginning of the Tenth Month. In Hebrew they have one word for the equinoxes and solstices, it is Tekufa. A commanded assembly day.

I will add Purim and Hanukkah to the calendar as well since they are clearly part of the history of Israel and Purim is in the book of Esther and Hannukah is in the book of Maccabees.

Maccabees 4:54,56,59 “Then all the people fell upon their faces, worshipping and praising the Alahim of heaven , who had given them good success. And so they kept the dedication of the altar eight days, and offered burnt offerings with gladness, and sacrificed the sacrifice of deliverance and praise...Moreover Judas and his brethren with the whole congregation of Israel ordained, that the days of the dedication of the altar should be kept in their season from year to year by the space of eight days, from the five and twentieth day of the month Casleu, with mirth and gladness.”

Hanukkah is **celebrated for eight days and it begins on** the 25th of Kislev or **the 9th scriptural month** and it ends on the Beginning of the 10th month.

Esther 9:17, 18, 21 – In the month of Adar on the 14th day and the 15th day they rested and made it a day of feasting and rejoicing. **Esther 9:26-32**

Purim is celebrated on the 14th and 15th day of the 12th month.

Names of the Months found in Scripture

First Month- Aviv, Abib, the green leaf, green ripe ears. Exodus 12:2 and 13:4- It's also called Nisan in Esther 3:7. So to me it looks like in Persian captivity Israel changed the name to Nisan adopting a pagan name. This green leaf is referring to spring and it would be the barley harvest in Israel.

Second Month- Ziv, Zif, blossom, month of flowers. I Kings 6:1,37

Third Month- Sivan, Esther 8:9 - this word is probably of Persian origin.

Fourth Month- Tammuz, Ezekiel 8:14 - well you can't get any more pagan than this.

Fifth Month- Av, Ab, this name isn't even found in scripture to my knowledge.

Sixth Month- Elul, Nehemiah (Nekem Yah) 6:15 - Since Strongs concordance gives no definition for this word and it's after Babylonian captivity, it's probably an improper name for the month.

Seventh Moth- Ethanim, I Kings 8:2- A constancy of Streams or the permanent brooks. Tishri is probably a pagan name and not found in Scripture either as far as I know.

Eighth Month- Bul, I Kings 6:38 - as in the sense of Rain.

Ninth Month- Chislev, Kislev, Nehemiah 1:1; Zechariah 7:1- BDB pg 493 B says Kisleu is a loan word from Babylon.

Tenth Month- Tebeth, Esther 2:16- Not of Hebrew origin.

Eleventh Month- Shebat, Zechariah (Zakar Yahu) 1:7- Babylonian word.

Twelfth Month- Adar, Esther 3:7- Another loan word from Babylon.
