Keep The Torch Burning!

Preface for The Great Tribulation

I want to captivate your attention; therefore, Messiah will return on or before the year 2075 A.D. The theology, math, and the correct calendar tell us so! The theology is simple: there are 6000 years from Adam to the second advent of Messiah! The math is based upon a 360 day year which comes from the book of Enoch. The calendar that is correct is the Enoch Calendar. The Enoch calendar is currently the year 5948 A.M. (Anno Mundi) year of the world. Our Gregorian calendar is 75 years off! Not too bad considering we are talking of man recording 6000 years of history. The currently used Jewish calendar is also off by 164 years. The sages did that on purpose, in my opinion to deceive, but it's well documented that they are missing 164 years from their calendar. Their calendar is in the year 5783 in the 5th month currently, and will be 5784 in less than 2 months- which is 164 years behind the Enoch calendar. Also interesting is the year 2045 A.D. The New World Order/Religion run by the Globalists or Global Elites has a document called 'Agenda 2030' in this Artificial Intelligent ran program they have humanity ending in 2045 A.D. Due to Trans-humanism. There will be no more humans- they will all be part robot, part human, part demon, part animal? The Mayan calendar also ends in the year 2045 A.D. When calculated using the 360 day year! Also factor in our genius governments, controlled by the Elites, trying to terraform earth and literally destroy the planet so humans can't live here. Sequestering Carbon out of the Air, Blocking out the sun, and weather weapons whatever other destructive methods they use. If I was a gambling man I would put my money on the Messiah returning around 2045 A.D. The Messiah said that these days would be cut short otherwise no life would be saved. Take heed, keep on the alert; for you do not know when the appointed time is. Even so, when you see these things happening, recognize that He is near, right at the door!!!

Enoch was given these Instructions by YAH! To Have a Solar Calendar Year consisting of 364 days. 12 months of 30 days each with 4 Intercalary Days known as the 2 solstices and the 2 equinoxes we have annually. YAH has His own Holidays carved into this calendar- which I think both of which will be kept throughout eternity.

Jeremiah 6:16 “Thus says Yah, Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it, and you shall find rest for your souls! But they said, “We will not walk in it!!!”

Preface for Enoch Calendar

These Appointed Times of YAH are part of His instructions to us on how to please Him and how to walk in His ancient paths. He tells us not to learn the way of the gentiles. The majority of the holidays on our gentile calendar known as the Gregorian calendar have pagan origins into gentile practices that we as Believers in YAH and His only begotten Son. Valentines Day, Easter, Halloween, Thanksgiving, Christmas all gentile practices with pagan origins. Not only are we commanded to stop celebrating these days, but we are also commanded to keep YAHs Holidays (Holy Days) or Appointed Times. Most of us don't even know about them, but most of them are listed in Leviticus 23 and Numbers 28 and 29. However, there are a few hidden ones that you have to dig for or have revealed to you, but I assure you they are there! This Calendar is based of the Calendar found in the Qumran Caves in the Essenes Community.

May we all learn to study to show ourselves approved unto YAH. May we all learn how to prove that which is pleasing to YAH and may we learn to love YAH with all that is in us and may we learn to love each other at the level we are at. May we learn how to produce good fruit that will remain which I think is done through the process of making disciples who are able to reproduce in others what YAH has produced in them. I have many teachings available on my website at <http://disciplemakingpastor.org> I also have a You Tube channel called Ken Jenkerson currently with 69 videos of teachings. My email is kenjenkerson@Yahoo.com if you wish to contact me. May YAH bless you and keep you; May YAH make His face shine on you and be gracious to you; May YAH lift up His countenance on you and give you peace. Shalom- Ken Jenkerson

Chapter 1

“Timeline of Man / School of Elijah”

This is a Shmita year (5949 A.M.) ! This is the year of rest! Every 7th year we are to **let the land rest**. The following year will be the jubilee year. A jubilee year occurs every 50th year. Man was allotted 120 jubilee years. This next one will be the last one. $120 \times 50 = 6000$. No planting or tilling every 7 years.

The School of Elijah had an Epistle called the Tannah Eliyahu, now in the hands of the Ethiopian Orthodox Church. The Epistle teaches that human history would be divided into four ages:

Age of Chaos: Creation to year 2000 A.M.(Anno Mundi- year of the world)- Adam to the call of Abraham.

Age of Torah: 2000A.M. to 4000 A.M. - Call of Abraham to the First Coming of Messiah.

Age of Grace: 4000 A.M. To 6000 A.M. - First Coming to the Second Coming of Messiah.

Millennial Reign: 6000 A.M. To 7000 A.M. - Messiah will reign as King and the Law will go forth from Zion, and the mortal will dwell with the immortal. There will be a resurrection of those beheaded in the great tribulation to reign with Messiah during the Millennial Reign- **Rev.20:4-6** Very possibly these are the “dead in Messiah

shall rise first” Paul mentions in **1 Thessalonians 4:16**.

On the Enoch Calendar the year 5949 A.M. (2024 A.D.) would be the seventh year for the land needing to rest, known as the shmeeta year. 5950 A.M. (2025 A.D.) would be the last Jubilee year before the Messiah returns, given He returns sooner than the year 6000 A.M. For the sake of the elect! One jubilee year is 50 years and 120 jubilee years is equal to 6000 years. This is referenced to in **Genesis 6:3 and Jubilees 5:8** his days shall be one hundred and twenty years (these are jubilee years). Based on **Genesis 2:2-3** “In six days Yah made all the works of His hands and when He had finished, He rested on the seventh day and sanctified it”. **Barnabas 15:4-7** This is a type of prophecy showing that in six thousand years Yah will bring all things to an end for a day is like a thousand years with Him. Therefore children in six days or in six thousand years all the prophecies will be fulfilled. Then it says He rested on the seventh day. This signifies at the Second coming of Yahusha He will destroy the Anti-Messiah, judge the ungodly, and change the sun, moon, and stars. Then He will truly rest during the Millennial reign which is the seventh day.” **II Peter 3:8** “One day with Yahuah is as a thousand years.” **Psalms 90:4** “For a thousand years in Thy sight are like Yesterday”.

So with the Messiah's anticipated return in 2075 A.D. That's not far away at all! As of now 51 years away! Who would have thought His return was so soon? Surely not I! If these days are cut short as Messiah says they will for the sake of the elect, just how short will they be cut? Also in Revelations it says He is returning to save the earth from those who seek to destroy it. It seems to me that His return may be sooner than the anticipated 6000 years. The Mayan

calendar ends in 2045 A.D. When calculated using 360 day year as with the Enoch Calendar. Also these Global Elites have a document called **Agenda 2030** where the end of humanity is in 2045 A.D. And the beginning of trans-humanism as the dominant or only race left. 2045 AD is not far away- as of now only 22 years away! I am keeping an eye out on Yom Teruah of 2045 AD. I don't know the hour or the day, but I'm wide awake, staying alert! Got oil in my lamp, trimmed the wick, and bought extra oil!!! This timeline plays into my understanding of the Tribulation being here and the Great Tribulation (mark of the beast) being on it's way!

The current mainstream calendar, used by the Jews and many believers trying to keep the Feasts, is missing 164 years!

The Enoch Calendar is in the year 5949 exactly 164 years ahead of the current year on the mainstream Jewish calendar. These 164 missing years lend more evidence to the accuracy of the Enoch Calendar. Just add your missing 164 years to their current calendar and you get the Enoch Calendar Year!

Ariel Tzadok “Visions of The End of Days” Page 104 “The standard dating of the destruction was 586 BCE. However according to classical Jewish chronology, the date of the destruction of the First Temple was 422 BCE. **There is a period here of some 164 missing years.**”

Get the Picture? Currently the mainstream Jewish calendar is missing one-hundred and sixty-four years! As a result the world isn't realizing how close to the year 6000 we are! One-hundred and sixty-four years is the exact difference between the accurate Enoch Calendar (Dead Sea Scroll Calendar), used by the Essenes of

whom John the Baptist was a leader, and the present lunar calendar used by mainstream Judaism. It was common practice for the Head of the Essenes to have twelve disciples and for the leader to have thirty disciples. Exactly the number Yahusha and John had. I think John was actually in the true bloodline to be the next High Priest- I recall his dad Zechariah was the High Priest when he was told John would be born to prepare the way for the Messiah!

Ken Johnson “The Ancient Order of Melchizedek” Page 51 “In the Essene pattern, Jesus the Messiah had twelve disciples and John the Baptist, the lower teacher, had thirty disciples.”

Ken Johnson “Ancient Dead Sea Scroll Calendar” Page 95 “The difference between these rabbis' calculations and the dates set forth **in the Seder Olam is the famous 164 missing years.** The author of the Seder Olam agrees with all other Jewish history books and keeps the correct number of years past the destruction of Solomon's Temple in 3338 AM, 587 BC. He then continues to give correct chronology and makes it clear who corrupted the calendar and when. **This is one of the most well-known deliberate corruptions to the Jewish calendar by those who rejected the Messiah.** We can skip all the corruption by switching to the AD/BC timeline at 587 BC.”

The Enoch Calendar is in the Year 5949 A.M. and the teachings that comes from the dead sea scrolls, from the Melchizedek document, and the School of Aliyahu (Elijah), and the Essenes. The year of the worlds recorded history of man since Adam is 5949 and the teaching says in the year 6000 the Messiah will return. And the Messiah himself told us those days would be cut short for the sake of the elect otherwise no one would survive. That means the tribulation is coming and the elect or the believers will be going through it. Yah help us.

Chapter 2

Outline of Revelation

“Outline of Revelation as relating to current events of today”

To sum it all up, we are currently living the second seal the red horse of war and the third seal the black horse of famine has been in parts of the world and is coming soon to America-I'd say by Fall of 2024A.D. We will see famine in America!

Simply laid out in Scripture where I think we are!

I think we are in the tribulation heading quickly into the great tribulation. I think we are transitioning to the 3rd horse of famine in **Revelation 6:6** where a loaf of bread will cost a days wages, yes even in America! And the 4th horse of Death and Hell was following with him and power was given to them to kill with the sword and with famine and with pestilence and by wild beasts. Then there is **the 5th Seal** which is, in my opinion, nothing less than **the mark of the beast being rolled** out and those who refuse to take it will be beheaded- Hello FEMA camps with stack-able coffins and guillotines! You may wonder how I come to the conclusion that the mark of the beast mentioned in **Revelation 13 is retroactive to Revelation 6:9-11**. Well in **Mark 13 the Messiah reveals the chronological order!** Yes He tells us *the Sun will be darkened out*

after the great tribulation which in my opinion is the beheading of those who refuse the mark. Well guess what the 6th seal of **Revelation 6** is, Yep the Sun becomes black like sackcloth made of hair. Sounds like the sun will be darkened as Messiah says in **Mark 13:24**. Darkening the sun is already a project of bill gates- they want to release particles in the atmosphere to block the rays of the sun- destroying the process of photosynthesis- nothing will grow! Not to mention the Tonga volcanic eruption in January of 2022 and the grand solar minimum that is expected to occur. Just imagine of one of these volcanoes goes off or there is actually a nuclear exchange, this could play into the sun being darkened as well.

It sure seems to me like the enemy is following the blueprint laid out in the bible. The crazy thing for me is that I thought it would be Yahuah doing these things but now it seems as though man is behind most of it and they are being controlled by an evil entity that desires to destroy man and this planet we call earth. Some like **Leo Zagami, a great author**, think the Anti-Messiah is manifesting himself through **AI- Artificial Intelligence**. Which I can see the beast in **Revelation 13:15** giving breath to the image of the beast to come to life- I could see this as being some AI hologram of some fifty foot demonic entity. The other crazy thing is this: I never thought we would be living through the tribulation, until recently.

The main reasons I think we are in the tribulation and are headed for the great tribulation are because the writing is on the wall- the signs are all around us. I discovered the Enoch Calendar around 2017 and the Melchizedek document and the school of Elijah teachings, all found in the Dead Sea Scrolls, that all pointed to the Messiahs second advent in the year 2075 A.D. They also foretold the

Messiahs first advent exactly as and when it happened! And with the knowledge of the Messiah saying those days would be cut short for the sake of the elect- **Mark 13:20**. And with my wife's Aunt Rose having had a dream that she claimed the Creator was telling her Obama was the Anti-Messiah, this was back in 2007-08, and Rose is a Spirit filled devout believer whom I have no reason to doubt her. Daniel 11:37 has the Anti-Messiah as being a homosexual and this fits with Obama as well since Michele Obama is really Michael. Obama is a crafty deceiver! And with all the events that have occurred since 2018 with Covid. The tyranny and the totalitarianism coming from our own government against us Americans along with other governments of other countries. We clearly see the rise of the New World Order/Religion. I refer to it as Globalism, and the globalist are the elite rich running the world with money and power and commerce. Some key players are Carnegie, Ford, Gates, Henry Kissinger, Rothchilds, George and Alex Zorros, King Charles, Clause Schwab, Noah Yuval Harari, Obamas, Clintons, Bush's. They use the World Economic Forum, Builder-Berg Commission, Foreign Relations Committee, and the Tri-Lateral Commission, United Nations, NATO, and the WHO to run the world! **They are un-elected yet officially running all the elected people.** They train up world leaders then put them in strategic places! Like Fidel Castro's son Justin Trudeau Prime Minister of Canada. Then they brag about having penetrated all the world governments. These globalists have a Satanic trans human agenda to destroy humanity and the earth in the process. Another interesting tid-bit is that the Mayan calendar everyone was saying ended in 2012 A.D. That math was based of a 365.25 days in a year. If you do the math based of a scriptural 360 days in a year. Well then the Mayan calendar ends in the year 2045

A.D. So with this knowledge of how short the devils time is, I am surprised that he waited so long, and I am grateful that he has been restrained until now! But now we must wake up and face the reality of no rapture, and the great tribulation coming quickly upon us. Scripture points to the earth being destroyed with fire, or at least life on earth being destroyed. I'm not sure if this happens before Messiah or after his return, but I think it's after the millennial reign, in **Revelation 21:1** we see that there is a new heavens and earth for us to dwell on after the millennial reign. But when it does happen I think there is evidence of a hiding place for the 144,000 or the remaining believers alive here on earth at that time. Not a rapture for we inherit the earth, and the wicked are the ones who seem to get destroyed and removed from the earth. So we are just in the beginning of this Tribulation and Great Tribulation. **Here is an outline of what's to come revealed to us in Revelation: There are a total of Seven Seals of which include the first Four Horses, Seven Trumpets with Three Woes, and Seven Bowls of Wrath.**

“Outline of Revelations”

Seven Seals:

Seal 1- Rev.6:1,2 White Horse- a conquering power (The Anti-Messiah) The first seal the white horse of conquering. I've always considered this to be the Anti-Messiah. I think it is Obama the abomination not the Obama-nation. He is still young enough to be the world leader from the U.N. Before this is over. Many bible scholars conclude that the Anti-Messiah is Muslim and will control the Muslim army in the end to come against Jerusalem. Before he left office he laid the legal groundwork for Americans to be spied on

by our government. He also passed laws to make the same propaganda used to destroy Argentina and other third world countries legal to use on Americans. This is how the globalist elite destroy countries- they take over your media with propaganda, nothing but lies and deceit to psychologically control you and influence the decisions you make. Obama also received presidential security two years before he became president which is not normal. Biden just denied JFK jr. Presidential security as a candidate, this is not normal; they murdered his uncle and his father. The first seal the white horse that conquers. We were conquered without most of us even knowing it! If not through Obama, we were definitely a conquered people when this bio-weapon Covid 19 was released on the world and they put they put the world on lock-down and made everyone mask up. If the mask isn't like the Star of David the Germans made the Jews wear, then I must be stretching it too far! The emergency vaccines and boosters were rolled out as a globalist tactic for depopulation. There are statistics out there to show the proof and evidence that these shots killed and so did covid 19 but not as bad as the shots. My dad died from covid 19, they murdered him. I got covid 19 (without ever getting tested of course) I know I got it cause I lost my taste and smell for 4 months. I also have a scab in my nose to this day that come with covid 19 and has not left. Clearly a Bio-weapon that has the soft kill effect, or slow kill. It wipes out your immune system and you become more susceptible to the cancer driven foods and drinks they contaminate. So you develop cancers your body can't fight and instead of living to eighty you die five to ten years after getting the slow kill shot, or maybe even from covid 19 or possibly just from the vaccinated shedding on the unvaccinated. I do know China likes the Art of War and the main

goal in this method is to conquer your enemy without them knowing they've been conquered! Trump always called it the china virus!

Seal 2- Rev.6:3,4 Red Horse- War, take peace from the earth so men should slay one another. The second seal the red horse of war. I don't think the wars have been that bad for us in America, but I do think they are getting ready to escalate. But other countries that America has destabilized would probably feel differently. America has been fighting wars abroad, but war is getting ready to come to our country. War is here just not with a soldier and a gun yet. We are at war on many sides, but it's not an enemy in a military suit, it's an enemy in different disguises. They are making war on our children with depopulation by killing them with shots, by teaching 5 year old kids they have a choice about their gender, by giving sex operations to kids, by giving puberty blockers to them, by brainwashing them. They will even separate you from your child if you don't go along with the gender dysphoria. Public schools shouldn't be an option anymore- get your kid out! Our government is letting our border be wide open and I think their goal is 100 million illegal immigrants to help overthrow America. The economy is tanking, the dollar is crashing, the debt is out of control. They are destroying the earth through geoengineering and contaminating our air and our food with heavy metals and poison. Human trafficking and child sacrifices are a mainstay in Hollywood. Our Media is always pushing the evil narrative, whatever flavor it is for the day. You can only trust independent journalism. We are facing a diesel and propane Armageddon. Our supply lines have been cut off. I think China will attack the united states, I have inside intelligence through Mike Adams and his connections that China is planning on a land invasion in November, I think November 2024 before the elections that are

completely rigged in my opinion. Trump won in 2020, Blake Masters won in Arizona in 2022, Keri Lake should've won by huge landslide and how is it that Katty Hobbs who is running against Lake is the head of elections- clearly a conflict of interest and the list goes on. The democrats can't afford to lose, they won't ever let our vote count again! They have indicted former President Trump; once they commit to that there is no turning back, and they've already done it! They know if Trump gets in office he will indict them and go after them; so they won't let that happen. We are at war with our own government because most of them are run by the global elites who want to destroy America and the earth and humanity. They globalist elite really are a huge satanic cult. They used the 85 million aborted babies in America for stem cells, for blood, for body parts. And the sick Pedophiles that want the fountain of youth and go for the adrenochrome. Scripture specifically says not to eat/drink the blood. They are sacrificing our kids to Baal, to Molech, to Satan. Its way worse than we want to imagine. Where do you think all these kids coming across the border- like 10,000 a week, are going? Now I am hearing 10,000 a day. I know the Biden regime has said 100,000 illegal immigrants is their goal- I think they may get there! Our government is attacking us on many sides- oil, energy, coal, fertilizer, food crops and facilities, education is being taken over by trans human transgender agenda, all the sex changes as teens and asking 5 year old's if they want to be a boy or a girl. The war is on so many sides it's not funny! Their Eugenics program is fully under way and we are the subjects! I think Dr. Brian Ardis is right about the venom theory. I think the Devils goal is to remove the dna of the Creator in us and put his DNA in us- so we are made in his image and not the Creators! I love Dr. Brain Ardis's research on the snake

venom peptides! Clearly we are at war with Russia and it will likely go nuclear. They will blow up strategic places before China invades. I think America is Mystery Babylon in Revelations and our destruction will be in one hour, because we deceived the world with our pharmacia (vaccines) death shots! The BRICS is going replace the dollar. Operation Sandman is a deal between 120 countries agreeing to dump the American Petro dollar all at once led by Saudi Arabia who is currently meeting with China to make this happen. When they crash our dollar they will roll out the social credit score. They will monitor everything you are allowed to buy, everywhere you go will be monitored and your carbon footprint will be taxed. They want total control after all they are totalitarians. **The Fathers Advice to believers in Revelations 18:4 is to come out of Babylon so we don't participate in her sins and that you may not receive of her plagues!** America is at war with Russia and China. While China controls president Joe Biden the traitor. Joe Biden is so guilty of taking money from other countries that seek to destroy America by using Joe. He is a Pedophile who is blackmailed into anything they want. He is protected for now, as a pawn of Obama. We are on the brink of War with the Mexican Cartel, Iran, North Korea. We can't win a hot war against Russia, better yet wars on multiple fronts. Our demise is upon us because we are an empire of lies.

Seal 3- Rev.6:5,6 Black Horse- Famine, a loaf of bread will cost a days wages only do not harm the oil and the wine. The Third Seal the black horse of famine! I think this is exactly where we are in some parts of the world already and by this time next year in the fall of 2024 America will be experiencing famine!!! They just don't have what it takes in the pipeline to keep us fed and they are doing it all on purpose! We need to become food independent

quickly! I hope America will not see it get that bad, but I think this is wishful thinking. **Revelations 6:6 says a loaf of bread will cost a days wages.**

They have done world-wide damage to our food industries. Here in America since the Biden Administration took over they have destroyed almost 200 food plants. They have killed millions of cows, chickens, and turkeys claiming they had covid or the bird flu. Our food supply has been under attack. It's bad enough the food they give us is contaminated with GMO's and ingredients that cause all kinds of cancers and digestive issues. Now they want to take the food away and give us bugs. They want us to eat the bugs! They have "beyond meat" just for us! Yeah no thanks, taking cancer cells and growing them in a lab isn't what I call meat to eat! These people are insane! The U.N. Has articles saying they are putting nano particles in our food. Our Fertilizer is under attack. They are engineering this famine, it's part of their global depopulation goal. Famine is coming world-wide, even America! We need to prepare the best we can- plant orchards, vineyards, perennial gardens, annual gardens. Raise chickens, turkeys, goats, sheep, cows. Hunt and live off the land. Maybe we will have to live in tents like our patriarchs. Buy lots of beans and rice and grains that you can store up.

Seal 4- Rev.6:7,8 Ashen/Pale Horse- Death, and Hell is following with him to kill with sword, famine, pestilence and wild beasts.

The fourth seal the ashen or sickly pale horse of Death with all of Hell following with him! And authority was given to them over a fourth of the earth, to kill with sword, and with famine, and with pestilence, and by the wild beasts of the earth. Well this seems like a culmination of the previous seals. More war, killing with the sword, and famine and disease and plague and wild animals being an issue!

I wonder if this has anything to do with CERN and the particle collider. They may just open a door to a different dimension that allows literal creatures from Hell to take over a quarter of the earth! Also the globalists have a final card to play when they get desperate! The big Alien Reveal. I don't think they are Aliens, I think they are demons, evil spirits to lead men astray. They didn't create us, although they want to erase the image of the Creator from our DNA and replace it with the Image of Satan. They also live off our flesh and blood. Don't be deceived by whatever they pull off! There is a war between good and evil. We need to have the same resolve as Daniel and his friends! Our Creator is able to deliver us, but even if He doesn't; we will not bow down to your false Image!

Seal 5- Rev.6:9,10,11 Martyrs- souls under the alter, I think these are **the beheaded souls in Rev.20:4** I think this is **the beginning of the Great Tribulation where the mark of the beast gets rolled out!** CBDC Central Bank Digital Currency looks like it will be rolled out after the next plandemic according to the latest globalist elite meeting. It's already being rolled out as of July 2023. It's being called Fed Coin, or Fed Pay, or Fed Now; Along with that they are working on a digital vaccine Identification card that will be required by the WHO (World Health Organization). They are also going to try to get Biden to sign a newly written treaty that will supersede our Constitution giving the WHO the power over the United States and every individual state even if the governor says no to it! I don't think they will let Joe Biden get out of office without rolling this out first simply because Biden is the best fall guy for the job.

Mark 13:12 - Brother will betray brother to death and a father his child and children will rise up against parents and have them put to death. And you will be hated by all on account of My name, but the one who endures to the end shall be saved!

Revelation 20:4 – And I saw the souls of those who had been beheaded because of the testimony of Yahusha and because of the word of Yah, and those who had not worshiped the beast or his image and had not received the mark upon their forehead and upon their hand and they came to life and reigned with Messiah for a thousand years!

Those who refuse to take the Mark of the Beast will be forced out of society to survive and many will be martyrs. They will round us up and throw us in Fema Camps here in America just like they are doing in Australia and New Zealand right now. If we don't cooperate and be re-educated then off to the guillotines. Or maybe they will just lie to us and tell us there is food there and as desperate as we will be to eat we will go. Have the resolve of Daniels friends- Hananiah, Mishael, and Azariah "Even if Yah does not deliver us, still we will not bow down to your false god".

Seal 6- Rev.6:12-17 The sixth seal the sun becomes black as sackcloth made of hair. The sixth seal is that of terror! You will know you when we are here because its astronomical!

Before the sun gets blacked out the great tribulation occurs according to the Messiah in Mark 13:24- "...and after that tribulation the sun will be darkened!"

A Great Earthquake, Sun Becomes black, the moon becomes like blood, the stars fall to earth. The sky is split apart, every mountain

and island were moved out of their places. Men hide themselves in caves and rocks of the mountains, crying out to the rocks and mountains to fall on them to hide them from the wrath of the Lamb, for the great day of their wrath has come, and who is able to stand!!! I think it's interesting that Bill Gates has a terraforming project of shooting particles into the atmosphere to blacken out the sun! Gates also wants to set up machines in North America that will suck the CO2 right out of the Air, which will cause life to die on the planet. Surely we will be able to recognize that sign and seal number 6! It starts off with a great earthquake which could be a reference to the Chinese making an earthquake to cause a tsunami that can wipe out the East Coast of America, which some say they are currently trying to do. The Messiahs return fits nicely into this description- earthquake, sun, moon and stars not giving light Math.24:29-31; Mark 13:24-26; Zech.14:1-6; Ez.38:19 has the earthquake but not the luminaries.

Rev.7:1-3 the sealing of the bondservants of Yah upon their foreheads

Rev.7:4-8 A Remnant of Israel 144,000

144,000 Israelite's get sealed on their foreheads

Rev.7:9-17 A great multitude coming out of the tribulation to serve Yah day and night in His temple! Where they shall hunger and thirst no more!

Seal 7- Rev.8:1-6 this one seal has within in it 7 trumpets!

Trumpet 1- Rev.8:7 Hail and fire mixed with blood, a third of the earth is burned up, a third of the trees and all the green grass.

Trumpet 2- Rev.8:8 something like a great mountain burning with fire is thrown into the sea and a third of the sea become blood and a third of the creatures die and a third of the ships get destroyed.

Trumpet 3- Rev.8:9-11 a great star falls from heaven burning like a torch, a third of the rivers and springs become bitter and many men die from the water, the name of the star is wormwood.

Trumpet 4- Rev.8:12,13 Third of the sun, moon, and stars are smitten so the day and night not shine for a third of it.

Trumpet 5- Rev.9:1-12 this is also **the first woe**, the bottomless pit is opened and the sun and air are darkened by the smoke coming out of the pit. And out of the pit come locusts, they are told not to harm the grass or any green thing but only the men who do not have the seal of Yah on their foreheads. They don't kill but torture for 5 months and their appearance was like horse prepared for battle on their heads are crowns like gold and their faces were like the faces of men and they had hair like the hair of women and teeth like the teeth of lions, a breastplate of iron with wings and tails and stingers like scorpions. The king over them is Abaddon meaning destruction or destroyer.

Trumpet 6- Rev.9:13-21 **The second woe.** The four angels who are bound at the Euphrates rivers are released to kill a third of humanity. Two hundred million horsemen, horses have heads like lions and out of their mouths proceed fire and smoke and brimstone. Their tails are like serpents with heads and they harm people with them. And the rest of humanity did not repent. Sounds like the trans-human movement really takes over! Maybe CERN continues to open more doors to different dimensions.

7 Peals of Thunder- Rev.10 All Seven spoke but the things they said were sealed up!

2 Witness are 2 prophets- Rev.11:1-14 I'm convinced they are Enoch and Elijah, because it is appointed unto man to die once and then the judgment and these 2 men were raptured, well they never died anyway! They have the power to make fire come out of their mouth and devour their enemies. They have the power to shut up the sky so there is no rain and power over the waters of the earth to turn them to blood. They also have power to smite the earth with every plague. The beast coming up from the abyss makes war with them and kills them. Their bodies lay in the street of the great city for 3.5 days before they come to life and then ascend to heaven in a cloud.

Trumpet 7- Rev.11:15-19 & 12 & 13

The Third Woe- Satan the great red dragon. **Rev.13:1** -The **beast of the Sea** whom the dragon gives his power and his throne and great authority. I can see this as Rome and the Pope. **Rev.13:11** - The **beast from the earth** who has two horns like a lamb, and he spoke as a dragon, and he exercises all the authority of the first beast and forces humanity to worship the first beast from the sea. He performs great signs and makes fire come down out of heaven. He deceives humanity because of the signs he performs. I think the first beast of the sea is going to be represented by an individual who is a politician or a religious leader. I think the beast of the sea could represent Rome/Pope. Possibly the Anti-Messiah will represent this entity. Rome is the last of the 4 great nations beginning with Babylon. Rome also splits from Iron to Clay. This is according to the statue in Daniel. I wonder if Rome is the Iron and America is the Clay. America and Rome are practically identical. Also the E.U. European Union which we are an extension of is part of the clay.

Also in Rev.17:4 when it speaks of the destruction of babylon and describes the woman on a scarlet beast clothed in purple and scarlet. These are the colors the Pope of Rome wears!

The beast coming up out of the earth I think this America. This will likely be represented by a political leader or a religious leader. I think it will be political and the president of America, or the former president Barak Obama. How deceitful is Obama? Is Obama a homosexual actually married to a man named Mike and not Michele. Well there is the brothers comment online about it. There is a Joan Rivers video where she outs Obama and Big Mike and dies a week later from minor surgery. There are pictures of Obama and Mike in college and he does look like Michele. Then there are all the pictures of Mikes bulging vulva? There is also the video of the politician who took a lie detector test and said Obama and him, smoked cracked and got and gave blow jobs to each other. Also the multiple videos where Obama is giving a speech and slips up and says Mike instead of Michele- at least two times in two separate speeches that I saw. Although I must admit I recently did the gematria on Elon Reeve Musk in Hebrew and I got it to equal 666. I also got Anthony Fauci M.D. To equal 666. I think the beast of the earth could be represented by an individual who is a religious leader, the false prophet. I think Yuval Noah Harari fits this. He is a Jewish homosexual, and Obama calls him the prophet! Although I always thought the pope would play this role of a religious leader, false prophet. Speaking of world leaders- the prime minister of Israel Netan ben Yahu has been prophesied to be the last prime minister of Israel before the Messiahs return. Also pope Francis has been prophesied to be the last pope before the Messiahs return. **I think**

the beast out of the earth looks like America- Rev.13:11! We are definitely an Enforcer and we tend to look like a lamb but act like a dragon! Murdering the majority of Native Americans and our Eugenics program that Hitler ran with and we are now re-implementing. Yes we were sterilizing women in America in the 1920's basically because they were poor. If America removes the separation of church and state we will become like Rome/Babylon. They are going to implement Sunday Blue Laws in America removing separation of church and state and requiring you to go to mass on Sunday and penalizing your pay (CBDC- Central Bank Digital Currency) at the touch of a button. Your ESG (Environmental Social corporate Governance) yes your social credit score. You will be monitored on everything you do and buy. Oh no you bought your allotment of meat, sorry wait till next time- if there is meat! Of course, that won't work for us Sabbath Keepers! I think America is the clay on feet of the statue in Daniel dreamt of by King Nebuchadnezzar. America and Rome are practically identical. Also the E.U. European Union which we are an extension of is part of the clay.

Rome the first beast Rev.13:1, America the second beast Rev.13:11, and Rome is Mystery Babylon Rev.17:5, and America is an extension of Babylon. America is the clay – Daniel 2:40-43! Americas destruction will be in one day, in one hour she will be burned up with fire Rev.18:8-10.

The Mark of the beast Rev.13:16-18

Revelation 13 this is the chapter where the mark of the beast is mentioned and the beast from the sea and the beast from the earth. The beast from the earth in verse 11 has two horns like a lamb and speaks as a dragon. I think this is America. We say we are a Yah

loving nation, but thy hypocrisy is overwhelming. We murder children with abortion day in and day out in this country, millions upon millions. We have a child and human trafficking government and Hollywood that abuses children, sacrifices them to the devil, and drinks their blood. Satanism is part of the new world order. I won't be surprised if we see giants again, as in the days of Noah. I'm sure you are all aware of the Afghanistan red headed giant of Kandahar that our military encountered and killed in 2002. The soldiers reported a grey cloud of smoke oozed out of the giant's mouth and formed into a sky demon. The demon warned the soldiers of an up-and-coming Jr. demon known as Barack Hussein Obama who would take power six years later in 2008 with a plan to destroy and bankrupt America. I don't know if it's true about the demon but I'm sure there are still giants dwelling in the Earth today. We know the bible says the end would be as the beginning or as in the days of Noah. Well there were giants in Noahs day, in fact Jewish literature says Og the giant who was killed by Moses rode on the ark to be saved from the flood! Now we know why there are giants after the flood! Also in Noahs day the fallen angels were teaching men not only weapons of war, but how to gene edit and change the DNA of animals and people. Multiple stories in Jubilees and Jasher confirms this. Well just recently they say our military encountered more giants in Afghanistan and that was part of the reason for the quick pull-out. I don't know for sure, but I think Biden pulled out to give eighty million dollars worth of equipment to the Al Qaeda and Chinese. Eighty million worth of equipment reportedly now showing up in Mexico. Biden obviously is controlled by the NWO and by China. Biden is destroying America. Our borders have been flooded by terrorist lately so when they attack it shouldn't be too big of a surprise, right! The beast coming up out of the sea in verse one of Revelation 13, I think is Rome. Just imagine our pope and president

working together to destroy probably in the name of saving the planet! So, if the mark of the beast isn't mentioned until Revelation 13 and we have not seen the before mentioned events leading up to this, I conclude that the book of Revelation isn't in perfect Chronological order, at least not all of it, although parts of it may be. I think chapters 1-9 are in chronological order, but chapter 10-13 seem to fit in all over the place from the beginning of time to the end and then chapters 14-22 seem to fit the chronological order of things. So we may see some of the events of chapters 10-13 out of chronological order in my opinion. This is why we are seeing the mark of the beast in Revelation 13 being put into effect in Revelation 6 with the arrival of the 4 horses. **I think Revelation 11:18 is appropriate in associating the New World Order agenda with scripture! It says He is coming to destroy those who destroy the earth!** The globalists definitely have an agenda in place to destroy the earth! He will return to stop them!

Bowl of Wrath 1- Rev.16:1,2 Boils upon those who have the mark of the beast.

Bowl of Wrath 2- Rev.16:3 Sea becomes blood and every living thing in the sea dies.

Bowl of Wrath 3- Rev. 16:4-7 Rivers and streams become blood

Bowl of Wrath 4- Rev.16:8,9 Fire, fierce heat from the sun.

Bowl of Wrath 5- Rev.16:10,11 Darkness, they gnawed their tongues because of their pain.

Bowl of Wrath 6- Rev.16:12-16 Euphrates dries up to prepare the way for the kings from the east. Verse sixteen we see that they gathered them to the place which in Hebrew is called Armageddon.

Bowl of Wrath 7- Rev.16:17-21 Earthquake like never before. Huge hailstones one hundred pounds each.

Judgment of the great harlot- Revelation 17 the great harlot who sits on many waters is the false religious system rooted in many people. This great city, clothed in purple and scarlet, this looks like the colors of the Pope and Rome. Rome is the last of the 4 nations of Daniels statue of which the head is Babylon. I think Babylon is represented here by Rome. When John speaks of Babylon in Revelations I think of the Babylonian system, the world system we live in; which is represented by present Rome. Rome and the pope will surely play a great role in the end of days. The pope could easily be the Anti-Messiah. All paganism can be traced back to Babylon and Nimrod who built Babylonian Tower in case the Father decided to flood the earth again; and of course to his wife Semiramis and their son Tammuz- their sun god.

Babylon is Fallen- Rev.18 Come out of her My people that you may not participate in her sins and that you may not receive of her plagues. Her plagues will come in one day death and mourning and famine and she will be burned up with fire! For in one hour your judgment has come! All the nations were deceived by your pharmaceuticals! This really makes me think of Pfizer and **America** like New York City.

Rev.18:8 “in one day her plagues will come.. and she will be burned up with fire.”

Rev.18:10 “Woe, woe, the great city, Babylon, the strong city! For in one hour your judgment has come!”

Rev.18:23 “...all the nation were deceived by your sorcery.”

Second Advent- Rev.19 The Messiah returns to rule with a rod of iron and to tread the wine press of the fierce wrath of Yah, Almighty! His eyes are a flame of fire and on His head are many diadems from His mouth comes a sharp sword to smite the nations. But as you can see by the timeline in Revelations; we have a ways to go and many things yet to be fulfilled before He comes back. This is why I really get perturbed by well known people like John Hagee who say pack up, look up cause we could go up any second. No this is not true! It leads people to be unprepared for what tests are to come, this will lead to the great apostasy in my opinion. The bitterness of being lied to will turn many away. The great apostasy is probably tied into the mark of the beast! People speaking of revival and a golden era must be speaking of His return because before the Messiah returns these other things will take place. It's gonna get so bad He's gonna come back sooner than the 6000 years is up! Please tell me no one is still buying Joel Olsteens lie of you can have your best life now! You can have eternal life but you must lay down your life, not have your best life now! I must admit that the Messiahs return fits into the events of seal six in Revelation 6:12-17.

War- Armageddon- Rev.19:19-21 & 20:1-3 The beast and the kings of the earth assemble for war but it doesn't fare well for them. The beast is seized and the false prophet as well and they are thrown alive into the lake of fire. The rest were killed with the sword which came from the mouth of Him who sat upon the horse, and all the birds were filled with their flesh. Satan is bound with a chain and cast into the abyss for 1,000 years. There is unfulfilled prophecy in Ezekiel 38 & 39 and it looks to me like the same prophecy is given by Daniel in chapter 11. I think these prophecies line up well here at this point. The nations of the world will be gathered against Israel.

You have Russia (the King of the North) making an alliance with China (The King of the South). They make an alliance with four muslim nations. Persia modern day Iran. Ethiopia modern day Sudan. Put modern day Libya. Gomer modern day Turkey. Daniel only mentions two of the four Muslim nations. Russia seems to be the leader. They gather together against Israel and do much damage. Israel makes a peace treaty with the King of the North (at this point I wonder if this is Russia or a Muslim nation like Turkey- I just thought this treaty would be made by the anti-messiah). They break the treaty and set up the Abomination of desolation and shatter the power of Israel. There is an earthquake mentioned in Revelation 6:12-17 and this looks very similar to the earthquake in Ezekiel 38:19-23. There is also an earthquake mentioned in the Messiah's return as He splits Mount of Olives upon His return in Zechariah 14. I don't know if they are all referring to the same inflection point or not but it reads very similar in all instances. Also Revelation 19:7-19 looks like Ezekiel 39:17-20 The Great Supper of Yah!

Resurrection of the Beheaded from the Great Tribulation- Rev.20:4-6 these lucky ones get to be resurrected sooner than others to reign with Messiah for 1,000 years! The rest of the dead have to wait until the thousand year reign is over!

Armageddon II- Rev.20:7-10 At the end of the 1,000 year reign of Messiah the devil will be released to deceive the nations. He gathers them together for war. They surround the beloved city and fire comes down to devour them. The devil gets thrown into the lake of fire and brimstone to be tormented day and night forever.

Great White Throne Judgment- Rev.20:11-15 Anyone's name not found written in the book of life is thrown into the lake of fire.

New Heaven and Earth- Rev.21 the first heaven and the first earth pass away. A new earth without a sea. I think this is represented by the 8th day of Sukkot. This is where we step off into eternity!

This timeline will end and a new one begin or continue on. I see familiar things on this new earth such as the river of the water of life coming from the throne of the Lamb and of Yahuah. And on either side of the river was the tree of life bearing twelve kinds of fruit, yielding its fruit every month; and the leaves of the tree were for the healing of the nations. So we have water and trees and fruit! Could be like the garden of Eden!

Chapter 3

The Mark of the Beast

What is the mark of the beast? A mark on the hand or forehead that allows you to buy stuff! Without it being in society doesn't make sense! We need to become self-sufficient, independent of society. We need to be water, food, and shelter independent. This is why the Creator tells us to come out of Babylon that we may not partake in her sins, and that you may not receive of her plagues. So with the mark you can buy stuff and live in society, but those who take the mark will not enter the Kingdom of Yah- **Rev.14:9/19:20-21**. It's a no brainer for me, but I worry about the kids and the grand-kids, they need to understand what's coming! More than likely its a chip implant, probably will start with an app on your smartphone. Eventually they want to use wireless interface, which some think the so called forced vaccines were nano bite technology that formed interface devices inside of people and so we can be hooked up to their internet without any external devices. Obama declares that Yuval Noah Harari is a prophet- I'm not sure if he is the false prophet mentioned in Revelation 13- but he is definitely a tool of the devil. His transgender, trans human agenda of merging man with computer is being used for evil- he has several books if you desire to see how evil it is. We come with a mark on our hand unique only to each individual, yeah our fingerprint and we use it to access our smart phones and to pay for things if you want. We also come with a mark on our head unique only to each individual, yeah our eye retina which is also being used to access these smartphones. I don't think

it's too big of a leap to think that possibly we already come with the mark and number of man! The question is going to be- will we use it. When it becomes the only way to buy will we use it? CBDC- central bank digital currency- they want you to have everything digital nothing physical. After a cyber attack by terrorists colluding with russia is the theme meaning patriots, but it will be a cyber attack by our own globalist controlled government; after the attack, they will roll out Digital I.D. You will have a special I.D. If you want to get on the internet! Social Credit Score, called esg (environmental, social, governance) will be monitoring everything you do. They will have the power to limit us, stop us, arrest us if we simply don't comply with their absurdities like mandated face mask or shots. We must not comply. In whatever form it comes, the mark of the beast will be a controlling system that enslaves us. It could easily be a tattoo with upc symbol and numbers. It could be a under the skin type tattoo that glows- using the lucifererese ingredient. Maybe a chip like verichip which is very popular on the European scene. Maybe it will be a wifi interface of some sort where you just need a shot to be hooked up wirelessly. My money is on your fingerprint and eye retina! It's easier to force you to use what you have, rather than to force you to use something you don't want.

This is the scenario I see playing out to bring about the Mark of the Beast:

Create Crisis (Cyber Attack) / Crash Dollar

Blame Patriotic Americans / Arrest Patriots

Roll Out CBDC /Central Bank Digital Currency

Offer Debt Forgiveness(ironically in the real year of Jubilee)

Offer UBI (Universal Basic Income)

Require Internet ID to Access Internet

**Internet ID will only be accessed using...
a mark on your hand (fingerprint) or a mark on your forehead
(eye retina). Maybe a forced chip at some point.**

**Social Credit Score will be included with Digital Drivers License
that has record of vaccinations and health and religion and a
carbon tax and a social credit score.**

Your Score will be based on your compliance!

**Wear a Mask, Stay Home, Don't get within six feet of anyone,
Get Vaccinated, Shun the un-vaccinated and don't let them in
society!**

They have been doing this in China for many years already, about seven years I think! They don't use a chip that I know of just your fingerprint or eye retina; or maybe both. The carbon tax is your movement around earth, you can only go so far and do so much before they tell you that you can't go because you exceeded your limit. The social credit score is purely based on compliance, don't buck the system! The UBI is like welfare or unemployment to get people to stay home and do nothing but depend on the government for everything. I have seen videos of people in Europe paying using a chip implant, and my understanding is that is popular over there and they've been doing it for years. Just recently Whole Foods announced they are putting in hand scanners in their stores- you can pay just by putting your hand on a scanner and it automatically takes money from your bank account! They obviously have everything in place to roll this out. I lost my debit card recently, when I went in to the bank they set my phone up with its own bank digital ID # different from my new card and I can use my phone to pay using that digital ID- not all merchants are set up for it yet; but it's coming!

Tribulation versus Great Tribulation

Math 24:6 “You will be hearing of wars and rumors of wars; see that you are not frightened”. In Math. 24:9 the Messiah says that “they will deliver you to tribulation and will kill you, and you will be hated by all nations on account of My name and at that time many will fall away and will deliver up one another and hate one another. Many will be led astray with Lawlessness and the love of many will grow cold. The one who endures to the end will be saved”. But wait there's more this is just the tribulation! The Great Tribulation has yet to come! When you see the Abomination of Desolation standing

in the Kadosh Place let those who are in Judea flee for the mountains. Pray that your flight may not be in the winter, or on a Sabbath (oh look what's still in place! Shabbat! It never changed it is the Seventh Day of the Week!) Remember they will make Sunday church a law it's gonna be legally required and your social credit score will be dinged if you don't go bow down to the Babylonian System! Ill not be surprised when the Sabbath, The Seventh Day Sabbath is outlawed. The Devil is ok with everything, except the right thing! Lawlessness will abound! Look at Matthew 24:21" For then there will be a great tribulation such as has not occurred since the beginning of the world until now, nor shall ever be. And unless those days had been cut short, no life would have been saved; but for the sake of the elect those days shall be cut short." Then the Messiah shows up to save the day! When you see the leaves on the tree you know summer is nigh! Keep Oil in you lamps and extra oil for when you run out if He tarry!!! So we see there is tribulation which is where I think we are right now coming quickly upon us all around the world and very soon in full force in America- the land that I love. Once the New World Order is Established and the tyranny is in place with everyone being forced to take the mark; there will be another Temple built. Yes I think a third Temple will be built in Jerusalem and the Sacrifices restored or at least so the Lawless One can stand in the Kadosh place and take his seat in the temple of the Creator displaying and declaring himself as being the Creator. At this point the Great Tribulation will begin, Run for the Hills if you haven't already!!! So it gets so bad during the Great Tribulation that Those Days Are Cut Short! Maybe that's what's going on with the timeline on the Enoch Calendar; the calendar is accurate but if the Heavenly Father waits to send His son back to earth according to the 6000 years of mans rule, the man will perish! No one knows of that day and hour, not even the angels of heaven,

nor the Son, but the Father alone! But I must declare that I see the leaves on the Fig Tree and Summer Draweth Nigh! Put Oil in your lamps and get plenty of extra Oil if He tarry, Yah be merciful to us in the end of days we beg of You!

Chapter 4

“The Great Tribulation”

The Great Apostasy!

The Great Shaking!

The Great Falling Away!

'The Restrainer is Gone'

'We Live in Upside Down Clown World'

'Lawlessness is Dominant'

**The Restrainer is gone! II Thessalonians 2:6,7
talks about the lawless one being restrained!**

Understanding the timeline, that the devil only has fifty-two years max remaining, I ponder why he waited so long to really make his mark- pun intended! Well the answer is that he was being restrained! I think the restraint has been lifted; I think the anti-messiah is on the scene and no longer being restrained! This is why we are seeing lawlessness become the normal and lawful people being persecuted. Satan is here like a prowling lion seeking to devour us! As it says in **II Thessalonians 2:10,11** because they rejected the truth Yah sends a

delusion of lawlessness upon them. **They will believe the lie to be the truth because they rejected the truth!** This is exactly what I see going on. This is why they are asleep and we can't wake them up! We are living out the consequences of unbelief as Paul describes in **Romans 1:18-32** lawless men who suppress the truth in lawlessness; they didn't give honor or thanks to Yah so their foolish heart was darkened. They exchanged the glory of Yah for an image of corruptible man and worshiped the creature rather than the Creator; they exchanged the truth of Yah for a lie! For this reason He gave them over to degrading passions and over to a depraved mind. They burned with lust for one another men abandoning the natural function of the woman. **And although they know the ordinance of Yah, that those who practice such things are worthy of death, they not only do the same, but they also give hearty approval to those who practice them.**

This is truly the time we live in. Lawlessness is applauded and rewarded in public and lawfulness is punished!

II Thessalonians 2

Verse 1- With regard to the coming of Messiah and our gathering to Him.

Verse 2- That you may not be quickly shaken! **There is a Great Shaking Coming!**

Verse 3- **The coming of Messiah won't happen until after the Great Apostasy and the man of lawlessness is revealed!**

This Great Apostasy or this Great Shaking is coming before Messiah returns! When He returns He will gather us to Himself but we will

be staying here on earth for the Millennial Reign will begin. Mortal will dwell with Immortal! Those alive will die or maybe they will escape death and be immediately made immortal but I don't think so- but Paul thinks so in **I Corinthians 15:51**- so I give way to Paul; but my opinion is that those alive will continue to live a normal life in a normal body and die a normal death and be resurrected at the end of the millennial reign. **I don't see anyone escaping death- it's appointed unto all men to die- Hebrews 9:27. Those Beheaded in the Tribulation will be resurrected according to Revelations 20:4.** But before this happens the Great Apostasy happens and the man of lawlessness is revealed. **The Great Apostasy lines up with the Great Tribulation** Messiah describes in **Mark 13** as a time unlike any other; brother will deliver brother to death and a father his child, children will rise up against parents and have them put to death. A great tribulation worse than any other time in history. So Yah shortened the days otherwise no life would be saved. In **Matthew 24:1-14** Messiah describes the Tribulation, but then in **verses 15-28** He describes the Great Tribulation! If the Tribulation entails the mark of the beast and betrayal of loved ones and no buying from the grocery store; then the Great Tribulation must be horrific. The Great Tribulation doesn't kick off until Israel gets the crap kicked out of them by all these nations coming against her; and it gets really bad for Israel but they are not completely destroyed; and they make a peace treaty with the Anti-Messiah; after 3.5 years the peace treaty is broken and the Abomination of Desolation is set up! **The Abomination of Desolation kicks off the Great Tribulation. Revelations 13** tells us the Tribulation will be a time of no buying or selling. We will be cut off from Walmart and Banks and etc. We will not be able to participate in society without

the mark of the beast. Sounds like the CBDC (central bank digital currency) they are rolling out. **I think the mark fits nicely in the 5th horse or seal of Revelation 6.** So leading up to the Mark are the 4 horses- Conquering, War, Famine, Death-famine-disease-wildbeasts- and hell following with death. The fifth seal is martyrs/mark of the beast. The sixth seal is the sun being blacked out. **Mark 13 Messiah tells us the sun will be darkened after the Great Tribulation which I relate to the mark of the beast.** In Revelation six the fifth seal is a great earthquake and the sun, the moon, and the stars having issues. This theme is the same in the accounts of the Messiahs arrival. **With the Messiahs arrival we have earthquake, sun, moon and stars having issues; Mark 13:24-27; Math.24:29-31; Zechariah 14:1-8; Ez.38:19 mentions an earthquake but not the luminaries.** In Revelations chapter six the sixth seal is only the beginning of all the events laid out in Revelations that, in my opinion, must come to pass before the Messiahs return, but what do I know, maybe I am wrong, maybe He shows up at seal six. Regardless of exactly when He shows up, we definitely see some things that need to happen first. We have the timeline of man being 6000 years and the Enoch calendar in the year 5948 looking like a very accurate account given about 6000 years ago!!! But the Great Apostasy must take place first! The Great Shaking is coming and many will fall away! The Tribulation and Great Tribulation and the Abomination of Desolation must happen first. **I think the great shaking, and the great apostasy is directly tied into the mark of the beast and the tribulation.**

II Thessalonians 2

Verse 6,7- you know what restrains him now...only he who now restrains will do so until he is taken out of the way!

I think the Spirit of Yah was restraining the Lawless One, but I think He is no longer being restrained as of 2020 A.D.

Verse 10- with all the Delusion of Lawlessness for those who perish because they did not receive the love of the Truth so as to be saved.

Verse 11- for this reason Yah will send upon them a deluding influence so they will believe what is false.

Verse 12- in order that they all may be judged who did not believe in the truth but took pleasure in lawlessness.

So they rejected the truth! As a result Yah lets them believe the lie!
They think the lie is the truth! They are deceived because they rejected the truth. They are asleep because they rejected the truth. Now they take pleasure in lawlessness and applaud others for doing so as well. This is why we have defund the police movements and black lives matter mobs. Pedophile grooming books in school libraries and some teachers pushing the LBGTO-S for Satanic community Agenda. It's part of the New World Order/Religion. Anything goes except for being lawful and honoring Yah!

Matthew 24:9,10,12 “Then they will deliver you to **tribulation**, and will kill you, and you will be hated by all nations on account of My name. And at that time many will **fall away** and will deliver up one another and hate one another...And because lawlessness is increased most peoples love will grow cold!”

They will deliver you to tribulation and they will kill you sounds like it could be referencing the guillotines they have set up in fema camps to behead us; at least there is a great reward for this! We are seeing Israel being hated by all the nations right now by the muslim uprising world-wide; the Antisemitism is at an all time high! This hate will be for the Christian as well- all believers are grafted into Israel and an extension of Israel. The persecution will be on all who refuse to take the mark that is coming soon. We also see the lawlessness increasing continually, and those in line with it getting applauded and those trying to be lawful being persecuted and literally prosecuted. As a result people will not trust or love, they will shoot first and ask questions later. Love will be hard to find but lawlessness will be plentiful!

I see the Antisemitism that is rearing it's ugly head around the world at present and it's scary! It's like Nazi Germany, or worse! With all the nations coming against Israel, it's like living in biblical times! Front row seats for the tribulation and the great tribulation. My wife had a nightmare that I was in danger at work because of the antisemitism and my love for Israel, and everyone knows my stance, I reject all false ways and seek the Creators way continually.

I want to thank Yah that I am awake. All Glory goes to Yahusha my Savior and to the Father Elyon Yahuah Adonai Tzevuoat! There is a Great Shaking Coming! **There is a Great Falling Away Coming! The Great Apostasy is coming and many will betray one another even loved ones!** It will occur during the mark of the beast roll out. The tree is about to be shaken vigorously; time to cling to the Messiah! I want to thank some men who have been warning of the New World Order for years, who helped me along the way. In the

1990's I was listening and watching **Grant Jeffery** who was on point even to the point of them putting tech in clothes to monitor you. Around 2003 I met **Gary Kah** at our church and his work as a former government trade specialist is eye opening; his book 'The New World Religion' is on point and relevant even today. Pointing out the Agenda of the New World Order and exposing the work the Clintons did to penetrate our schools with the woke theology you see today in our society! Also around 2004 the **John Birch Society** had some eye opening documents online revealing a web of treaties between the USA and the UN which would give the UN power, super exceeding our constitution. In 2008 I saw a video online on you tube called 'The Obama Deception'- I didn't realize it until 2020 but that video was done by **Alex Jones**. I now listen to Alex on Info Wars; I'll just say that Alex was right, Again and Again and Again!!! He is truly tomorrows news today! Banned.Video or **Infowars.com** is where you can find him. That Obama Deception video is wiped from the internet but you can find it on Banned.Video. That video impacted my prayer life big time! Alex exposed the Builder Berg Commission, the Trilateral commission, and the Foreign Relations Committee. I watched that video once at like 1am to 3am and I still to this day pray about these entities that are here to do the devils work and bring about the demise of humanity and earth. Also **Mike Adams the Health Ranger** with his Podcast and many platforms; He is Amazing! Natural News App or NaturalNews.com or **Brighteon** which is a You Tube replacement platform created by Mike. I watch Mike or listen to him on Brighteon.com he is the Health Ranger and a trusted scientist. I must admit that with the recent events of Israel being under siege by Hamas, Hezbollah, Yemen, and Iran I am very disappointed with the idea that Israel

should consider Peace without retaliation or attempting to retrieve the hostages some of whom are Americans as well. Saying Peace after one side gets there licks in and the other side has no chance to retaliate is the same spirit of tolerance that got us to where we are. So I actually stopped listening to Mike and Alex cause their Anti-Israel stance isn't biblical. I turned to Dan Bongino and Steven Crowder because they get it and are very pro-Israel. Also got to give a shout out to **Steve Quayle** who I think is the most accurate as far as lining up today's events with Scripture and Revelations. Although I disagree with him on one point. The time being made short comment by Yahusha isn't about the day itself being shorter- no there are 12 hours in a day as Messiah said and I don't think that will change because He changes not. But the days being made shorter are a reference to the timeline of man having 6000 years but Messiah having to return early to save earth from those who seek to destroy it and humanity from being eliminated and nothing but Trans-humans or demons taking over. Steve can be found at **stevequayle.com**. Just wanted to give credit to these men and thanks and glory to Yah! My point is that we need to get our news from some source other than mainstream media who is complicit in lying to us continually. Some of the great teachers and authors that have helped me recently. **Ariel Tzadok** 'Vision of the end of days'. **Ken Johnson** 'Ancient Dead Sea Scroll Calendar' and 'Ancient order of Melchizedek' and many dead sea scroll books. **Joseph Lumpkin** 'The books of Enoch'.

Here is my summary of chapter three of “Visions of the End of Days” by Ariel Tzadok of The Kosher Torah School. The Author is on point with incredible analysis of the book of Daniel:

Globalism uproots Socialism, Communism, and Capitalism:

Daniel 7:8 speaks of a little horn that uproots 3 horns. The beast described is just like the beast in Revelation **13:1** the beast coming out of the sea. This little horn is the New World Government it is a Tyrannical Government. The three horns that it uproots are the three forms of government in each world government today. Socialism, Communism, and Capitalism. If you think Socialism, and Communism were bad wait until you get a personal experience with Globalism!!!

Chapter 5

“Rapture? or Tribulation!”

I challenge the rapture theology with **1 Peter 1:9** “For it is appointed unto man to die once and then the judgment.” If you are raptured, then you miss death like only 2 others- Enoch and Elijah- obviously the 2 witnesses mentioned in **Revelation 11**- so they can fulfill this verse- they must die! **I Thessalonians 4:17** and **I Corinthians 15:51** are a reference to the second advent not a departure for us! Yes, a gathering together to the Messiah when He returns to Earth. He gathers us to Himself when He returns to Earth. We will be staying on earth, He's coming back to reign for a thousand years. The resurrection taking place will be the beheaded souls that are murdered during the great tribulation- they get to come alive to meet the Messiah in the Air, along with those who are alive, as He returns to Earth to reign for a thousand years- **Revelation 20:4**. Notice that when Messiah returns there are believers alive that meet Him in the air in **I Thes.4:17**! Who are these believers and when are they alive? Are they raptured away or are they gathered to the Messiah who is coming to Earth? I see no evidence of us being removed from the earth. Well the Messiah returns after the great tribulation- He cuts that time period short! My point is that there are believers living through the tribulation in the very verse the rapture theory uses to say we miss the tribulation. The deceit is right in front of us! Also as far as the rapture goes who are the saints the devil is making war with in **Revelations 12:17**, and in **12:11** who are the ones overcoming because of the blood of the Lamb and the word of their

testimony? And what about the 144,000 bond servants of Yah in **Revelation 7** – this is during the 6th seal- so if there is a rapture why didn't these believers make it out of here? Also **Revelation 18:4** Come out of Babylon My people! Who are the people? They are the believers that are here during this tribulation and great tribulation. **Revelation 7:9-14** here is a great multitude standing before the throne and before the Lamb who have come out of the great tribulation! They serve Him day and night in His temple- HalleluYah! Messiah clearly spoke of tribulation and great tribulation, the great tribulation includes the mark of the beast and beheadings of believers, in **Matthew 24:9,21**. Don't get me wrong, I'm all for beam me up out of here, I just don't see it in scripture; but if it happens I welcome it. It's okay to hope for the best and prepare for the worst. So **Isaiah 56:20** and **Enoch 96:2** point to a hiding place for the elect and the righteous from the fire destroying the earth. My point is our focus and trust needs to be in Yahuah to Deliver, and we must purpose in our hearts to obey Him and not take the mark of the beast. For those who take it will not enter the Kingdom of Yah. Their will be famine, betrayal, beheadings, plagues- this will not be our best life now! But we must put our trust in Him to give us the strength as **Enoch says- 96:2** and in the day of tribulation of the sinners, your children shall mount and rise as eagles, and your nests shall be higher than the vultures. You shall ascend as badgers and enter the crevices of the earth, and the clefts of the rock for ever before the unrighteous. And the satyrs shall sigh and weep because of you. Wherefore fear not, you that have suffered, for healing shall be your portion, and a bright light shall enlighten you, and the voice of rest you shall hear from heaven. The book of Jasher speaks of the ground opening up and protecting the

children of Israel that the Egyptians told them to kill all male babies. The ground nurtured them and took care of them and when they were adults the ground returned them to the people- **Jasher 67:50-61**. I think these next verses refer to a rescue or hiding place for Yah's people. **Isaiah 26:20** Come my people enter into your rooms and close your doors behind you; Hide for a little while, until indignation runs its course. For behold, YaHUaH is about to come out from His place. To punish the inhabitants of the earth for their iniquity. **Zephaniah 1:18b** And all the earth will be devoured in the fire of His jealousy, for He will make a complete end, indeed a terrifying one, of all the inhabitants of the earth. **Zephaniah 2:3** Seek YaHUaH all you humble of the earth who have carried out His Law! Seek righteousness, seek humility. Perhaps you will be hidden in the day of YaHUaH's anger. Maybe the best verse to support the rapture theory is **Daniel 12:2** everyone in the book will be rescued and those who are dead will come to life. Maybe the rescue isn't a rapture but a destruction of the lawless; or simply a gathering together to the Messiah. Also **Jasher 4:20** all men who walked in the ways of Yah died before the flood came. Except for Noah and his wife and sons and their wives. So these men died before the flood came but they didn't get to cheat death. The only two men I know of who cheated death and got the Rapture were Enoch and Elijah. No man knows the hour or the day, not the angels, nor even the Son! I don't claim to know the hour and the day! Although I am personally keeping a close eye on Yom Teruah around 2045 AD. I do claim that I see all these things, and recognize that He is near, right at the door. We need to be alert since we don't know the day and the hour. And we need to use discernment to not miss the time of our visitation.

Chapter 6

America At War

Spiritual

We are at war on many sides if not all sides! We are at war!!! First and foremost there is a **spiritual war** for your soul raging on! The root is spiritual, we need to make sure we are in right relationship with the Creator. Our heart is like a garden- it takes constant work- a contrite and broken spirit are acceptable unto Yah. Love Yah with all you got and love others like you love yourself. In my opinion Christianity has a lot wrong, but one thing they have right is the heart issue. The Father cares more about our attitude and issues of the heart rather than our knowledge of him. Don't get me wrong, I treasure knowledge and seek it constantly. I think eternity will be a forever experience of learning so I want to start now! But the heart being humble and accepting what Yah has provided; acting and responding in love- always willing to bend your will to Yah! My secret is I'm constantly clinging the Messiah in my thoughts- I take every thought captive to the obedience of my King! Constantly kneeling before the throne in my mind. We better have resolve to serve Him with what's coming! We must purpose in our hearts not to sin against the Father! He can deliver, but whether or not He delivers we will not bow down or take your mark! Anyone who takes the mark will be cast alive into the lake of fire. We are to overcome by our testimony and by the blood of the Lamb!

Chapter 7

America At War

Geoengineering

Geoengineering! Dane Wigington of geoengineeringwatch.org Dane has great information on his site. What I gather from Dane is this is no joke! The damage our world governments have done to our planet already is going to make weather abnormal. No more normal weather! The Aluminum they have seeded all over the ground is killing the food we try to grow. **The Dimming** they have created by putting dust particles into the air to block out the sun is very real- that's a project of bill gates- called **solar radiation management**. The damage has been done to the planet and we will begin reaping what we have sown! I find it very interesting that the sixth seal of **Revelations 6:12 the sun becomes black; very likely due to them putting dust particles in the air**. Not the Creator supernaturally blocking out the sun; rather , it's evil men doing the devils bidding.

HAARP is High Frequency Active Auroral Research Program – this is our weather control program in America.

CERN is a European Nuclear Research Organization. Cern is trying to re-create the big bang. Doing so could create a black hole some say. Personally I think they are going to open a portal to hell and all of hell is going to come into our dimension.

Heartland greenway.com is doing terraforming projects in Iowa sucking carbon dioxide from the air and sequestering it underground. Depriving crops, piping it to underground storage in Illinois. Using Imminent domain to take farm land to build the pipeline.

Chapter 8

America At War

Globalism and American Government

We are at war with our Government! Our government has been penetrated. Penetrated by greed, blackmail, globalism, china, and other foreign entities! **This New World Order, One World Government, Globalism is going to be the most tyrannical and destructive force of nature known to mankind's history.** It's being ran thru the World Economic Forum as the Head or voice, but the money comes from various sources like the Pope, Jesuits, Vanguard, Blackrock, Bush, King of England the Royal Family, the Rothchilds, Rockafellers, Morgan, Kissinger, etc. who did I leave out? Vanguard and Blackrock own 88% of the world, and those families are the private shareholders of Blackrock and Vanguard. These people make up what's called the Builder Berg Commission and the Foreign Relations Committee. Klaus Schwab is the president of the World Economic Forum and he is a main speaker for the NWO. The globalists are a bunch of rich people who get together every couple of years to determine how they will rule the world! They make plans and write books and create policies showing how they want to depopulate all but 500,000 people and control these people with a surveillance so intrusive they will track everything you do and only allow you to do what they want. **We are At War with New World Order (Globalists) and the American Government.** Separation of Church and State/Sunday Law

Coming! **Sunday Blue Laws!** Make no mistake about it friends, America is at WAR!!! We are at war with our own government. Watch out, once they remove “**Separation of Church and State**” which they are trying to do now! They will make us like Rome in doing so! They will then enforce a “**Sunday only**” **Worship Law** and when we Sabbath Keepers don’t go along they will kill us. When the worldly, un-religious people don’t go along they will die. They are bringing in **Digital Drivers licenses with our Vaccination Records and Social Credit Score on them.** There will be no way to buy sell or trade with out bowing down and taking the Vaccination. Which is nothing more than MRNA- DNA gene altering gene therapy, Nano bite technology meant to remove the Name of YAHU written in your DNA and alter you. They are Spike Proteins! They cause many health problems, blood clotting and heart attacks amongst the blatant common ones! They put baby stem cells from aborted babies in these shots! They can put luciferase in them which causes the skin to glow, They want to use 5g to connect to us through Wi-Fi. 5G penetrates the skin it’s bad for us and will cause cancers. 5G will put us in a microwave and cook us. We won’t even need the smart phone to have internet connections! They actually want us all hooked up to their Artificial Intelligence Brain (main CPU) within 9 years! The way I spell Anthony Fauci M.D. in Hebrew equals 666! He definitely is an evil man. **If I had to guess who is the actual Man of Sin to be revealed as the Anti-Messiah standing in the Sanctuary declaring himself the be the Creator, the Abomination of Desolation. I would not be surprised if Obama resurfaces** as the Head of the U.N. or the Head of the New World Order, or maybe he will emerge as the leader of the Muslims; although I'm not sure how. The muslim leader being the Anti-Messiah is a common thought among biblical scholars. Using an English gematria Obama’s name equals

666 and has many relationships to evil. The latest news is about terraforming. Our government is building machines to suck the CO2 right out of the air and store it underground. Bill Gates also is funding putting some type of particles into the atmosphere to block out the sun. They want to destroy crops and photosynthesis. They have engineered global starvation by cutting off supply lines, shutting down truckers, shutting down oil lines, shutting down coal, and shutting down society in general with covid lockdowns. Australia is in dire straights cause they have no guns to defend themselves. Canada is making laws so you can't speak out against vaccines, or you go to prison. China is threatening to take Taiwan. Israel was just attacked by Hamas and for retaliating the whole world is in an uproar. It would seem as though the same entity taking over America has taken over Israel. Israel's government seems just as overran as ours. I'm surprised to see all the support for Hamas. It looks as though a lot of nations are coming against Israel. The world is in a mess with astronomical consequences coming. So, we are at War with our government. Every nation is at war with their own governments. Our governments are trying to implement the New World Government. We are at war with our own government, and we are at war with the New World Government! And now as of September 16th 2023 they are beginning to roll out new covid plandemic! Don't comply. They are starting the mask mandates and making the new covid vaccination mandatory in the medical field.

It seems as though 911 was more about Americans losing their privacy than anything. Since then, the Patriot Act, was signed into place and continues to be upgraded continually taking away our privacy. Obama signed into policy documents allow the Americans to have propaganda pushed on them through the media so they could

control the narrative. Free Speech no longer seems to be valid in this country with Trump being indicted for saying the election was a fraud, which it was. Our three letter Agencies all seem to work for the highest bidder rather than the American people. The CIA, FBI, FDA all seem to be complicit; corrupt to the core selling out the American people.

All it would take is an EMP detonated over America to create a grid down scenario. If Russian or China doesn't do it, I wouldn't put it past our own government to do it to us. In my opinion, the best way to take America down is through an grid down or cyber attack scenario. Cyber attack that takes out the grid. **Americans will kill each other if there is no food to buy in the stores.** A mad max scenario in America is the best way to get rid of America. After 3-4 months of letting us kill each other and possibly bombing some tactical areas like Washington D.C. Or New York or our Nuclear facilities or Military bases so we can't retaliate once the grid is up again, if it ever gets up again! China invading America after we do all the dirty work for them! Yeah that's what I would do.

Media complicit: The media was originally set up in opposition to the government as a part of the check and balance system. But they have become the mouthpieces of the globalists. It's quite amusing to watch a compilation of all these followers repeating verbatim the same regurgitated agenda of the globalists. One tell they have is that they like to tell us what they are going to do to us before they do it and they use the media to accomplish this. They think it brings you into covenant with them and you are complicit yourself in their abuse. They like to brag in their arrogance, just watch bill gates brag about making billions off vaccines that are designed to slow kill by speeding up whatever ails you because they erase your immune

system giving you AIDS- auto immune disease syndrome.

Church complicit: Did you know back in 2000 the Protestant Church gave up the protest? Yes, they stopped protesting which ended the Protestant Church! Kenneth Copeland was there encouraging everyone to join the Pope! Universalism!

Chapter 9

America At War

Vaccines

Revelation 18:23 “...all the nations were deceived by your sorcery.” Biological warfare! I think America and our pharmaceutical companies are deceiving the world with these so called vaccines! Sorcery is pharmacia or pharmacy! These so called emergency vaccines un-approved by the FDA are nothing more than **MRNA- DNA gene altering gene therapy, Nano bite technology** meant to remove the Name of YAHU written in your DNA and alter you. **They are Spike Proteins!** They cause many health problems, blood clotting and heart attacks among the blatant common ones! Actually they aren't bloodclots, they're stopping the flow of blood but they look unreal, not like blood clots! They put baby stem cells from aborted babies in these shots! They can put **luciferase** in them which causes the skin to glow, They want to use 5g to connect to us through Wi-Fi. **5G penetrates the skin it's bad for us and will cause cancers.** 5G will put us in a microwave and cook us. Some think 5g activates the shot, or has the ability to when certain frequencies are activated. We won't even need the smart phone to have internet connections! They actually want us all hooked up to their Artificial Intelligence Brain (main CPU) within 9 years! The way I spell Anthony Fauci M.D. in Hebrew equals 666! He definitely is an evil man. Fauci is a Sicilian word for Sickle as in the Grim Reaper, the Angle of Death! Not only are the Vaccines a bioweapon that can be engineered to target specific individuals, but Covid 19 is a bio weapon as well. The forced vaccination, which

isn't really a vaccination. **Yes they (FDA) changed the definition of vaccination from Immunity to Protection, because these vaccines don't provide immunity, they are not really vaccines, in the year 2021 they did this!** If they can force you to take a shot that slow kills you, then they can force you to take a mark in order to buy food, water, and supplies etc. Please Don't take the Death Jab. These Shots are not for the benefit of anyone's health. Rather they are the tools of Biological warfare! Yes, good people of the World- We are at WAR!!! Look at all the Biological Labs the United States had over in Ukraine. I think the count was thirteen that Putin destroyed.

I don't think the Vaccine is the actual mark as some do, but it's making a way for the mark which could actually be some chip, unless they have found a way around the chip which they may have with the vaccine, they can give you what's need to be hooked up to the internet without a physical device. I don't think they are putting that in the vaccines right now, I think they are only gene editing therapy, but I think that is the beginning of the process to get the mark without the chip. Who knows, I just heard today that they are going to be putting micro-chips into the vaccines. I'm sure they are putting nano tech in the vaccine. I have seen videos of what they were calling blood clots at first, but clearly they are like some structure growing in your veins and clogging them up but it's not blood clots. Insurance companies saying thirty percent increase in death after the vaccine roll-out. A ten percent increase would be astronomical, and we had a thirty percent increase! Some reports of 18 million dead world-wide from the vaccine. I think their goal was as many as possible- closer to two billion could die from the slow kill effect within five to ten years of the shot. The globalist goal is to eliminate around seven and a half billion and have only five hundred

thousand left. **The shots are causing AIDS- Auto Immune Disease Syndrome- among other complications like micro-carditis** with healthy young men dropping dead left and right in sports. If you have taken the vaccine and regret it, then I think there is still hope you can take some vitamins to try to combat what's going on in your immune system and pray and cry out to the Savior to Save you and physically heal you. It's a Spiritual battle as much as a Physical one. **Take these to help prevent getting Covid: Vitamin D3, K2, C, Zinc, Quercetin to help prevent getting Covid. Povidone Iodine nasal and throat spray is 99% effective in preventing sars 2 (covid). Also Quinine oral drops to help prevent Covid. MMS works great for me.**

If you are sick with Covid you can take these: Ivermectin, and Hydroxychloroquine to help get over covid. Also MMS (Miracle Mineral Solution) otherwise known as Sodium Dioxide. To make Sodium Dioxide you need Sodium Chloride mixed with Citric Acid. You can order this Sodium Dioxide Kit on amazon.

If you have already taken the vaccines, you can take these to help combat it: Pomegranate, elderberry, chokeberry and green tea with egcg molecule to help combat vaccines taken. If there is a Small Pox Break out, as Gates has predicted, then there is a plant called Sarracenia Purpurea that will help get over it. I've gotten most this info from Doctors on Info Wars with Alex Jones and Health Ranger Report with Mike Adams on Brighteon. Dr. Zelenko and Dr. Brian Ardis and Dr. Steve Kirsch and Dr. Sherri Tenpenny and Dr. Richard Fleming and Dr. Paul Cottrell and Dr. David Martin and Dr. Peter Breggin and Attorney Thomas Renz and Dr. Judy Mikovits. Why were Pfizer employees and illegal immigrants exempt from taking the vaccine while we were forced?

Chapter 10

America At War

Energy: Oil, Coal, Natural gas, Electricity

There is a war on fossil fuels. I don't think oil is from fossils, I think that's a lie the globalists created to say it's limited. But oil reserves fill back up over time, oil is a mineral of the earth in my opinion. The first thing Biden did is cut off our pipelines, and kill our energy sources! Former Vice-President Biden has shut down fracking, drilling for oil, burning coal. The Solar Panel energy and the Wind Turbines are not efficient enough to supply our energy needs, and the parts come from China so China is making all the money off it. Well China Joe probably is getting his take too! We are no longer energy dependent and have limited resources to use. I'm sure you noticed your electric bill being much higher than before! Gas is more expensive at the pump than ever before. Biden drained our oil reserves. We are buying oil once again instead of selling it! Our options to buy are very limited indeed and getting even more so. Saudi Arabia, Iran, Persian Gulf, and the whole Middle East are going to completely cut us off. We have Canada, Africa and Venezuela to get oil from.

Lets not forget that they want nothing but electric vehicles on the road by 2035 I think California said. The Auto industry had a huge strike this year and the union demanded a thirty percent wage increase and only 32 hours a week. They got seventeen percent and

nine-teen percent offered, I think. I don't think the auto industry can sustain this kind of switching over to nothing but electric that doesn't work. Electric cars suck when it comes to traveling far distances, towing, charging, and who know what it's like to work on them; it's not like you will be changing the oil- or will you? And the price of electricity to charge your vehicle will be more than we can afford to pay.

We need to open it all back up and become energy independent again before it's too late, which I think it already is too late. We are a plane going through a canyon, we are still in the air, but no room to turn around and not enough lift to get high enough over the mountain; we are gonna crash and burn, we can only try to minimize the damage.

Chapter 11

America At War

Economy

The Economic state of our country is not good. Gas prices are soaring! \$5.00 a gallon here right now! They are printing money like it's going out of style which is causing **super hyper-inflation**. Their goal is to kill our Economy and crash the Dollar. They are not just killing our economy but it's on a global scale that they are trying to destroy everyone's economy so we will have no choice but to get on board with a **one world economy ran by the IMF** (International Monetary Fund- working to achieve sustainable growth) which is ran by the UN, and **the World bank which is ran by the Pope**. They want a digital drivers license with a record of vaccinations and health and religion and a social credit score. They are going to carbon tax us and restrict our every movement just like they do in China. They shut down oil and coal, and put heavy restrictions on trucking in California. Now that we are no longer energy independent we are vulnerable. Russia is no longer exporting Diesel and Saudi Arabia is producing less oil- like a million barrels a day! The squeeze is on because we have stopped producing our own oil and using coal. They have no green mechanics in place to go green. Their whole green, save the planet agenda is actually, to destroy the planet and our economy and our constitution and our human rights and freedoms. They shut down our economy, sent everyone home, and cut off our supply lines. The economy is going to crash, our dollar will be no good soon enough. It will cost a days wage for a

loaf of bread right here in America! Turn your dollars into actual product before this happens! Water, Food, Seeds, Guns, Ammo, Gold and Silver! I don't think the money in your account will be any good much longer! The market could crash in an instance overnight! Once Saudi Arabia decides to stop using the American dollar to trade the oil, it will be game over for the dollar!

Operation Sandman is an agreement between one hundred and twenty countries that have agreed to stop using the dollar and buying our debt. Saudi Arabia is at the head of operation sandman. **BRICS** has been formed and more and more countries are joining them. We are not far from our Dollars becoming worthless. There is going to be some cyber attacks or grid down scenario to kill small business and give big business the monopoly.

They are **trying to destroy our dollar** so they can force us into the mark of the beast system through **CBDC's**. They will probably do this through a cyber attack or grid down scenario and blame the trump supporters or white supremacist and arrest them. They could use this to shut down small business permanently and allow big business, big Tech to thrive! You will have to have a special internet ID to even access the internet. Understand that the mark of the beast is tied to finances because you can't buy anything without it!

Chapter 12

America At War

Food & Water & Fertilizer

The **FDA** (Food and Drug Administration) should be called the **FFUDA** (Fake Food and Unnecessary Drug Administration). They allow harmful products in and on our food. Pesticides they spray on the food to kill before they give it to us, yeah I'm sure they only kill bugs. The **GMO's** they allow in food is scary! Why do we need to genetically modify naturally good food to the point that it is genetically modifying us as we eat it? Why **GMO's** ? I don't want any **GMO** food. But it's everywhere, just read the labels! Why put sodium nitrate in my favorite beef jerky- Old Trapper? **Sodium nitrate** is a cancer causing ingredient, why do you want me to get cancer? I wonder what the difference is between how much money they make on someone with cancer verses how much money they make on on someone who is healthy? Why does **Monsanto**, now owned by **Bayer AG**, own a monopoly on seed? They own the seed and the chemicals (Roundup) to put on your seeds to make us unhealthy. **Glyphosate** a pesticide linked to cancer is the key ingredient in Roundup! Yes Bayer AG owns Roundup.

They put **fluoride** in our drinking water to dumb us down. We can stop the fluoride with good water filters. Don't use toothpaste that has Fluoride in it. Take **Iodine** to counter the fluoride. Iodine makes one smart! I have personal experience with using Iodine from Alex Jones Info Wars Store. Best Iodine I've ever used and there

was a major difference when I stopped using toothpaste with fluoride and filtered my water and took the Iodine. I felt smarter, like my head wasn't cloudy, my mind was clearer and with great focus. They also put **Atrazine** in our drinking water. According to a UC Berkeley report atrazine turns frogs from male to female. Atrazine is also used in pesticides that they use on our food, so odds are you have eaten food from the fields with Atrazine on it.

The latest and greatest thing is using **Nano Particles** in our food. Nano Particles are metallic structures. I'm not certain of all their uses but I know the regeneration of diseased or damaged cells, tissues and organ function is among them. Sounds cool- cut off your hand and watch it grow right back!

Who knows what all they are seeding in the air that falls on our food and water. **Aluminum** that falls on the ground contaminating it, is horrible for food crops, they won't grow. **Graphen** is also being seeded into our skies as part of the ongoing covert climate intervention operations.

Our food supply has been under attack since Biden took over. **Over two-hundred food factories have been destroyed and not one federal investigation.** American food factories destroyed one after another in the last couple of years. You would think that would get some major attention by the news and law enforcement, but it's been swept under the rug!

Fertilizer! Our farmers won't have any fertilizer to farm with! All major production of fertilizer has been put on a hold world-wide! The Haber process creates ammonia. Without this process the world won't have enough fertilizer. The main plant producing ammonia

through the Haber process is the BASF plant in the U.K. Well they were the main plant until they decided in 2021 to close. Just one more energy source they are closing down. Don't worry bill gates has his own fertilizer in Canada that he desperately wants us to use for his benefit. I wonder what tampering gates has done with the fertilizer.

Chapter 13

Education

Parents, it's time to remove your children from Public Schools and Christian Universities! They are brainwashing your children. The goal is to lead them astray from the truth! **They are teaching perverted sexual material** from Fisting to Intercourse, Anal and Oral Sex. That's Kindergarten and First grade material!!! The transgender, trans-human, homosexual, pedophile predators are in charge of the doctrine that is being taught to our kids. They are allowed to groom the kids and you can't stop them. Just try to stop them and they will take the kid away. If you don't affirm their gender identity crisis, the state will take your kid away and do the sex change operation on them. They are giving these five year old children the option of: do you want to be a boy or a girl. And they are convincing little boys to be little girls and then operating on them or giving them puberty blockers. Our government is complicit in confusing our children and convincing them to get sex transition operations as early as five years old. They are using the school teachers and the whole system. They bring in **Drag Queens to the Schools for Drag Queen Story Time Hour**. Most of these men are felons and registered pedophiles! They are teaching Kids lies that there is more than one gender. I think they decided on seventy genders now- they call it **gender identity**. **Gender Identity Crisis is a Mental Health Issue, always has been!** There are only two genders, but kids can't say that or they get kicked out of school, for

real! Anyone who points out the obvious, like the Emperor has no clothes on, gets persecuted. **This is criminal!** All these teachers, doctors, politicians, and parents need to be held accountable for their crimes against these kids. **Critical Race Theory or CRT:** If they are white they are being taught to hate themselves. If they are not white they are being taught to hate white people. They are calling trees and streets racist. Critical race theory is garbage. Girls are being raped by boys in their bathrooms now and it's ok legally. The days of Noah were probably not even this bad! You need to teach your kids, be very careful with social media platforms- this is another means through which kids are being attacked spiritually and mentally- they may seem innocent, but I guarantee you no man who has an ounce of integrity and worked on these platforms lets their kids on them because they know how evil it can be. There is an evil agenda for stealing our children, plus the **schools are literally turning into vaccine clinics- just sending your kid to school is considered consent to the death jab!!!** Bo Yahusha Bo! I think it's pretty obvious by now that covid nine-teen and the vaccines were a biological attack on humanity. **But let's not forget that they forced kids in schools to wear masks for two years!** This did horrific damage to the kids! Wearing a mask not only increases the Carbon Dioxide (CO2) levels you breathe within 30 seconds of wearing the mask, but wearing a mask also interferes with learning to read, it impacts speech and language development. Heck, I have a hard time understanding people talking while wearing a mask. I depend on lip reading to confirm what I think I am hearing! As if this wasn't enough there is something in schools called **SEL or Social Emotional Learning.** James Lindsay from newdiscourses.com can give you a greater understanding of this agenda- here is a quote from him. "Social Emotional Learning is evil and must be stopped. It isn't a nice little program to help at-risk kids deal with the difficulties

of learning. It's the central pillar of a nefarious attempt to remake and control society.” More brainwashing attempts to teach children to be inclusive. Sounds like they are redefining words like equity, diversity, and inclusion. Instead of picking the person most qualified they are picking the person of color to be diverse, inclusive and equitable. Again telling kids they are evil because they are white. They are trying to start race wars in our schools and out of them as well.

Chapter 14

America At War

Sex Trafficking & Sexualization of Kids

Sex trafficking and the sexualization of kids is part of this Satanic Religion. The Transgender agenda leads to the trans-human goal. All part of the Globalists agenda to Depopulate the planet. They are coming for your kids! This is way worse than I think any of us could imagine. **Our government is complicit in the largest Sex Trafficking Operation every known to man.** Our government works with the Mexican Cartel to bring the children over the border from other countries. Our government works with other world governments to traffic these children. These children will be raped by the traffickers and by the people who buy them. **On average a female trafficked as a baby, by the time she is eighteen, will have been raped over ten thousand times.** These young babies are used for the **adrenochrome**. They get the kids terrified and at the peak of being terrified they withdraw the blood. It's like **the fountain of youth** for them. They also use the **Stem Cells**. **The organs can be sold on the black market for seventy thousand dollars for a barrel of body parts.** They also use the children for **child sacrifices and drinking of the blood**. They use the children to harvest their **DNA**. The days of Noah were filled with trans-humans! Jasher 2:19,20 & 4:18 and post-flood 61:15. Jubilees chapters 5:2 & 7:24. The DNA of animals and humans was being tampered with by knowledge of the Fallen Angels. It seems to me

that the goal here is to eliminate humans by going after the reproductive systems of everyone. The more abortions, the better for the devil. The devil wants to erase the DNA of the Creator from humans and replace it with his own DNA. Trans-humans made in the image of Satan. Maybe Satan is using the biological weapons like covid nine-teen and the vaccines to achieve this. Well, that's what I think that crazy devil is up to!

The Sextrafficking is so bad, these kids probably end up suffering and dying early in life, but death probably can't come soon enough for them from their perspective.

Biden is a Pedophile with kids in the basement to sexually abuse and physically literally eat and drink their blood and get all the DNA lifeforce they can get out of the Adrenehrome and Stem Cells. Its beyond sick, it's pure evil. Have you ever noticed how Biden can't stop sniffing kids? Little boys, Little girls, older women- Biden is a sniffer and a gripper! Whenever Biden gives a speach they have to remove all the children; otherwise, he gets so distracted he can't finish the speach quick enough to get to the kids! He is evil and he is the head of our government. The only evidence I have is my common sense ticker! Would you leave your three year old grandson or granddaughter alone with Biden for a week?

Abortions in California are legal up to a month after the child is born. According to the WHO 73 million abortions occur per year world wide. America isn't in the top ten but we are close. In Russia 53% of women get abortions, they are number one. In China 24% of women get abortions, they are number ten. In America 20% of women get abortions. We kill twenty kids out of every one-hundred that are born in America

Chapter 15

America At War

Border

Michael Yon is a war correspondent and has been closely keeping an eye on the border. He travels all over the world keeping up to date on many issues. According to **Michael Yon**, war correspondent, 10,000 illegal immigrants are crossing daily. Eagle Pass Texas is being over ran by illegal immigrants. Brownsville Texas has a Walmart closed off to the public where they are housing 5,000 children; and the police and fed's do nothing about it. All government agencies are complicit in our border invasion; especially the border patrol. There are colonials being built for them in Texas housing 200,000 men. Most of these illegal immigrants are young men 18-35 years of age. They are militant, most are Chinese but there are plenty of other nationalities as well. **This is a Trojan horse plan already carried out, already inside our walls.** They will soon begin to carry out their employers plan, as they are all receiving ID cards with \$2,200/monthly, told where to go and to wait for further instructions.

The Biden regime have allowed lots of illegal immigrants across our borders recently, I want to say millions but I don't know the roundabout number. I don't know how many thousands of Afghanistan terrorists came over unvetted, but if they give each one who got separated from their kids under the Trump regime \$450,000 then they will be funded as well! Mobs of immigrants flowing

through American cities destroying them and raping our women!
The southern border is infiltrated! And Biden wants more to come!

Our Borders are under attack! Under the Trump administration the Cartel was making 500 million trafficking humans. Under the Biden crime family the Cartel is making 13 Billion a year for trafficking humans!!! The U.N. And Zorros and our tax dollars are funding the illegal aliens coming here! Once they get here they get cards with like 2g's a month. They get put up in hotels like in NY for free to them but the taxpayer fits the bill.

Chapter 16

America At War

The Brink of WWIII

War With China

We are at war with China. The Chinese government has a 100 year plan to destroy America. The next step on their plan which coincides with the NWO plan, is Crisis. So the Crisis that has been engineered is food shortage and it is coming. When they stopped making coal this year they impacted the Fertilizer which is tied into the Coal. No Fertilizer for farmers next year, along with the Supply line shortage created by our government- Scientists are saying our Food Supply might not recover until 2024 and that's not going to be true if they commence with terraforming. I honestly think we are being controlled by China already. It feels like communist China to me anyway. China owns President Joe Biden. New evidence just came out that the Big Guy is Joe Biden and he got ten percent of 400,000 from China. There is no free Speech in this country, if you can shut down President Trump when he is president, then there is no more free speech. Big Tech manipulates their social media platforms, and they are backing the NWO plans. You can't speak out against Vaccines, Transgenderism, Homosexuality, Lies. You can only spread misinformation and lies nowadays. The Media in America is just like in China! Yes our Media is owned by these rich pricks. Fox sometimes has some descent news with Tucker, but **you**

have to go to Independent News Reporters to get the truth nowadays! A lot of media disinformation and information wars going on! Mike Adams is the founder of [brighteon.com](https://www.brighteon.com) a YouTube replacement platform. On [brighteon.com](https://www.brighteon.com) you can browse channels go to [Info Wars with Alex Jones](#), or [HRR \(Health Ranger Report\) with Mike Adams](#). There are others out there, but you can't trust CNN, MSNBC, NBC, CBS etc. the mainstream media is all owned by BlackRock and Vanguard! China is threatening to take Taiwan if they do World War 3 will break out Cause We need Taiwan so does Japan and many other countries. **China may even invade America with troops, after we struggle with an EMP attack from Russia taking out our whole grid; and Russia decapitating our military with strategic bombs, so we can't strike back.** Not destroying America; but leaving her unable to defend herself. Invasion will come after Americans kill one another because of lawlessness and famine. When one is starving they will do whatever the need to eat; including stealing and murdering. I honestly think China wants our land to farm and feed their people. **China has a trojan horse plan-**they are going to load up ships with military weapons and troops; we will think they are just cargo ships delivering us our long awaited goods we buy from China. Like our prescriptions! Did you know most our prescription drugs come from China? What will we do when they cut us off from life saving medicines? These cargo ships will be arriving around November of 2024 from my estimations. So I look for Russia to work with China to coordinate this together. **One could argue that we have already been invaded with open borders for three years now. At least half a million young Chinese men have crossed the border illegally in the past three years.** Michael Yon, war correspondent, has reported as many as 10,000 men per day have crossed our border and many are young military aged Chinese men. If they do invade us, I think they will

wait until we are in a much worse position than we are at the moment in November of 2023. But China has troops in Mexico and in Canada which to me says they will invade. At least thirty thousand troops in both Mexico and Canada. Maybe they will help the U.N. Military that I'm sure will be here at some point. The Chinese have police stations to police their people, set up in New York. What is with all the FEMA camps in America with millions of stackable coffins in place and guillotines. Yes they plan on rounding us up and putting us in **FEMA camps, just like Auschwitz only a larger scale.** The One World Government will be responsible for the death of billions. Thanks to Bill Gates and Fauci these death shots will kill many. The ones who refuse will at some point be taken to FEMA and murdered for not being in compliance to an evil tyrannical reign of the Devil on Earth! **There is a great book by Dr. Michael Salla called Rise of the Red Dragon.** This book details the ability of China to take over the world!

Chinas penetration of America is deep. They have our **military secrets** and they have **military weapons** matching if not greater than ours. They have china police force in New York. They have penetrated our educational values in America. They have taken over Hollywood. They flood us with pointless **Apps like Tik Tok and Temu that degrade us and take our data.** China makes our **phones-** if you think they don't put **spy tech** in them you are kidding yourself. China makes a lot of **military components and non military components** that we can't get on without. Some of our key grid components are made in China only. **China is the manufacturing giant America once was.** They have positioned themselves to take over America as the leading world power.

Right now we have Hamas attacking Israel from Gaza on October 7, 2023. Hamas is a proxy of Iran. Hezbollah attacking Israel from Lebanon, northern Israel, Hezbollah is a proxy of Iran. Yemen is attacking Israel, Iran has a proxy in Yemen as well. American bases in the middle east have been attacked by Iran. Russia and Iran are working together supplying each other weapons. Russia backs up Hamas. Russia hosts Hamas and Hezbollah and Iranian leaders. Russia is working with China and these two are working with the muslim nations. Turkey is now against Israel. Turkey has the second largest military in the United Nations second only to America. Let's not forget that we have Ukraine in the mix as Americas proxy against Israel. America is supporting Israel and mounting a large military presence with our Navy; plus our spread out bases in the middle east have 30,000 troops total. **China is moving towards Taiwan with their Navy and Airforce.** I look for China and Russia and these Muslim nations to join forces to defeat America and Israel. After they defeat us they will fight with each other. I see America being taken over by China. I think Americas destruction is in one hour; I think we are an extension of Babylon/Rome; the statue of Daniel- we are the clay! America is the nation that deceived the nations with her sorcery/pharmacy-biological weapons- vaccines. Once China blockades Taiwan or cuts us off from Taiwan- we will be in trouble as our computer chips for practically everything electronic comes from Taiwan! Everything is very volatile right now, more than ever before! Our congress also just passed H. Res. 559 stating Iran can't have nuclear weapon and we will use whatever means necessary to make that happen and Israel can depend on us to defend them. So we are gearing up for war on multiple fronts. Russia, China, Muslim Nations. I'm sure North Korea is licking their chops wanting to get involved, so we could have that war front get way worse as well.

War with Russia

Russia- well we just keep poking the bear and the bear has shown great restraint. But we keep poking the bear that is the worlds largest and best nuclear power- we will find out that they are no third world country! Putin has called America out time and again about our corrupt banana republic indicting political opponents and transgender/equity religion being shoved down Americans throats. Russia looks like America did back in the 1940's and 1950's. Very clean, hard working and independent. Russia has nuclear missiles that we can't defend against. Russia has an EMP weapon that can take out the entire United States at once. Russia and the U.N. Had an agreement that the U.N. Would not expand their territory into Ukraine. The U.N. And the U.S. Didn't honor their agreement. They have continued to take territory in Ukraine. George Zorros is on record saying he overthrew the Ukraine government back in 2014 and so this is Zorros ran Global Government in charge of Ukraine. Ukraine is a proxy of the United States. We have over 30 biological labs in the Ukraine; probably working on more covid 19 bio weapons specifically designed for Russians. Putin took out all those labs. The money we send to Ukraine seems to find its way back into the Politicians pockets, as well as groups like Hamas end up with the weapons we are sending to Ukraine. Russia is mentioned in the prophecy of Ezekiel 38 and 39; so we know they will definitely be coming against Israel to fulfill this prophecy. Russia is not only making alliances but seem to be leading with China. Russia is aligning with Iran and Turkey. Russia is a superpower when it comes to nukes. Russia could be supplying Iran with Nukes. Iran is supplying Russia with drones in the war with Ukraine. Russia appears to have won the war in Ukraine although it doesn't seem to be over just yet.

War with Iran

Iran is the head of the snake. The snake being all these Muslim countries surrounding Israel and wanting her total annihilation. Iran is the head of Hamas, Hezbollah, and all their military branches spread throughout the middle east. There are Muslims all over the world in strategic places waiting for the day to rise up against the little satan (Israel) and the great satan (America). These muslims are undoubtedly on American soil just waiting to take part in the demise of America. I would expect them to be part of some cyber attack and possible terrorists attacks on Jewish institutions.

War with Turkey

Turkey is named in Ezekiel 38 as Gomer. Turkey is part of the United Nations. Turkey has supported Hamas and their actions on October 7, 2023. Turkey has the second largest military in the United Nations second only to the United States. Turkey sent out one hundred war ships to meet the United States Navy that is assembling over there. Turkey's navy stood down, but it is clear that Turkey is going to go against Israel. I wonder if Turkey is the King of the North instead of Russia. There are many biblical scholars who think the Anti-Messiah is Muslim and will rule from a Muslim Nation. How could Barrack Obama come about to rule from Turkey? I do remember when Obama said America is a Muslim-Christian nation while visiting a Muslim country as our President. One thing is sure, for the prophecy of Ezekiel to be correct, Turkey will be going against Israel.

War with Sudan and Lybia

Sudan and Lybia are mentioned in the prophecies of Ezekiel 38 and Daniel 11. Ethiopia is modern day Sudan. So look for Sudan and Lybia to go against Israel with Turkey and Iran and Russia and China to fulfill the prophecy given in Ezekiel 38 & 39.

War with Syria

Look for the prophecies concerning Damascus in Syria being destroyed to come to pass as well. **Isaiah 17:1 “Behold Damascus is about to be removed from being a city, and it will become a fallen ruin.”** Even Prime Minister NetanYahu was calling for the prophecy of Isaiah to be fulfilled. I know Israel was targeting the Airport in Damascus. Syria is a staging place for Hezbollah attacking Israel. Hezbollah is a greater military force than Hamas. Hezbollah has been bombing Israel from the North since October 8th.

War with Yemen

Yemen's government was overthrown by a proxy of Iran, they are called the Houthis. Yemen has joined in on firing rockets and missiles at Israel. The first ones got shot down by the United States Navy. Other attempts were shot down by Saudi Arabia. The Houthis aim to govern all of Yemen, and external anti-imperialist movements against the United States, Israel, and Saudi Arabia. They have launched repeated missiles and drone attacks against Saudi cities in the past. It seems as though the strategy is to get Israel and America on so many war fronts that we are vulnerable at home and abroad. I know the **Iron Dome (Israel's missile defense) was unable to stop a barrage of missiles the other day**. I don't know if they are running out of missiles to defend themselves but this is likely a strategy of the enemy. Launch so many rockets and missiles at Israel that at some point Israel runs out of rockets and missiles to defend itself. American ammo and military supplies have been depleted already with the war in Ukraine. And we don't manufacture weapons and ammo like we used to; now we depend on China and Russia for that.

War with Egypt

Egypt has a fragile economy. Taking on a million refugees from the Gaza strip will crush their economy. So Egypt has closed their border to the refugees. Egypt has in the past helped keep the peace over there but this time when the United States asked Egypt to help Israel; Egypt refused. Egypt has amassed a large military force on the border of Gaza. Around six hundred tanks armored vehicles near the Rafah border crossing into Gaza. I don't know where Egypt will stand in the end but I'm guessing they will stand against Israel.

War with North Korea

North Korea has its largest nuclear arsenal to date. They have disdain for the United States and are supplying the Muslim countries around them with nuclear weapons to attack Israel. They also are working with China in collaboration to take out the United States.

War with Mexico/cartel

In all the confusion we better not forget about Mexico! Our government under the Biden regime has made the Mexican Cartel extremely wealthy. If memory serves me correctly; under the Trump administration the Cartel was making five million a year off of human trafficking; under Biden administration the Cartel is making thirteen billion a year. Our weapons from the Afghanistan debacle are showing up in the hands of the Mexican Cartel.

Chapter 17

“Prophecies about Gog and Magog”

Ezekiel 38 & 39, Daniel 11, Zechariah 14,
Revelations 6:12-17 & 19:11-19

Talk about Wars and Rumors of Wars- if the Second Seal The Red Horse of War isn't here right now then I must be wrong about most everything! There is unfulfilled prophecy in Ezekiel 38 & 39 and it looks to me like the same prophecy is given by Daniel in chapter 11. The nations of the world will be gathered against Israel.

You have **Russia** (the King of the North) making an alliance with **China** (The King of the South). They make an alliance with four Muslim nations. Persia modern day **Iran**. Ethiopia modern day **Sudan**. Put modern day **Libya**. Gomer modern day **Turkey**. In **Daniel 11** he only mentions two of the four Muslim nations and **Russia seems to be the leader. They gather together against Israel and do much damage. Israel makes a peace treaty with the King of the North** (at this point I wonder if this is Russia or a Muslim nation like Turkey- I just thought this treaty would be made by the anti-messiah). **They break the treaty and set up the Abomination of desolation and shatter the power of Israel.** **There is an earthquake mentioned in Revelation 6:12-17 and this looks very similar to the earthquake in Ezekiel 38:19-23. There is also an earthquake mentioned in the Messiah's return as He splits Mount of Olives upon His return in Zechariah 14.** I don't

know if they are all referring to the same inflection point or not but it reads very similar in all instances. **Also Revelation 19:7-19 looks like Ezekiel 39:17-20 The Great Supper of Yah!** The beasts of the earth are gathered to sup on the flesh and blood of kings and horses and men.

Today as I write it is the second day of the eighth month or 10/21/23. It is a crazy world right now with Israel living in peace and suddenly being attacked by Hamas on October 7th, 2023 from Gaza with 5,000 missiles in the first twenty minutes! Israel's response of blowing up some civilian areas, getting massive protests around the world. The mainstream media and some independent media unsure or lying about Israel blowing up a hospital and killing as high as at least 500 people. Egypt not wanting to open their border to be flooded with refugees. Yemen firing a couple rockets at Israel and America's war ship taking them out before they hit Israel and no media coverage. Rockets now being fired on Israel from the North in Lebanon by Hezbollah. All these factions attacking Israel are being ran by Iran. Iran is the head of the snake! If Israel attacks Iran's nuclear facilities to change the face of the East forever; as NetanYahu mentioned changing the face of the East forever. These events are bringing together Russia and China in support of Palestine or Hamas in Gaza. These nations around Israel are forming a coalition to come against Israel. Honestly it looks like the prophecy in the above mentioned scriptures is coming to pass right before our eyes. These wars could be long and drawn out. As we all know our warmongers in congress love long drawn out overseas wars. Money and Guns and Ammo we Americans send never seems to go where it's supposed to; it always ends up in the enemies hands. And why is America giving so much money to all the countries around Israel? It's ridiculous. **Look for**

the prophecies concerning Damascus in Syria being destroyed to come to pass as well. Isaiah 17:1 “Behold Damascus is about to be removed from being a city, and it will become a fallen ruin.”

Chapter 18

The World At War

War with Satan

Is Artificial Intelligence the Anti-Messiah?

There is a compelling argument that AI is being ran by Lucifer and will one day manifest as such. Sounds Crazy, I know, just one more red pill to swallow. Yesterday I watched an AI generated video of Biden declaring the draft to be in effect! Many were deceived thinking the draft was back, it was a fake video, it fooled me! Well the real news is that Clause Schwab was heard boasting that he did sign an executive order compelling the Biden administration to supply American bodies for the front lines. When Schwab says jump, Biden says how high! Leo Zagami is an expert on this issue and is very close to the Pope and has connections. He has a website and books that will blow your mind. **Leozagami.com**. He connects the AI to the Anti-Messiah and makes sense of it. I must admit that I can see the Image of the Beast in Revelations 13:15 being a hologram generated by AI- some monstrous beast indeed! Leo makes a most compelling argument that AI is the Anti-Messiah or at least controlled by him, and will one day manifest as such. I know they have the ability to make holographic images that look one hundred percent real. They did one of the queen traveling the streets in her

carriage- it looked real but she wasn't there. They could make an image of a beast that dwarfs a city. **In Revelations 13:15 it says, “And there was given to him to give breath to the image of the beast, that the image of the beast might even speak and cause as many as do not worship the image of the beast to be killed.”**

Bringing some AI creature to “life”, could definitely be in the realm of possibility. It seems that there is a trans-human agenda afoot, to make humans better by adding technology inside of them. Robots taking over humanity seems like a bit of a leap; however, there is real talk of AI getting out of control and too advanced for humans. But they don't slow down they just keep the pedal to the metal.

We are at war with a Satanic Cult! Satanism seems to be on the rise. They just built a new satanic temple in Scottsdale Arizona. I heard they were doing animal sacrifices in it already. Globalists are satanic. They drink the blood of children. The younger the prey the better. They prey on children for their Adrenochrome, for their body parts, and for sex. The Adrenochrome is like the fountain of youth for these sick people. You get the Adrenochrome by taking their blood at the moment of peak fear stricken in them. They literally sacrifice kids. Who knows what horrors these kids are going through. Definitely more than just sex trafficking going on in the human trafficking business. Over one million kids on any given day are in storage facilities in America. Michael Yon a war correspondent reported 5,000 kids in a walmart in Brownsville Texas being held captive. He also reported colonials in Texas capable of housing 200,000 Illegal immigrants that they are building. He has reported from Panama how the Chinese are flooding our border. There are at least 500,000 young Chinese men here in America ready to go to war. The amount of young children unaccompanied by any females coming over the border is out of control. 10,000 illegal

immigrants a day and their goal in the biden admin is 100,000. These globalists are out of control. They are a Satanic Cult. They are push the transgender agenda, they want to push the transhuman agenda in the future; it's their religion. They literally listen to AI. Artificial Intelligence tells them what to do!

“Understanding the Calendar”

The Creators Calendar comes from the book of Enoch. The Heavenly Father instructs Enoch in many things. Enoch prophesied the end from the beginning and is credited with writing three-hundred-sixty-six books. One-hundred and thirty kings and princes of the world assembled to make Enoch their King. Enoch reigned two-hundred and forty-three years and he taught them wisdom, knowledge, and the ways of Yah. In the two-hundred and forty-third year of Enochs reign, Adam died. Adam was buried by his two sons and Enoch and Methuselah. Enoch was teaching about 800,000 men at one time. All Christian doctrine that I am aware of comes from the writings of the Patriarchs who all seem to have been taught by Enoch and his son Methuselah before the flood, or by Noah and Shem who both learned from Enoch, after the flood. Abraham learned from both Noah and Shem. Abraham sent Isaac to the house of Shem and Eber to learn the ways of Yah and his instructions. Isaac sent Jacob, Esau refused to go, to learn from Shem and Eber. Jacob studied with Shem and Eber at the School of the prophets until the death of Shem in 2158 A.M. Eber continued the school, but copies of all of the records were given to Levi for safe keeping. **This information can be found in the book of Jasher.** Nothing contradicts scripture, it just complements it. **In a book by Ken Johnson called the Ancient Order of Melchizedek the author points out that there are ten Melchizedek priests with Messiah Yahusha being the 10th and final-** I happen to agree with him. Ken Johnson has translated many of the dead sea scrolls into English- I recommend them all, as they should be canonized in my opinion, Ken Johnson is one of my favorite authors, even though he would probably consider me a heretic for saying the Law of Yah isn't done

away with and it applies to everyone- one law for all. Melchizedek means king of righteousness, but it could also be translated as Melekzadok or king of the Zadok priests. The list of Melekzedek priests is Adam, Cainan, Enoch, Methuselah, Noah, Shem, Abraham, Isaac, Jacob, and then Yahusha. Jacob sent Levi to learn from Shem and the Levites were priests but not according to the order of Melchizedek. They were Levitical priests, Levi begat Kohath and Kohath begat Amram and Amram begat Moses and Aron. Amram would have had the writings of the Patriarchs and given them to Moses and Aron. So now we know where Moses got all his information for the Torah- the first 5 books of the bible. The solar calendar was kept from Adam to the time of the Maccabees (around 154 B.C.) when they agreed to change to a lunar calendar. The Zadokite priests during the time of Antiochus Epiphanes took the temple library to Qumran to protect the writings of the Patriarchs. The Zadokites will be the priest during the Millennial Reign of Messiah here on earth, at least that is the way I understand it to be- **Ezekiel 48:11**. If you take time to read Enoch or Jubilees it exposes the deceit of the Levitical priesthood and what they have done with the Calendar of Yah. My opinion is that this is why they are not canonized. There are at least one-hundred and forty-one references in the New Testament to the doctrine of Enoch and word for word quoted in Jude verse fourteen and fifteen; also the Old Testament has many verses almost identical to many verses in Enochs writings. These Zadokite priests split off from main steam Israel and went to the Qumran Caves taking the precious writings of the Patriarchs with them. The community called themselves Yahad or Yah is One or One Yah. They also called themselves New Damascus or Blood Heir. Psalms was the most popular scroll in the dead sea scrolls, but there were fifteen copies of Jubilees and ten copies of Enoch found amongst them so far. I recommend reading all the ancient dead sea

scrolls you can get your hand on, but they all seem based off the ancient book of Enoch to me. One thing that stood out to me in the writings of our Patriarchs was almost every one of them referenced 'having read Enochs writings'. So this is where the Enochian, Dead Sea Scroll, Essene, Zadokite, Torah, Solar, Creators Calendar comes from!

Lamech declares that Enoch prophesied the flood and foretold of Noah's role.

Abraham declares having read from the book of Enoch.

Levi declares he learned in the book of Enoch that for seventy weeks you will go astray, will profane the priesthood, pollute the sacrifices, corrupt the law, and ignore the words of the prophets.

Judah declares he has read Enoch the book of the righteous and knows the evils they will do in the last days.

Naphtali declares he has read the holy writing of Enoch and that you will depart from the Lord. The sun the moon the stars do not change their order. Do not try to change the laws of YAH into what you want it to be. Nations went astray, deserted the Lord, changed their order...following spirits of error.

Benjamin declares the words of righteous Enoch teach that even your descendants will practice evil.

If the Book of Enoch was good enough for these men, then it's good enough for me too.

If a prophet prophesies in the name of the Lord and it comes to pass,

then he is a prophet of the Lord- Duet.18:22

Joseph Lumpkin in the Books of Enoch page 12 – “It has been largely the opinion of historians that the book does not really contain the authentic word of the ancient Enoch, since he would have lived several thousand years earlier than the first known appearance of the book attributed to him. However, the first century Christians accepted the Book of Enoch as inspired, if not authentic. They relied on it to understand the origin and purpose of many things, from angels to wind, sun, and stars. In fact, many of the key concepts used by Yahusha Ha Mashiach himself seem directly connected to terms and ideas in the Book of Enoch. It is hard to avoid the evidence that Yahusha not only studied the book, but also respected it highly enough to allude to its doctrine and content. Enoch is replete with mentions of the coming kingdom and other holy themes. It was not only Yahusha who quoted phrases or ideas from Enoch, there are over one hundred comments in the New Testament which find precedence in the Book of Enoch.”

Page 14 “Many of the early church fathers also supported the Enochian writings. Justin Martyr ascribed all evil to demons whom he alleged to be the offspring of the angels who fell through lust for women; directly referencing the Enochian writings.”

Page 14 “Athenagoras (170 A.D.), regarded Enoch as a true prophet”

Page 16 “It was considered scripture by many early Christians. The literature of church fathers is filled with references to this book... Second and third century church fathers like Justin Martyr, Iranaeus, Origin and Clement of Alexandria all seemed to have accepted

Enoch as authentic. Tertullian (160-230 A.D.) even called the Book of Enoch, “Holy Scripture”.”

I know that the book of Jubilees and the book of Enoch is not canonized, in our American bibles. But these books contain the instructions of how to use the calendar for the appointed times that the Creator commands us to keep forever. We have the eternal calendar with the eternal Holidays on them here on earth available for us to use right now to be in tune with Heaven. I have read Jubilees, Enoch, The Ancient Dead Sea Scroll Calendar, Ancient Testaments of the Patriarchs, The Epistle of Bar-Narva Barnabas, Maccabees, and the book of Jasher- along with the Bible. I can honestly say they all read just like Scripture, and there is nothing I see that contradicts what we call Scripture here in America in 2020 A.D. or on the Enochian calendar 5949 A.M.. A.M. means the beginning of the world- Anno Domini. In fact, I would say the vast majority of Christian doctrine comes from the writings of Enoch and the Patriarchs but mainly Enoch. They speak of fallen angles, luminaries, crowns of glory, unclean spirits, messianic prophecies, Israeli prophecies, resurrections to life and resurrections to death, eternal punishment, hell, heaven, water baptism, deity of the Messiah, sinless lamb of YAH, virgin birth, death and resurrection of messiah, catching away of evil men, history of mankind, destruction of the earth, new heavens and new earth. It is obvious to me that our Christian bibles and doctrines come from the writings of these men.

The currently used Jewish Calendar is missing one-hundred and sixty-four years! This also confirms the Enoch calendar because if you add one-hundred and sixty-four years to the Jewish calendar you land on the same year as the Enoch Calendar! There are many sources confirming these one-hundred and sixty-four missing years.

Here is one. Ariel Tzadok the Kosher Torah School, “Visions of the end of days” Page 104 “The standard dating of the destruction was 586 BCE. However according to classical Jewish chronology the date of the destruction of the First Temple was 422 BCE. There is here a period of some 164 missing years.”

The Enoch Calendar is a solar three-hundred and sixty-four day calendar. It consists of twelve months of thirty days each. It contains fifty-two weeks of seven days each.

It has four Intercalary days, Spring equinox, Summer solstice, Fall equinox, Winter solstice. In Hebrew there is one word for all four days- it’s called a “Tekufa”.

Every month has thirty days, with an “Intercalary Day” dividing each of the four seasons into ninety-one days each totaling one year. These four days are not included in the math of calculating a year, when doing math a year equals three-hundred and sixty days.

The year always begins on the fourth day of the week of the first month during the spring equinox, not after. The Sun was created on the fourth day, this is why the solar calendar begins on the fourth day of the week.

The Wednesday closest to the spring equinox is New Years Day or Aviv first or Beginning of the First Month!

The year always renews on the fourth day of the first month.

A.M. stands for Anno Mundi meaning the year of the world.

Four seasons of ninety-one days each. Every third month has thirty-one days with the Intercalary day being the thirty-first day, change of

the season. The Equinox or Solstice should occur on the Intercalary day. The day after (4th day of week) is the Head of Spring, Summer, Fall, and Winter. So you have 30,30,30,1; 30,30,30,1; 30,30,30,1; 30,30,30,1. It's important to note that when doing math you do not count the Intercalary days! So its 360 (days in a year). 360×3.5 years = 1,260 days.

It is interesting to note that the stars also confirm the calendar by giving us a different constellation each month for twelve months then starting over.

Quote from **Ken Johnsons Book "Dead Sea Scroll Calendar" pages 5 & 6.** "Most of us who study ancient history and church history in general, know about the modern Jewish Calendar. It is a lunar calendar consisting of 354-day year. Its months start on a new moon and every three to five years there is a leap month to keep it somewhat in sync with the four seasons. What we were never told is that there was another calendar; a solar one, used by the Essenes. This is their story. The Essenes taught that Yah gave us the perfect calendar. The base unit for the calendar was a twenty-four-hour day that was put in sets of seven, called weeks. Their calendar year was 364 days long, which evenly divided into 52 weeks. This made all holidays fall on the same day of the week every year! The Essenes said this calendar was observed unbroken from the time of Adam to Moses and down to the time of David. David wrote songs for each of the 52 Sabbaths of the year. We actually have some of those in the Dead Sea Scrolls! It remained the only calendar used by the Jews until the Greeks tried to force them to use the Seleucid Greek calendar. Unlike the 364-day solar calendar, this was a 354-day lunar calendar,. It changed New Years Day from the spring to the fall. It calculated the month, not by the solstices and equinoxes, but

by the lunar new moon. The Maccabees rose up and drove out the Greeks. Antiochus Epiphanes died, and the new ruler was more interested in taxes than religion. Antiochus V Eupator made a deal with the Maccabees. The Jews could keep their religion, but they had to pay tribute and to use the Seleucid Empire's calendar. The Maccabees accepted the offer. If we believe the Dead Sea Scrolls, this is the true origin of the modern Jewish Calendar. The Zadok priest said that giving up the original solar calendar alone would be a grievous sin. Eventually the Zadok priests were driven out and settled in Qumran. They took with them copies of everything in the temple library.”

I happen to think they started to convert the calendar to a lunar one during and after Babylonian captivity. After the Grecian Empire the Yah-given solar calendar with His Holidays seems to disappear completely from mainstream groups. With the exception of the Essenes and a group of Ethiopian Jews who have Enoch and Jubilees canonized in their bibles. There is also evidence in the Dead Sea Scrolls that John the Baptist (YahuChannon the Immerser) was the leader of the School of prophets at the Qumran Caves in the Essene Community. There is a prophecy in their dead sea scrolls called community rule which declared one from their order would be the forerunner for the Messiah-Prepare Ye the Way of Yah, Make Straight His Paths. This was John the Baptist. John also had 30 disciples and the Messiah had 12 disciples. Correlating with 30 days in a month and 12 months in a year. This was an established Essene pattern of the Higher teacher having 12 and the lower teacher having 30 disciples.

According to the Talmud, Bavli Berachot 56-59, every twenty-eight years the sun returns to its original place when the world was

created. This 28 year cycle is called the “Machzor Gadol” meaning “The Great Cycle”.

The sun, moon, and stars were created on the fourth day of creation; therefore, the calendar starts on the fourth day of the week.

Revelation 11:3 & 12:6 & Daniel 9:27 all these use 1,260 days which all theologians interpret as 3.5 years which all comes from the Enoch calendar math. You cannot get 3.5 years matching 1,260 days exactly on anyone else calendar. 42 months times 360 days equals 1,260 days and 3.5 years on the Enoch Calendar.

Jubilees 2:9 “And Yah appointed the sun to be a great sign on the earth for days and for sabbaths and for months and for feasts and for years and for sabbaths of years and for jubilees and for all seasons of the years.”

Jubilees 6:23-38 “And on the beginning of the first month, and on the beginning of the fourth month, and on the beginning of the seventh month, and on the beginning of the tenth month are the days of remembrance, and the days of the seasons in the four divisions of the year. These are written and ordained as a testimony forever.

And Noah ordained them for himself as feasts for the generations forever, so that they have become thereby a memorial unto him.

And on the beginning of the first month he was bidden to make for himself an ark, and on that day the earth became dry and he opened the ark and saw the earth. And on the beginning of the fourth month the mouths of the depths of the abysses beneath were closed. And on the beginning of the seventh month all the mouths of the abysses of the earth were opened, and the waters began to descend into them. And on the beginning of the tenth

month the tops of the mountains were seen and Noah was glad. And on this account he ordained them for himself as feast for a memorial forever, and thus they are they ordained. And they placed them on the heavenly tables...thus it is engraven and ordained on the heavenly tables. And there is no neglecting this commandment for a single year or from year to year.” And command thou the children of Israel that they observe the years according to this reckoning-three hundred and sixty-four days, and (these) will constitute a complete year, and they will not disturb its time from its days and from its feast; for everything will fall out in them according to their testimony, and they will not leave out any day nor disturb any feasts. But if they do neglect and do not observe them according to His commandment, then they will disturb all their seasons, and the years will be dislodged from this (order), [and they will disturb the seasons and the years will be dislodged] and they will neglect their ordinances. And all the children of Israel will forget, and will not find the path of the years, and will forget the beginning of months, and seasons, and sabbaths, and they will go wrong as to all the order of the years. For I know and from henceforth shall I declare it unto thee, and it is not of my own devising; for the book (lieth) written before me, and on the heavenly tables the division of days is ordained, lest they forget the feasts of the covenant and walk according to the feasts of the Gentiles after their error and after their ignorance. For there will be those who will assuredly make observations of the moon – now (it) disturbeth the seasons and cometh in from year to year ten days too soon. For this reason the years will come upon them when they will disturb (the order), and make an abominable (day) the day of testimony, and an unclean day a feast day, and they will confound all the days, the holy with the unclean, and the unclean day with the

holy; for they will go wrong as to the month and sabbaths and feasts and jubilees. For this reason I command and testify to thee that thou mayest testify to them; for after thy death thy children will disturb (them), so that they will not make the year three hundred and sixty-four days only, and for this reason they will go wrong as to the beginning of month and seasons and sabbaths and festivals, and they will eat all kinds of blood with all kinds of flesh.”

Jubilees 4:16b- “...and he called his name Enoch. And he was the first among men that are born on earth who learnt writing and knowledge and wisdom and who wrote down the signs of heaven according to the order of their months in a book, that men might know the seasons of the years according to thee order of their separate months. And he was the first to write a testimony, and he testified to the sons of men among the generations of the earth, and recounted the weeks of the jubilees, and made known to them the days of the years, and set in order the months and recounted the Sabbaths of the years as we made (them) known to him. And what was and what will be he saw in a vision of his sleep, as it will happen to the children of men throughout their generations until the day of judgment; he saw and understood everything, and wrote his testimony, and placed the testimony on earth for all the children of men and for their generations...And he was moreover with the angels of YAH these six jubilees of years, **and they showed him everything which is on earth and in heavens, the rule of the sun, and he wrote down everything.**

Enoch 72:1 “The book of the courses of the luminaries of heaven, the relations of each, according to their name, origin, and months (dominion and seasons) which Uriel, the holy angel who was with

me, who is their guide, showed me; and he showed me all their laws (regulations) exactly as they are, and how it is with each of the years of the world and to eternity, until the new creation is accomplished which endures until eternity.”

Enoch 72:32 “On that day the night decreases and amounts to nine parts, and the day to nine parts, and the night is equal to the day and the year is exactly as it its days three hundred and sixty-four.”

“On that day” – this day is known as the Spring Equinox

Enoch 74:12 “And the sun and the stars bring in all the years exactly, so that they do not advance or delay their position by a single day to eternity; but complete the years with perfect justice in 364 days.”

Enoch 75:1-2 “And the leaders of the heads of the ten thousands, who are in charge of the whole creation and over all the stars, have also to do with the four days of the year which are not counted in the yearly calendar, being not separated from their office, according to the reckoning of the year, and these render service on the four days which are not counted in the reckoning of the year. And because of them men go wrong in them, for those luminaries truly render service to the stations of the world, one in the first door, one on the third door of heaven, one in the fourth door, and one in the sixth door, and the exactness of the year is accomplished through its separate three-hundred and sixty-four stations.”

Enoch 80:1 “And in those days the angel Uriel answered and said to me; ‘Behold, I have shown you everything, Enoch, and I have revealed everything to you that you should see this sun and this moon, and the leaders of the stars of heaven and all those who turn

them, their tasks and times and departures.”

Enoch 81:1-2,5-6 “And he said to me: ‘Enoch, look at these heavenly tablets and read what is written on them, and mark every individual fact.’ And I looked at the heavenly tablets, and read everything which was written on it and understood everything, and read the book of all the deeds of mankind, and of all the children of flesh; that shall be on the earth to the end of generations...And the seven holy ones brought me and placed me on the earth before the door of my house, and said to me: ‘Declare everything to your son Methuselah, and show to all your children that no flesh is righteous in the sight of the Lord, for He is their Creator. For one year we will leave you with your son, until you give your last commands, that you may teach your children and record it for them and testify to all your children; and in the second year they shall take you from their midst.”

Enoch 82:1-7 “And now, my son Methuselah, all these things I am recounting to you and writing down for you! And I have revealed to you everything, and given you books concerning all these; so, my son Methuselah, preserve the books from your father’s hand, and see that you deliver them to the generations of the world.

I have given wisdom to you and to your children, and those children to come, that they may give it to their children for generations. This wisdom namely that passes their understanding. And those who understand it shall not sleep, but shall listen that they may learn this wisdom, and it shall please those that eat thereof better than good food. Blessed are all the righteous, blessed are all those who walk in the way of righteousness and sin not as the sinners, in the numbering of all their days in which the sun traverses heaven, entering into and

departing from the doors for thirty days with the heads of thousands of the order of the stars, together with the four which are within the calendar which divide the four portions of the year, which lead them and enter with them four days. Owing to them men shall be at fault and not count them in the whole number of days of the year. Men shall be at fault, and not recognize them accurately. For they belong to the calculations of the year and are truly recorded therein forever, one in the first door and one in the third, and one in the fourth and one in the sixth, and the year is completed in three hundred and sixty-four days. And the account of it is accurate and the recorded counting thereof is exact; for the luminaries, and month and festivals, and years and days, has Uriel shown and revealed to me, to whom the Lord of the whole creation of the world hath subjected the host of heaven.”

Enoch 82:10 “Their four leaders who divide the four parts of the year enter first; and after them the twelve leaders of the orders who divide the months; and for three hundred and sixty days there are heads over thousands who divide the days, and for the four days in the calendar there are the leaders which divide the four parts of the year.”

Enoch 82:14 “...In the beginning of the year Melkejal rises first and rules, who is named Tam’aini and sun, and all the days of his dominion while he bears rule are ninety-one days.”

Enoch 82:17 “The next leader after him is Hel’emmelek, whom one names the shining sun, and all the days of his light are ninety-one days.”

Enoch 74:12 “And the sun and the stars bring in all the years exactly, so that they do not advance or delay their position by a

single day to eternity; but complete the years with perfect justice in 364 days.”

I have noticed in my observation of the constellations each month that the ninety-one days between each season fluctuates although it works out in the end perfectly with three-hundred and sixty-four days. For example, on season can be eighty-eight days and then next season can be ninety-four days, but the average remains ninety-one. I have also noticed in my observation of time between Tekufa's (solstices & equinoxes) that they are never more than a week off. The first day of the year is always the Wednesday during the Equinox, not after Spring Equinox week! I've seen some Zodiacs kept by Ancient Jews and they look like the sundials found in the Qumran caves for the calendar.

Science confirms that the constellations change every thirty days twelve times a year confirming twelve months of thirty days per year! Also these changes vary a little also, so you could have twenty-seven days of one and thirty-three days of another but they all average out to thirty days of twelve months each. Basically science confirms what we have learned from the book of Enoch. Another point to understand is that the greater the distance away from the equator that the observer is will create a bigger fluctuation. So if you live on the equator you will not see the fluctuation, it will be more accurate so to speak- at least this is how I understand it to be in my one year of observation.

The beginning of the year starts on the Wednesday closest to the Spring Equinox. Wednesday is the day the Sun was created; therefore, this is the day the calendar starts since it is a solar

calendar. The only thing the Essenes in the Dead Sea Scrolls used the moon for was for calculating the Shmeta year. So the moon can be used to determine which year of the seven year cycle we are in! The moon is in a fixed position at the beginning of each of the four seasons every year. The moon goes through seven positions, one each year; then goes in reverse for seven years. The Creators Calendar by Dr. Shmuel Asher goes into detail on these moon phases, I recommend his book. He also speaks of the Sabbath only being on Saturday, not beginning Friday night.

“A list the Creators Holidays”

Leviticus 23:1-4 / Jubilees 2:29 / Jubilees 50:6-13

1. **Sabbath/Shabbat** (Every Saturday which is the 7th day of the week) A commanded assembly day!

Numbers 28:11-15 / Genesis 8:13 / Exodus 12:2 & 13:4 / Jubilees 6:23-25 / Jubilees 7:2-3 / Jubilees 13:8

2. **Beginning of the First Month, Aviv, Head of Spring, Day of Remembrance**, Noah was told to build the ark and the earth dried up after the flood. The Spring Equinox is the Intercalary Day and is the 3rd day of the week, or on Tuesday, the last day of the year (364 days) and called the “Tekufa” in Hebrew. The Equinox is the Sign we are guard.

Deuteronomy 16:1 “Guard the Sign of the month of the Aviv; and perform Passover, to YAHUAH your Elohim; Because in the month of the Aviv (season), YAHUAH your Elohim took you out of Egypt at night.” RSTNE 7th Edition - The Sign being the Straight line at the Vernal Equinox! A commanded assembly day!

The First Day of every Torah month is a Commanded assembly. **2 Kings 4:23** “And he said why will you go to him today? It is neither a new month nor a Sabbath. And she said it will be well”. The Kings of Israel would always meet the prophets at a Gilgal on the Feast Days and on the heads of the months. They gathered to hear the prophets on the beginning of the new month and every Sabbath.

Noah opened his wine on this day that he had made and saved, and he celebrated with joy the day of this feast, and made atonement for

himself and his sons by way of animal sacrifice. In Jubilees 13 Abram builds an altar and called on the name of the Lord. At the well of the oath Isaac builds an altar and meets with YAH.

Jubilees 6:23 “And on the beginning of the first month, and on the beginning of the fourth month, and on the beginning of the seventh month, and on the beginning of the tenth month are the days of remembrance, and the days of the seasons in the four divisions of the year. These are written and ordained as a testimony forever.”

Jubilees 6:25 “And on the beginning of the first month he was bidden to make for himself an ark, and on that day the earth became dry and he opened the ark and saw the earth.”

Jubilees 7:2-3 “And he made wine therefrom and put it into a vessel, and kept it until the fifth year, until the first day, on the beginning of the first month. And he celebrated with joy the day of this feast, and he made a burnt sacrifice unto the Lord, one young ox and one ram, and seven sheep, and each a year old, and a kid of the goats, that he might make atonement thereby for himself and his sons.”

Jubilees 13:8 “And it came to pass in the first year, in the seventh week, on the beginning of the first month, that he built an altar on this mountain, and called on the name of the Lord: ‘Thou, the eternal Alahim, art my Alahim’.”

Leviticus 23:5

3. **YAH’s Passover/Pesach** (Aviv 14th **Exodus 13:4** (**Nisan - pagan name**) usually between March and April). I think this is

more of a family gathering rather than a congregational assembly.

Leviticus 23:6-8

4. Feast of Unleavened Bread (Aviv 15th for 7 days). The first and last day of Unleavened Bread is a commanded assembly day!

Leviticus 23:9-14

5. First Fruits (Aviv 26th this is the day after the weekly Sabbath, the week after Unleavened Bread. **This is the Barley Harvest.** Begin counting this day to the next First Fruits Harvest – 50 days!) All first fruits harvest land on the first day of the week! It's called the counting of the Omer. I think assembly is implied.

Leviticus 23:15-22/Jubilees 6, 14, 16, 29, 44

6. Pentecost/Feast of Weeks/Shavuot (3rd Month 15th Day, 50 days after First Fruits.) **This is the first fruits of the Wheat Harvest.** Begin counting this day to the next First Fruits Harvest. The book of Jasher 82:6 has the ten commandments being given on the sixth day of the 3rd month and it is said that the 10 commandments were given on Shavuot. However, the Enoch calendar has Shavuot on the 15th of the third month. All first fruits harvest land on the first day of the week! I think assembly is implied.

In **Jubilees 6:17-22** Noah is keeping the feast of weeks to renew the covenant every year and this whole festival is celebrated in heaven from the day of creation; but once Noah died his sons did away with

it until the days of Abraham.

Jubilees 14 on the middle of the 3rd month Abram built an altar and sacrificed animals and in verse 20 it says “And on that day we made a covenant with Abram, according as we had covenanted with Noah in this month, and Abram renewed the festival and ordinance for himself forever.” Noah kept Shavuot! Jubilees 15 shows Abram celebrating Shavuot in the middle of the 3rd month although they call it first fruits, they did animal sacrifices too; Abram received the sign of circumcision with YAH appearing to Him.

Jubilees 16 speaks of Isaac being born on festival of the first-fruits of the harvest in the middle of the 3rd month.

In **Jubilees 29** Yacov makes a feast for Laban on the 15th of the 3rd month (confirmed on the Enochian calendar).

Yacov celebrated this feast of weeks in the third month in the **44th chapter** of Jubilees.

This comes from DSSC (Dead Sea Scroll Calendar) by Ken Johnson Page 119

“According to the Essene Calendar YAH entered, or will enter, into the following covenants on Pentecost:

1. Adamic Covenant- Pentecost preflood
2. Noahide Covenant- Pentecost 1657 AM
Abrahamic Covenant- Pentecost 2018 AM
3. Abrahamic Covenant- Pentecost 2018 AM
4. Mosaic Covenant- Pentecost 2448 AM
5. Covenant of Grace- Pentecost 3957 AM
6. Millennial Covenant- Pentecost 6000 AM” (2075AD)

The first 3 Covenants are pre-dating Leviticus 23 and the Exodus.

Genesis 8:2 / Jubilees 3, 6, & 16

7. Beginning of the Fourth Month (Head of Summer), Day of Remembrance; The mouths of the abysses beneath were closed ending the flooding. The Summer Solstice is the Intercalary Day the day before the beginning of the fourth month. In Hebrew it's called the Tekufa. A commanded assembly day! Beginning of 4th month (Summer) Adam and Eve leave Garden of Eden **Jubilees 3:32**. In **Jubilees 6:23** we see it ordained forever. **Jubilees 16** they appeared to Abraham and then brought judgment on Sodom and Gomorrah. **Jubilees 6:26** A Day of Remembrance; the mouth of the waters of the depth were closed after the flood. **Genesis 8:2,3** "Also the Fountains of the deep and the floodgates of the sky were closed, and the rain from the sky was restrained; and the water receded steadily from the earth, and at the end of one-hundred and fifty days the water decreased".

Exodus 34:22 / Deuteronomy 18:4 / Jubilees 7:36 / Found on the Calendar at Qumran Caves

8. Pentecost/Feast of Weeks/Shavuot (5th Month 3rd Day)
This is the first fruits of New Wine. Begin counting this day to the next First Fruits Harvest. All first fruits harvests land on the first day of the week. I think assembly is implied.

First Fruits of New Wine- First day of the week in the 5th month on the 3rd day.

Jubilees 7:36-38 "...Let them offer in abundance the first of the wine and oil as first fruits on the altar of the Lord... for thus did Enoch, Methuselah his son, and Lamech his son, and Lamech commanded me all the things which his father commanded him."

Ken Johnsons DSSC page 124-126 "The Feast of New Wine was not only a celebration for the grape harvest but also a time for weddings. On that day a couple could get married without parental consent."

Judges 21:19-21 "Then they said, Behold, there is a feast of YAH in Shiloh yearly...Therefore they commanded the children of Benjamin, saying, Go and lie in wait in the vineyards; And see, and, behold, if the daughters of Shiloh come out to dance in dances, then come ye out of the vineyards, and catch you every man his wife of the daughters of Shiloh and go to the land of Benjamin."

Page 126 "New Wine is on Sunday, Av 3. Yahusha went to a wedding in Cana turned the water into wine on the Festival of New Wine, this cannot be a coincidence."

John – Yahhukannon 2:1 "And the third day there was a marriage in Cana of Galilee; and the mother of Yahusha was there."

Jubilees 7:36 / Exodus 34:22/ Deuteronomy 18:4 / Found on the Calendar at Qumran Caves

9. **Pentecost/Feast of Weeks/Shavuot** (6th Month 22nd Day)
This is the First Fruits of New Oil. This is the last of the First Fruits Harvests for the year. All first fruits harvests land on the

first day of the week. I think assembly is implied. **First Fruits of New Oil-** First day of the week in the 6th month on the 22nd. **Jubilees 7:36-38** "...Let them offer in abundance the first of the wine and oil as first fruits on the altar of the Lord... it says for thus did Enoch, Methuselah his son, and Lamech his son, and Lamech commanded me all the things which his father commanded him."

Leviticus 23:23-25 / Jubilees 6, 12, & 31

10. Feast of Trumpets/Blowing of Trumpets/Yom Teruah (Ethanim 1st I Kings 8:2 (Tishri-pagan name)) **Beginning of the 7th month, Head of Fall, Day of Remembrance**, all the mouths of the abysses of the earth were opened, and the waters began to descend into them. The Fall Equinox is the Intercalary Day, the day before the Beginning of the seventh month. In Hebrew they call it the Tekufa. A commanded assembly day. **Beginning of the Seventh Month - Yom Teruah - (Fall) - Jubilees 12** tells us Abram sat up through this night and spoke with YAH and YAH blessed him as in **Genesis 12**. YAH then opens Abrams mouth and ears to hear and speak the language which hath been revealed and had ceased from the mouth of all since the tower of babel. They call Hebrew the tongue of the creation. Abram then takes the books of his fathers, which are in Hebrew, and studies them for 6 rainy months. **In Jubilees 31** on the beginning of the 7th month Yacov goes up to Bethel builds an altar and invites Isaac but Isaac is too old so Yacov goes to his parents and Isaac prophesies over his children. **Jubilees 6:26** A Day of Remembrance of when the mouths of the depths of the earth were opened to take in the flood waters.

Ken Johnson DSSC page 136- “Yom HaMelek, or the Day of the King. It’s the time of Messiah’s coronation and the beginning of His kingdom. A new king is crowned during ‘Yom Teruah’. A king always has his bride with him at his coronation.”

Leviticus 23:26-32 / Jubilees 5:18 / Jubilees 34 / Jubilees 34:18-19

11. **Day of Atonement/ Yom Kippur** (Ethanims 10th)
Considered by many to be the most consecrated set apart day; I have seen in scripture that the word for the weekly Sabbath and the word for this Annual Sabbath are the same. The word for all the other Sabbaths is different. So Scripture makes a distinction, but I’m not for sure what the difference is. Sabbath and Yom Kippur are days of no work at all; and the other feast days Sabbathownns are more lenient with the work you do, but still no occupational work. A commanded assembly day. The origins surround the news of the death of Joseph and the death of Billah upon receiving the news and the death of Dinah, Jacobs only daughter within the same month. The fast evening to evening is based on Jacob receiving the news on the evening of the ninth and mourning refusing to be comforted and not eating until the evening of the tenth. It has nothing to do with the Sabbath starting at Sundown and ending at Sundown- the Sabbath day begins Saturday morning and ends Saturday evening in my opinion- I've never seen a Sabbath night in Scripture- only a Sabbath Day! **Yom Kippur** existed before Leviticus 23 and slavery in Egypt! In **Jubilees 5:18** it looks like a reference to Yom Kippur it says it is written and ordained that He will show mercy to all who turn from all their guilt once each year. In **Jubilees 34** it tells us that Yoseph was sold into

slavery and bad news was given to Yacov on the 10th of the 7th month! Upon receiving the news Bilhah and Dinah die as well. **Jubilees 34:18-19** “For this reason it is ordained for the children of Israel that they should afflict themselves of the tenth of the seventh month – on the day that the news which made him weep for Yoseph came to Yacov his father- that they should make atonement for themselves thereon with a young goat on the tenth of the seventh month, once a year, for their sins; for they had grieved the affection of their father regarding Yoseph his son. And this day hath been ordained that they should grieve thereon for their sins, and for all their transgressions for all their errors, so that they might cleanse themselves on that day once a year.”

Leviticus 23:33-44 / Jubilees 16 & 32

12. **Feast of Tabernacles/Feast of Booths/Sukkot** (Ethanim 15th for **8 days**). This is actually for 7 days and then there is the 8th day which seems to be distinct and separate in itself. A commanded assembly required on the 15th and 22nd day of the month. The origins of the eighth day come from Jacob going to Bethel in Genesis 35 and Jubilees 32. Jacob has a dream during Sukkot and is told to add an additional day which he called '**Addition**'. **Sukkot - Jubilees 16** records Abraham celebrating Sukkot in the 7th month for 7 days. In **Jubilees 32** Yacov goes to Bethel for Sukkot and has a dream, Yacov celebrates the 7 days of sukкот and then is instructed to add the 8th day to it on the 22nd of the month. **If you count the eighth day separate from Sukkot, then there are 14 Appointed Times or Calendar Events not Including Purim and Hanukkah.**

Genesis 8:5 / Jubilees 6:27

13. Beginning of the Tenth Month (Head of Winter), Day of Remembrance, mountain tops were seen after the flood as Noah rejoiced. The Intercalary Day is the winter solstice, which should occur the day before the Beginning of the Tenth Month. In Hebrew they have one word for the equinoxes and solstices, it is Tekufa. A commanded assembly day. **Beginning of the 10th month (Winter) – Genesis 8:5** “and the water decreased steadily until the tenth month; in the tenth month, on the first day of the month, the tops of the mountains became visible.” **Jubilees 6:27** “the mountain tops were seen and Noah rejoiced!”

I will add Purim and Hanukkah to the calendar as well since they are clearly part of the history of Israel and **Purim is in the book of Esther and Hannukah is in the book of Maccabees.**

Maccabees 4:54,56,59 “Then all the people fell upon their faces, worshipping and praising the Alahim of heaven , who had given them good success. And so they kept the dedication of the altar eight days, and offered burnt offerings with gladness, and sacrificed the sacrifice of deliverance and praise...Moreover Judas and his brethren with the whole congregation of Israel ordained, that the days of the dedication of the altar should be kept in their season from year to year by the space of eight days, from the five and twentieth day of the month Casleu, with mirth and gladness.”

Hanukkah is celebrated for eight days and it begins on the 25th of Kislev or the 9th scriptural month and it ends on the Beginning of the 10th month.

Esther 9:17, 18, 21 – In the month of Adar on the 14th day and the 15th day they rested and made it a day of feasting and rejoicing.

Esther 9:26-32

Purim is celebrated on the 14th and 15th day of the 12th month.

Names of the Months found in Scripture

First Month- Aviv, Abib, the green leaf, green ripe ears. **Exodus 12:2 and 13:4**- It's also called Nisan in **Esther 3:7**. So to me it looks like in Persian captivity Israel changed the name to Nisan adopting a pagan name. This green leaf is referring to spring and it would be the barley harvest in Israel.

Second Month- Ziv or Zif, blossom, month of flowers. **I Kings 6:1,37**

Third Month- Sivan, Esther 8:9 - this word is probably of Persian origin.

Fourth Month- Tammuz, Ezekiel 8:14 - well you can't get any more pagan than this.

Fifth Month- Av or Ab, this name isn't even found in scripture to my knowledge.

Sixth Month- Elul, Nehemiah (Nekem Yah) 6:15 - Since Strongs concordance gives no definition for this word and it's after Babylonian captivity, it's probably an improper name for the month.

Seventh Moth- Ethaniam, I Kings 8:2- A constancy of Streams or the permanent brooks. Tishri is probably a pagan name and not found in Scripture either as far as I know.

Eighth Month- Bul, I Kings 6:38 - as in the sense of Rain.

Ninth Month- Chislev or Kislev, Nehemiah 1:1; Zechariah 7:1-
BDB pg 493 B says Kisleu is a loan word from Babylon.

Tenth Month- Tebeth, Esther 2:16- Not of Hebrew origin.

Eleventh Month- Shebat, Zechariah (Zakar Yahu) 1:7-
Babylonian word.

Twelfth Month- Adar, Esther 3:7- Another loan word from
Babylon.
